Meeting Report
February 9, 2006

PRESENT: Chair Ken Yeager, Vice-Chair Judy Chirco, Council Member Nancy Pyle

STAFF: Mark Linder, Deanna Santana, Barbara Jordan, Avo Makdessian

a. Early Care and Education Update (Library)

The Committee accepted the report, with direction for staff to return to the Committee in March to continue the report, but to focus the discussion solely on the staffing situation in the Early Care and Education Unit. Many of the positions are grant funded, either through Healthy Neighborhoods Venture Fund, CDBG, or federal, and there is concern that some of these positions will be eliminated in the upcoming budget process. Upon motion of Councilmember Pyle, seconded by Vice-Chair Chirco, the Committee accepted the report.

b. Report on Child Care Needs Research (Library)

Upon motion of Councilmember Pyle, seconded by Vice-Chair Chirco, the Committee accepted the report.

c. Report on Children's Health Initiatives (Parks, Recreation and Neighborhood Services) **[Continued from December 2005]**

Upon motion of Vice Chair Chirco, seconded by Councilmember Pyle, the Committee accepted the report.

d. Oral Petitions

Bill Chew expressed personal views.

e. Adjournment

The meeting was adjourned at 3:00 p.m.
