I. COMMUNITY AND ECONOMIC DEVELOPMENT

1. Housing And Community Development (Includes property, code enforcement, building standards, permits, redevelopment, economic development, eminent domain, rent control, homelessness and mobilehomes.)			
AB 373 (Wolk) Local Government: Mello-Roos Community Facilities Act.	Amends the Mello-Roos Community Facilities Act to include a statement of the priority that various kinds of public facilities have for financing recreational program services, library services, maintenance services for school sites and structures, and the operation and maintenance of museums and cultural facilities. Revises vote requirements to provide that a vote on a special tax to be levied on such services. Authorizes community facilities districts for lighting and open space.	No	Chapter 670, Statutes of 2007. (Signed by Governor 10/13.)
AB 382 (Assembly Committee on Housing & Community Development) Housing Omnibus Act.	Relates to financing of low- or very low-income housing, inspection of mobilehome parks under the Mobilehome Parks Act, repeal of provisions establishing a renewal area, repeal of the Limited Dividend Housing Corporations Law, contracting for certain services by a housing authority, repealing the authority to form an area housing council, deletion of a requirement to prepare rural area lists under the low-income housing tax credit provisions, and self-help and farmworker housing.	Yes	Chapter 596, Statutes of 2007. (Signed by Governor 10/13.)
AB 405 (Duvall) Redevelopment: Tax Increment Revenues.	Requires the share of property tax increment revenues diverted from local educational agencies directed to the county instead of the local educational agencies when a redevelopment agency is deactivated, if the county is a low-wealth county, until the county has reached the average statewide percentage of countywide ad valorem property tax revenue.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31.
AB 414 (Jones) Local Planning: Residential Development.	Limits the manner in which a city, county, or city and county jurisdiction utilizes, in identifying land suitable for residential development to meet the jurisdiction's share of the regional housing need, vacant sites zoned for nonresidential use that allows residential development, and for which the applicable zoning and development standards allow substantially all of the site to be developed without residential use. Redefines lower residential density for planning and zoning law purposes.	No	Vetoed by Governor 10/13.
AB 460 (Cook) Mobilehome Parks: Removal of Mobilehomes.	Permits a mobilehome manufactured prior to June 15, 1976, to remain in a park if the mobilehome is inspected by a home inspector, copies of the reports are made available to the homeowner and management, and violations are corrected and proof of these corrections is presented to management prior to sale. Provides that any mobilehome that does not satisfy these requirements may be removed from the park. Provides that management shall not require the use of a certain inspector.	No	Referred to Assembly Committee on Housing and Community Development. Last amended 3/29.
AB 506 (Lieu) Battery: Code Enforcement Officer.	Provides that if a battery is committed against a code enforcement officer, and an injury is inflicted on the victim, the battery is punishable by a fine, imprisonment in a county jail not exceeding one year, or by both.	Yes	Referred to Senate Committee on Public Safety.
AB 548 (Levine) Solid Waste: Multifamily Dwellings.	**Requires an owner of a multifamily dwelling to arrange for recycling services that are appropriate for the multifamily dwelling, consistent with state or local laws or requirements, including a local ordinance or agreement, applicable to the collection, handling, or recycling of solid waste.**	**No**	**Vetoed by Governor 10/14.** **SUPPORT.**
AB 600 (Garcia) Housing: Homebuyer Assistance.	Changes the maximum amount of downpayment assistance available under the Building Equity and Growth in Neighborhoods Program to an amount to be set in the current notice of funding availability.	No	Referred to Assembly Committee on Rules. Last amended 4/23.
AB 665 (DeSaulnier) Growth Management.	Requires the University of California Transportation Center to produce a report on the best practices of transportation-land use planning and growth management that includes specified criteria. Requires the Department of Housing and Community Development to produce a Growth Management Information Report using key indicators of growth by region as a guide, and to also provide the report to the transportation and housing committees of the Legislature.	Yes	Vetoed by Governor 10/10.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 677 (Nakanishi) California Firefighters' Home Purchase Act of 2007.	Enacts the CA Firefighters' Home Purchase Act of 2007 which, if adopted, would authorize the issuance of bonds in an unspecified amount for the purpose of providing firefighters with the opportunity to acquire homes in the communities where they provide firefighting services. Provides for the submission of the bond act to the voters at the next statewide election.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 4/16.
AB 725 (Lieber) Housing: Universal Rental Housing Application.	Requires specified rental housing providers to use and make available to prospective tenants, not-for-profit agencies, and others upon request, a universal rental housing application, to be developed by the Department of Housing and Community Development in coordination with specified governmental agencies. Requires the department and other agencies to notify specified rental housing providers of the requirement of these provisions.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/24.
AB 792 (Garcia) Environmentally Sustainable Affordable Housing Program. (Prop. 1C).	Establishes the Environmentally Sustainable Affordable Housing Program consisting of the Construction Liability Insurance Reform Pilot Program; the Green Building, Energy Efficiency and Building Design Program; and the Affordable Housing for Teachers Program. Requires the Department of Housing and Community Development to fund these programs.	Yes	Referred to Assembly Committees on Housing and Community Development, and Natural Resources. Last amended 3/29.
AB 845 (Bass) Foster Youth: Transitional Housing: Funding.	**Appropriates $10.5 million to the Department of Social Services to fund increased costs for the Transitional Housing for Foster Youth Program in the 2006-07 fiscal year, in augmentation of a specified provision of the Budget Act. The State Budget trailer bill includes funding appropriation for this program, including $10.5 million to reimburse counties for 2006-07 expenditures and $25 million for 2007-08.**	**Yes**	**Senate Floor.** **Last amended 5/24.** **WATCH.**
AB 848 (Solorio) Local Government: Home Ownership Assistance.	Declares the intent of the Legislature to enact legislation that would improve local governments' ability to assist moderate-income families with home ownership opportunities.	No	Pending referral to committee.
AB 887 (De La Torre) Redevelopment: Eminent Domain: Assistance.	**Requires a redevelopment agency to comply with certain notification requirements prior to adopting a resolution of necessity for the purposes of acquiring property by eminent domain, and with a specified time prior to taking certain actions relating to redevelopment. Requires the agency to provide certain relocation assistance to small businesses that are displaced by redevelopment and do not participate in the redevelopment project.**	**No**	**Senate Floor.** **Last amended 7/18.** **WATCH.**
AB 927 (Saldana) Multifamily Housing Program.	**Requires the percentage of the total assistance provided under the Multifamily Housing Program that is awarded for units restricted to senior citizens, to be equal to the percentage of lower income renter households in the state that are lower-income elderly renter households, as reported by the federal Department of Housing and Urban Development on the basis of the most recent decennial census conducted by the U.S. Census Bureau.**	**Yes**	**Chapter 618, Statutes of 2007. (Signed by Governor 10/13.)** **SUPPORT.**
AB 929 (S. Runner) CA Housing Finance Agency: Bonds.	Increases the authorization of bonds to be issued by the Housing Finance Agency, the proceeds of which shall be deposited in the continuously appropriated CA Housing Finance Fund.	Yes	Chapter 274, Statutes of 2007. (Signed by Governor 10/5.)
AB 987 (Jones) Low and Moderate Income Housing Fund: Affordability.	Relates to the Community Redevelopment Law and the Low and Moderate Income Housing Fund. Requires that covenants and restrictions be enforced by specified persons against a violating owner. Requires creation of a database available to the public of all new or substantially rehabilitated units developed or assisted with moneys from the fund. Establishes recordation-related procedures. Requires the database to omit any property used to house victims of domestic violence.	No	Chapter 690, Statutes of 2007. (Signed by Governor 10/14.)
AB 1005 (Maze) Corporation Taxes: Involuntary Conversions.	Relates to provisions of the Corporation Tax Law that provides if property is compulsorily or involuntarily converted, no gain shall be recognized as a taxable gain if the conversion property is similar to the original property. Provides that if a taxpayer elects nonrecognition and the election is based upon any instrument from specified governmental entities, the instrument shall be approved by the secretary or director of the governmental agencies.	Yes	Referred to Assembly Committee on Revenue and Taxation. Last amended 3/27.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1017 (Ma) Affordable Housing Program.	Establishes the Affordable Housing Revolving Development and Acquisition Program under the administration of the Department of Housing and Community Development for the purpose of funding projects to develop or preserve affordable housing. Requires the department to issue a Notice of Funding Availability to select a private sector entity to manage funding, including reviewing and approving loan applications, originating loans, and servicing loans. Establishes the Affordable Housing Committee.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 4/9.
AB 1053 (Nunez) Regional Planning, Housing and Infill Incentive Account: Programs (Prop. 1C).	**The prior version of the bill provided statutory framework for expenditure of $850 million in the Regional Planning, Housing and Infill Incentive Account, and required appropriations from specified accounts for brownfield cleanup that promotes infill housing development and other related development, for qualifying infill infrastructure projects, for Multifamily Housing Program projects, and for the Workforce Housing Reward Program. Required funding to a city or county, or city and county, for housing development whose elements are likely to achieve a reduction of greenhouse gas emissions.** **As currently amended, the bill expands the definition of "eligible applicant" for purposes of the Infill Incentive Grant Program of 2007 to include a city, county, city and county, public housing authority, or redevelopment agency that has jurisdiction over a qualifying infill area and applies for funding jointly with an owners' association for a business or property improvement district that includes a qualifying infill area.**	**Yes**	**Chapter 692, Statutes of 2007. (Signed by Governor 10/14.)** **OPPOSE.**
AB 1091 (Bass) Transit-Oriented Development Implementation Program (Prop. 1C).	Requires the Department of Housing and Community Development to establish guidelines for the distribution of $300 million, made available under the Transit-Oriented Development Implementation Program, based on certain criteria relating to providing multiple benefits, coordinating funding from sources other than bond funds derived under the Housing and Emergency Shelter Trust Fund Act of 2006. Authorizes financial assistance to specified entities for housing developments that are located within ½ mile of a transit station via a readily walkable route. The budget appropriates $95 million for transit-oriented development in 2007-08.	Yes	Vetoed by Governor 10/12.
AB 1112 (Torrico) Prevailing Wages: Residential Projects.	Requires the Director of Industrial Relations to regularly publish on the department's website the available prevailing wage rates that are determined by the director on and after a specified date, for residential projects.	Yes	Senate Floor Inactive File. Last amended 8/31.
AB 1169 (DeVore) Redevelopment Plans: Approval.	States the intent of the Legislature to enact legislation that would prohibit a legislative body from adopting a redevelopment plan that provides for the use of tax-increment financing, amending a redevelopment plan in a manner that would decrease the amount of property tax revenues received by a county, or merging redevelopment project areas unless a state agency reviews and approves of the plan.	No	Pending referral to committee.
AB 1252 (Caballero) Housing-Related Parks Program (Prop. 1C). (Gut and amended on 9/7 to now relate to Statewide Park Development and Community Revitalization Act of 2007 [Prop. 84].)	**The prior version of the bill established the Housing-Related Parks Program under Prop. 1C, and required the Department of Housing and Community Development to use the $200 million in funds from the Housing Urban-Suburban-and-Rural Parks Account, to provide grants for the creation, development or rehabilitation of community or neighborhood parks to cities and counties that meet certain criteria and issue building permits for housing developments consisting of newly constructed housing units that are affordable to low- or very low-income households.** **As currently amended, the bill relates to the Statewide Park Development and Community Revitalization Act of 2007 and specifies the procedure and criteria for awarding Prop. 84 grants.**	**Yes**	**Senate Floor.** **Last amended 9/7.** **SUPPORT WITH AMENDMENTS.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1254 (Caballero) Property Tax Revenue Allocations.	Requires the county auditor to reduce the total amount of ad valorem property tax revenue otherwise required to be allocated to the county Educational Revenue Augmentation Fund (ERAF) by the countywide affordable housing amount, and to increase the amount of ad valorem property tax revenue otherwise required to be allocated to a qualified local agency, by that agency's affordable housing amount.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31.
AB 1315 (Ruskin) Bond Funds: Housing and Emergency Shelter Trust Fund Act: Park Projects.	Relates to the Housing and Emergency Shelter Trust Fund Act to provide that in implementing the act, priority shall be given to park projects around transportation hubs and train stations, projects connecting infill development and schools, projects mitigating traffic on school routes, and projects connecting urban areas with open-space parks and trails.	Yes	Referred to Assembly Committees on Water, Parks and Wildlife, and Housing and Community Development. Last amended 4/16.
AB 1398 (Arambula) Targeted Economic Development Areas: Tax Credits.	Suspends the operation of separate provisions that authorize certain hiring credits under both the Personal Income Tax and the Corporation Tax Law. Authorizes one hiring credit under those respective laws for qualified taxpayers who hire qualified employees within a geographically targeted economic development area.	Yes	Referred to Assembly Committees on Jobs, Economic Development and the Economy, and Revenue and Taxation.
AB 1422 (Davis) Housing: Downpayment Assistance.	Authorizes a jurisdiction that has spent locally controlled government assistance on housing for persons of very low income and for persons of low income in at least the same proportion as the total number of housing units needed for each of those income groups bears to the total number of units needed for persons of very low, low and moderate income within the community, as those needs have been determined for the community, to seek a waiver of the loan limitation in existing law.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 5/7.
AB 1460 (Saldana) Multifamily Housing Program: Project Prioritization.	**Requires the Department of Housing and Community Development to award reasonable priority points for projects to prioritize sustainable building methods established in accordance with certain criteria listed under state regulations relating to federal and state low-income housing tax credits.**	**Yes**	**Chapter 710, Statutes of 2007. (Signed by Governor 10/14.)** **SUPPORT.**
AB 1493 (Saldana) Affordable Housing Innovation Fund.	Requires that $20 million from the funds in the Affordable Housing Innovation Fund be used for the purpose of making matching grants under the Local Housing Trust Fund Matching Grant Program to cities and counties, or a city and county, and existing charitable nonprofit organizations that have created, funded and operated housing trust funds.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.
AB 1542 (Evans) Mobilehome Parks: Conversions.	**Relates to a map for a subdivision to be created from the conversion of a rental mobilehome park to resident ownership. Requires local rent control measures to remain applicable to spaces within the park. Requires the legislative body that is authorized to approve, conditionally approve, or disapprove the map, to require the subdivider to take steps to mitigate any adverse impact of the conversion on the ability of displaced mobilehome park residents to find adequate space in a mobilehome park.**	**Yes**	**Vetoed by Governor 10/12.** **SUPPORT.**
AB 1553 (DeSaulnier) Redevelopment: Affordable Housing: Firefighters.	Allows a redevelopment plan to allocate tax increment revenues to provide subsidies or low-interest loans for firefighters to purchase or rehabilitate homes located within the redevelopment area.	No	Referred to Assembly Committee on Housing and Community Development.
AB 1675 (Nunez) Transit-Oriented Development Implementation Program (Prop. 1C).	Relates to changes to provisions of Transit-Oriented Development Implementation Programs. (Spot bill)	No	Pending referral to committee.
ACA 2 (Walters) Eminent Domain.	Proposes a constitutional amendment that prohibits the taking or damaging of private property without the express written consent of the owner for purposes of economic development, increasing tax revenue, or private use, or when the same use will be maintained following the taking. Requires that, prior to commencement of eminent domain proceedings, the public use for which the property is to be taken is stated in writing. Defines public use. Permits a taking to eliminate an ongoing threat to public safety.	Yes	Failed passage in Assembly Committee on Judiciary on 7/10. Last amended 7/5.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
ACA 8 (De La Torre) Eminent Domain.	**Proposes an amendment to the Constitution to prohibit state and local governments from acquiring by eminent domain an owner-occupied residence, real property on which a small business is operated, real property that is used exclusively by the owner for religious worship and is exempt from property taxes, or real property in agricultural use, for the purpose of conveying that property to a private person. Provides that the previous owner may reacquire property not used for a public purpose. Provides assessment and reacquisition procedures.**	**Yes**	**Failed Assembly Floor on 9/11.** **Last amended 9/6.** **WATCH.**
SB 46 (Perata) Regional Planning, Housing and Infill Incentive Account (Prop. 1C).	**Provides statutory framework for expenditure of $850 million in the Regional Planning, Housing and Infill Incentive Account. Authorizes bonds to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. Establishes a competitive grant program for infill housing development and infrastructure needs. Establishes a competitive grant program for infill housing development and infrastructure needs. Requires the Pollution Control Financing Authority to allocate funds to infill projects. Funding is subject to State budget appropriation.**	**Yes**	**Referred to Senate Committee on Appropriations.** **Last amended 7/16.** **SUPPORT WITH AMENDMENTS.**
SB 103 (Cedillo) Economic Development Subsidies: Review by Local Agency.	**Requires each local agency to provide specified information to the public before approving an economic development subsidy that include loans, grants, loan guarantees, tax increment financing, tax abatements, tax exemptions, and tax credits within its jurisdiction, and to review, hold hearings and report on those subsidies at specified intervals.**	**Yes**	**Vetoed by Governor 10/5.** **WATCH.**
SB 144 (Senate Committee on Local Government) Local Government Omnibus Act.	Relates to corporations formed by local joint powers authorities, the board of trustees of a local library, the proper installation of high-pressure natural gas pipelines, filling a special district board vacancy, procedures for issuing state and local bonds, the storage of government documents in electronic format, the inventory of county property, the destruction of special local financial and electronic documents, local retail transactions and use taxation, property taxation, and county supervisors.	Yes	Chapter 343, Statutes of 2007. (Signed by Governor 10/8.)
SB 198 (Battin) Age Discrimination: Homeless Youth.	Amends existing law that allows the development and operation of emergency, transitional and permanent housing facilities that assist homeless youth. Expands the definition of homeless youth to include anyone 24 years of age and younger who is homeless or at risk of becoming homeless, is no longer eligible for foster care, or has run away from home. States the intent of the Legislature that housing made available to homeless unemancipated minors shall be consistent with all applicable regulations.	No	Chapter 168, Statutes of 2007. (Signed by Governor 7/30.)
SB 275 (Cedillo) Health Facilities: Patient Transporting.	**Prohibits a general acute care hospital, acute psychiatric hospital or special hospital from causing a patient to be transported to a location other than the residence of the patient without the written consent of the patient, except when a patient is lawfully transferred to another health facility. Makes a violation subject to civil penalties, which would be used for transitional housing and mental health counseling for the homeless.**	**Yes**	**Vetoed by Governor 10/14.** **SUPPORT WITH AMENDMENTS.**
SB 292 (Wiggins) State Bond Funds: Allocation (Prop. 1C).	Requires the Secretaries for Environmental Protection and the Resources Agency to develop a planning grant program for local and regional agencies and nonprofit organizations to develop urban greening plans. Requires the program to comply with the requirements of the Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006. Provides grant priority to local and regional agencies and nonprofits that have adopted such a plan. Relates to nonprofit organizations applying for grants to help implement an urban greening project.	Yes	Referred to Senate Committee on Appropriations. Last amended 4/30.
SB 437 (Negrete McLeod) Local Agencies: Redevelopment.	Relates to redevelopment agency audits. Requires the annual report to include a list of the fiscal years that the agency expects specified time limits to expire. Requires a redevelopment agency redevelopment plan to identify the fiscal years that the agency expects specified time limits to expire.	No	Chapter 90, Statutes of 2007. (Signed by Governor 7/20.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 446 (Yee) Microenterprise Development.	Requires the Business, Transportation and Housing Agency to administer a program providing grants on a competitive basis to a qualifying microenterprise development provider or providers, for capacity building projects, and to the extent funds are appropriated for that purpose by the Legislature. Requires the agency to contract with a nonprofit intermediary for the administration of the grant program and the provision of certain services relating to the grant program.	Yes	Senate Floor Inactive File. Last amended 6/4.
SB 464 (Kuehl) Rental Property: Public Entity Restrictions.	Amends existing law that generally prohibits public entities from adopting a statute, ordinance or regulation, or taking any administrative action, to compel the owner of residential real property to offer accommodations for rent or lease and to specify that this prohibition against local action only applies with respect to owners of residential real property who have owned the property for a specified number of years and who acquired ownership after a specified date.	Yes	Senate Floor Inactive File. Last amended 5/31.
SB 465 (Lowenthal) Housing: Grant and Loan Programs (Prop. 1C).	Expands the definition of "eligible applicant" for purposes of the Infill Incentive Grant Program of 2007 to include an owners' association for a business or property improvement district that includes a qualifying infill area, jointly with a city, county, city and county, public housing authority, or redevelopment agency. Requires HCD to make loans for the development and construction of housing developments that are located within ½ mile of a transit station by way of a readily walkable route.	Yes	Assembly Floor. Last amended 9/11.
SB 545 (Cox) Affordable Housing Innovation Fund.	Authorizes the Legislature, in awarding funds from the Affordable Housing Innovation Fund, to review and adopt policies that alleviate identified obstacles associated with the construction of workforce housing in communities residing within the jurisdiction of a bi-state compact.	No	Referred to Senate Committee on Transportation and Housing.
SB 546 (Ducheny) Department of Housing and Community Development: Funds.	Requires a specified report by the Department of Housing and Community Development to include information relating to the programs funded under the Housing and Emergency Shelter Trust Fund Act of 2002 and the Housing and Emergency Shelter Trust Fund Act of 2006.	Yes	Assembly Floor Inactive File. Last amended 6/25.
SB 586 (Dutton) Affordable Housing Innovation Fund (Prop. 1C).	**Allocates the $100 million Affordable Housing Innovation Fund created by Prop. 1C. Provides $50 million for the Revolving Development and Acquisition Program; $35 million for the Local Housing Trust matching grant program; $10 million for the Innovative Homeownership Program; and $5 million for the Construction Liability Insurance Reform Pilot Program. Funding is subject to State budget appropriation.**	**Yes**	**Chapter 652, Statutes of 2007. (Signed by Governor 10/13.)** **OPPOSE UNLESS AMENDED.**
SB 698 (Torlakson) Eminent Domain.	Provides that if a defendant opposes a motion to take possession of a property prior to judgment, and if the written opposition asserts a hardship, it shall be supported by a declaration stating facts supporting the hardship. Requires the public entity exercising the power of eminent domain, at the time it makes an offer to acquire the property, to provide the property owner with an informational pamphlet outlining the process of eminent domain and the property owner's rights under the law.	No	Chapter 436, Statutes of 2007. (Signed by Governor 10/10.)
SB 765 (Ridley-Thomas) Partnership for Urban Communities.	Creates the Partnership for Urban Communities to coordinate and improve government efforts for at-risk communities. Creates the Partnership for Urban Communities Fund for the purpose of receiving federal, local and private funds.	Yes	Assembly Floor Inactive File. Last amended 9/6.
SB 794 (Maldonado) Personal Income and Corporate Tax Credits.	Relates to the Personal Income and Corporate Tax laws. Authorizes a credit against those taxes in an amount equal to 5% of the amount paid or incurred by a taxpayer during the taxable year for environmental building expenses. Requires certain certifications by the State Environmental Protection Agency of environmentally sound or energy efficient fixtures.	Yes	Referred to Senate Committees on Revenue and Taxation, and Environmental Quality. Last amended 3/28.
SB 900 (Corbett) Mobilehome Parks Conversion.	Relates to acts requiring the legislative body to require a subdivider to take steps to mitigate any adverse impact of the conversion on the ability of displaced mobilehome park residents to find adequate space in a mobilehome park. Deletes requirements, and makes conforming changes.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 915 (Hollingsworth) Group Homes Housing Sex Offenders: Zoning.	Authorizes a city, county, or city and county to adopt a local ordinance to zone as an adult oriented business, any community care facility that houses a parolee for whom registration as a sex offender is required.	No	Pending referral to committee. Last amended 4/17.
SB 934 (Lowenthal) Housing and Infrastructure Zones.	Establishes a pilot project allowing for the formation of 100 housing and infrastructure zones in the state. Authorizes the Economic Development and Infrastructure Development Bank to finance the purchase, construction, expansion, improvement, seismic retrofit, or rehabilitation of real or other tangible property, including interchanges, ramps and bridges, material streets, parking facilities, transit facilities, sewage treatment and water reclamation plants, and interceptor pipes.	Yes	Referred to Senate Committee on Appropriations. Last amended 5/1.
SCA 1 (McClintock) Eminent Domain: Condemnation Proceedings.	Proposes an amendment to the Constitution to provide that private property may be taken or damaged only for a stated public purpose and not without the consent of the owner for purposes of economic development, increasing tax revenue, or any other private use, nor for maintaining the present use by a different owner. Provides that if the property ceases to be used for the public use, the former owner would have the right to acquire the property at its fair market value. Provides reevaluation procedures.	Yes	Referred to Senate Committees on Judiciary, and Elections, Reapportionment and Constitutional Amendments. Last amended 2/5.

2. Land Use, Planning (Includes general plans, annexation, subdivisions, zoning, LAFCO, school facilities.)			
AB 29 (Hancock) Infill Development: Incentive Grants (Prop. 1C).	Requires certain of the Housing and Emergency Shelter Trust Funds to be made available to the Department of Housing and Community Development for the purpose of making infrastructure grants for construction or acquisition of capital assets to qualifying cities, counties, and cities and counties. Requires a project to meet certain listed criteria in order to be eligible for grant funding.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 4/19.
AB 212 (Fuentes) General Plan Amendments: Zoning Change Application.	Provides that a local government may not deny an application for a zoning change that was consistent with the general plan at the time the application was made on the basis that the applicant has subsequently received notice from the local government that a proposed amendment to the plan conflicts with the zoning change application. Provides the application can be denied only because of an amendment to the plan if the proposed amendment was filed prior to the date of the zoning change application.	No	Referred to Senate Committee on Rules. Last amended 8/29.
AB 370 (Adams) Sex Offenders: Residency Restrictions.	Relates to sex offender registry requirements. Removes the exclusion of a residential facility which serves six or fewer persons from the definition of a single family dwelling. Allows a county or city to prohibit a person released on parole, after having served a term of imprisonment for any offense for which registration as a sex offender is required, from residing during the parole period in any single family dwelling with any other person also on parole, unless those persons are related.	No	Referred to Assembly Committee on Appropriations. Last amended 4/30.
AB 411 (Emmerson) Residential Care Facilities: Overconcentration.	Permits a city or county to submit to the Director of Social Services additional information regarding the siting of a proposed residential care facility designed for six or fewer residents. Authorizes the director to suggest that the applicant consider alternative siting locations.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/10.
AB 641 (Torrico) Developer Fees.	Provides that the specified exemption to the existing developer fee prohibition does not apply, except by developer fees levied for school construction purposes, to units reserved for occupancy by lower income households included in a residential development proposed by a nonprofit housing developer in which at least 49% of the total units are reserved for occupancy by lower income households at an affordable rent.	No	Chapter 603, Statutes of 22007. (Signed by Governor 10/13.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 724 (Benoit) Sober Living Homes.	Provides that a sober living home is exempt from licensure under certain provisions of existing law relating to the licensure of community care and alcoholism and drug abuse recovery and treatment facilities for adults. Provides that a residence housing those purporting to be recovering from drug or alcohol abuse would be presumed to be a sober living home if it has been certified, registered or approved by a governmental or nonprofit organization that provides a credible quality assurance service.	Yes	Failed passage in Senate Committee on Health on 6/27. Last amended 5/15.
AB 763 (Saldana) Condominium Conversion: Tenant Notification.	**Recasts the specified prohibitions and changes to the Subdivision Map Act, which prohibits a legislative body from approving a final map for a subdivision to be created from the conversion of residential real property into a condominium project, a community apartment project or a stock cooperative project, unless there has been compliance with certain tenant notice requirements.**	**No**	**Chapter 612, Statutes of 2007. (Signed by Governor 10/13.)** **SUPPORT.**
AB 830 (Ma) Outdoor Advertising.	**Relates to the Outdoor Advertising Act that regulates the placement of advertising signs adjacent to and within specified distances of highways that are part of the national system of interstate and defense highways and federal-aid highways, and prohibits displays from being placed or maintained on property adjacent to a section of a freeway that has been landscaped. Authorizes the conversion of a permitted advertising display for use as a message center, subject to specified conditions.**	**No**	**Referred to Senate Committee on Transportation and Housing.** **Last amended 5/15.** **OPPOSE.**
AB 957 (Spitzer) State Property: Transportation Records.	Amends existing law which requires the Department of Transportation to furnish to the Department of General Services an updated record of each parcel of real property that it possesses to include in that record, among other information, the parcel's location, size, purchase price, and description of current use. Deletes the exclusion for airspace, excess lands and properties acquired for highway projects from this recording requirement.	Yes	Chapter 59, Statutes of 2007. (Signed by Governor 7/12.)
AB 997 (Arambula) Infill Capital Outlay Project and Planning Grants.	Requires the Department of Housing and Community Development to administer the Regional Planning, Housing and Infill Incentive Account. Requires specified amounts from the account to be available to fund grants to cities, counties, cities and counties, redevelopment agencies, incorporated mutual water companies, special districts, and nonprofit organizations for capital outlay projects that will serve development on land that meets the definition.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.
AB 1019 (Blakeslee) Land Use: Annexation: Housing.	Authorizes a specified mutually acceptable agreement on a revised determination of regional housing needs if an annexation of unincorporated land to a city occurs after the council of governments, or the Department of Housing and Community Development for areas with no council of governments, has made its final allocation.	No	Chapter 165, Statutes of 2007. (Signed by Governor 7/30.)
AB 1221 (Ma) Transit Village Developments: Tax Financing.	Increases the area included in a transit village plan. Allows a city or county that prepares a transit village plan, with the agreement of each governmental agency that may receive property taxes within the village district and at least one entity that owns and operates a transit station in the district, regardless of whether it may collect property taxes, to engage in tax increment financing to address and provide for housing in the district.	No	Referred to Senate Committee on Local Government. Last amended 6/20.
AB 1231 (Garcia) Infill Development: Incentive Grants (Prop. 1C).	Requires the Department of Housing and Community Development to use funds allocated from the Regional Planning, Housing and Infill Incentive Account to make infrastructure grants for construction or acquisition of capital assets to qualifying cities, counties and cities and counties. Requires the grants to be used for infrastructure that is directly related to identified infill housing projects.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1253 (Caballero) Sustainable Communities and Greening: Grant Programs (Prop. 84). (Gut and amended on 9/7 – now relates to Salinas Valley State Prison Wastewater Treatment Plant.)	The previous version of the bill created the Sustainable Communities and Urban Greening Fund and the Integrated Sustainable Planning Implementation Council to develop and administer programs to award grants and loans to improve the sustainability and livability of communities through development of green infrastructure. Required the council to create the Planning Revolving Loan Program for the purpose of distributing the $180 million in Prop. 84 funds to eligible planning projects to encourage the development of regional and local land use plans that are designed to promote water conservation, reduce automobile use and fuel consumption, encourage greater infill and compact development, protect natural resources and agricultural lands, and revitalize urban and community centers. Included $90 million for planning grants, incentives and loans, and $90 million for grants for urban greening projects. As currently amended, the bill makes legislative findings and declarations relating to the wastewater treatment situation in the City of Soledad and the Salinas Valley State Prison.	Yes	Chapter 695, Statutes of 2007. (Signed by Governor 10/14.)
AB 1256 (Caballero) Density Bonus: Exemption: Local Inclusionary Ordinance.	Exempts a city, county, or city and county from complying with the density bonus requirement, and the incentive and concession requirement related to low-income housing development under the Planning and Zoning Law if the local government has in effect a local inclusionary ordinance, as specified, that meets certain requirements.	No	Referred to Assembly Committees on Local Government, and Housing and Community Development.
AB 1262 (Caballero) Spheres of Influence.	Extends existing law that requires a commission to develop and determine the sphere of influence of each local government agency within the county and requires that at least 30 days prior to submitting an application to the commission for a determination of a new sphere of influence for a city, representatives from the city shall meet with county representatives to discuss the proposed sphere and its boundaries and to explore methods to reach agreement on the boundaries. Deletes the time period involved.	Yes	Chapter 167, Statutes of 2007. (Signed by Governor 7/30.)
AB 1266 (Cook) Local Government: Housing.	Makes changes to existing law which permits local governments to conduct a review or appeal regarding allocation data provided by the Department of Housing and Community Development or the council of governments regarding the locality's share of the regional housing need or the submittal of data or information for a proposed allocation.	No	Pending referral to committee.
AB 1358 (Leno) Planning: Circulation Element: Transportation.	Requires the legislative body of a city or county, upon any revision of the circulation element of the general plan, to modify the circulation element to accommodate the safety and convenient travel of users of streets, roads and highways, in a manner that is suitable to the rural, suburban or urban context of the general plan. Requires the Office of Planning and Research to prepare or amend guidelines to provide for this accommodation using consideration of accommodation variation in transportation.	Yes	Senate Floor. Last amended 7/18.
AB 1366 (Portantino) General Plan: Annual Report.	Provides that the housing element portion of the annual report filed by the planning agency may include a specific description of the status of the local government's efforts to meet its share of that agency's regional housing needs assessment, and when those needs are not met, the annual report may set forth an estimate of the time needed to complete a review of, and implement, the actions that will contribute to achieving its share of the regional housing needs.	Yes	Referred to Senate Committee on Transportation and Housing. Last amended 5/3.
AB 1449 (Saldana) Density Bonus.	Relates to density bonuses under the Planning and Zoning Law. Revises the eligibility requirements for construction of moderate income housing units to conform to the requirements in existing law for low and very low income housing units.	Yes	Referred to Assembly Committees on Local Government, and Housing and Community Development.
AB 1536 (Smyth) Housing and Emergency Shelter Trust Fund Act of 2006 (Prop. 1C).	Requires the Department of Parks and Recreation to be the primary agency authorized to administer the housing-related parks grants in urban, suburban and rural areas, and to administer the grants for park creation, development or rehabilitation to encourage infill development.	Yes	Referred to Assembly Committees on Water, Parks and Wildlife, and Housing and Community Development. Last amended 3/27.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 2 (Cedillo) Local Planning: Emergency Shelters By-Right.	**Requires cities and counties to pre-zone sites for emergency shelters and allow them "by-right," without a conditional use permit or other discretionary permits. Requires cities and counties to treat transitional and supportive housing projects as a residential use of property.**	**Yes**	**Chapter 633, Statutes of 2007. (Signed by Governor 10/13.)** **OPPOSE.**
SB 35 (Torlakson) School Facilities: Joint-Use Facilities.	Authorizes joint-use projects to construct facilities on property adjacent to a schoolsite and that is owned by a local government agency. Requires such joint-use agreements to provide that the land be leased to the school district for a time period that reflects the useful life of the facility constructed. Expands allowable projects built pursuant to those agreements to include development of a career technical building or shop, physical education site, or outdoor recreational site.	Yes	Vetoed by Governor 10/13.
SB 167 (Negrete McLeod) General Plans: Planning Grants and Incentives (Prop. 84).	Requires the Governor's Office of Planning and Research to award grants and loans to cities and counties to prepare and adopt general plans, habitat conservation plans, zoning ordinances, design standards, regional blueprint projects, and municipal service reviews, including the costs of complying with CEQA. Appropriates $1 million from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Fund of 2006 for the 2007-08 fiscal year.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 6/4.
SB 303 (Ducheny) Local Government: Land Use Planning.	Requires each county or city general plan to encompass a specified planning and projection period of at least 20 years, except for the housing, conservation and open-space elements which would be updated at least every 10 years.	Yes	Referred to Assembly Committee on Local Government. Last amended 6/25.
SB 375 (Steinberg) Transportation Planning: Travel Models: Sustainable Communities Strategy: Environmental Review.	**Relates to travel demand guidelines used in regional transportation plans, the requirement that a regional transportation plan include a sustainable communities strategy, designed to achieve goals and target dates for the reduction of greenhouse gas emissions from automobiles and light trucks in the region. Requires an environmental document under CEQA that examines specific impacts of a transportation project located in a local jurisdiction that has amended its general plan and the legislative body finds the project meets specified criteria.**	**Yes**	**Referred to Assembly Committee on Appropriations.** **Last amended 9/12.** **OPPOSE.**
SB 522 (Dutton) Infill Housing: Incentives (Prop. 1C).	Relates to the finance of existing housing programs, capital outlay related to infill development, brownfield cleanup, and housing-related parks. Sets forth declarations regarding expenditure of funds deposited in the Regional Planning, Housing and Infill Incentive Account. Authorizes a program for grants to cities and counties for the construction or acquisition of capital assets.	Yes	Pending referral to committee. Last amended 4/19.
SB 640 (Simitian) Circulation and Transportation Element.	Requires a general plan to include a statement of development policies and, among other elements, a circulation and transportation element consisting of the general location and extent of existing and proposed major thoroughfares; transportation routes, terminals, and military airports and ports; and other local public utilities and facilities, all correlated with the land use element of the plan.	No	Referred to Assembly Committee on Local Government. Last amended 4/30.
SB 709 (Dutton) Residential Care Facilities.	Permits a city and county to submit the Director of Social Services additional documentation and evidence regarding the siting of a proposed residential care facility designed for a certain number of residents. Authorizes the director, after review of the information submitted by a city or county, to suggest that the applicant consider alternative siting locations.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31.
SB 732 (Steinberg) Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006. (Prop. 84)	**Requires state departments that are to implement the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act to develop and adopt guidelines and regulations. Provides $580 million in Prop. 84 funds for nature education and research facilities, reports regarding grant recipients, investor-owned utilities, and the funding of integrated regional water management plan projects or programs. Creates the Sustainable Communities Council and Fund to align transportation funds with regional strategies to reduce vehicular miles traveled and reliance on automobile use. Funding is subject to State budget appropriation.**	**Yes**	**Assembly Floor Inactive File.** **Last amended 9/7.** **OPPOSE.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 753 (Correa) Mobilehomes and Manufactured Homes: Purchase.	Authorizes funds under the CalHome Program, which enables low and very low income households to become or remain homeowners, to be used to finance the purchase of the land beneath a mobilehome or manufactured home by the owner, or the purchase of both the lot and the home. Provides that conditions in existing law related to funding mutual housing and certain cooperative housing do not apply to financing of an interest in certain manufactured housing communities or mobilehome parks.	Yes	Chapter 561, Statutes of 2007. (Signed by Governor 10/12.)
SB 947 (Hollingsworth) Consultation: Transportation Facilities.	Requires notice of at least one scoping meeting to be provided to transportation planning agencies or public agencies required to be consulted concerning a project proposed by a lead agency which requires an environmental impact report under CEQA. Requires the project's effect on overpasses, on-ramps and off-ramps to be included in that consultation.	Yes	Referred to Assembly Committees on Natural Resources, and Transportation. Last amended 4/30.

II. ENVIRONMENTAL AND UTILITY SERVICES

1. Environmental Quality (Includes CEQA, energy and conservation, air quality and emissions, global warming, green building, solid waste, waste-to-energy, water quality, water reclamation, recycling, E-waste, hazardous waste and brownfields.)			
AB 35 (Ruskin) Environment: State Buildings: Building Standards.	Enacts the Sustainable Building Act of 2007 and requires a state agency that commences construction or renovation of a state building to design, construct, and operate the building to meet, at a minimum, applicable certification standards described in the US Green Building Council's Leadership in Energy and Environmental Design for a gold rating. Authorizes the agency to consider existing relevant information and guidelines and to provide for credits for the use of specified products.	Yes	Vetoed by Governor 10/14.
AB 109 (Nunez) Global Warming Solutions Act of 2006: Annual Report.	Requires the Governor, Treasurer's office, Public Employees' Retirement and State Teachers' Retirement systems to annually report to the Legislature on greenhouse gas emissions and green investments. Requires all land conservancies to report to the Legislature on past, current and future activities to sequester greenhouse gas emissions. Requires an annual report on the Global Warming Solutions Act. Includes the reduction of such gases in the Environmental Goals and Policy Project.	Yes	Senate Floor Inactive File. Last amended 7/18.
AB 118 (Nunez) Alternative Fuels and Vehicle Technologies: Funding.	Creates the Alternative and Renewable Fuel and Vehicle Technology Program and Fund to provide grants and loans to entities to develop technologies that will transform fuel and vehicle types. Increases motor vehicle and vessel registration fees for deposit into the Fund. Creates the Air Quality Improvement Program and Fund to finance air quality projects related to fuel and vehicle technologies. Increase smog abatement fees. Creates a program for the retirement of high-polluting vehicles.	Yes	Chapter 750, Statutes of 2007. (Signed by Governor 10/14.)
AB 224 (Wolk) Water Supply Planning.	Enacts the Climate Change and Water Resource Protection Act of 2007. Requires the Department of Water Resources to include an analysis of the potential effects of climate change, in reports or plans that the department is required to prepare. Requires an urban water supplier and an agricultural water supplier to take certain action relating to climate change information. Requires a report by the Water Resources Control Board that quantifies the energy savings and greenhouse emission reduction of water supply development.	Yes	Referred to Senate Committee on Appropriations. Last amended 8/1.
AB 422 (Hancock) Hazardous Substances: Water Quality.	Requires the exposure of any health or ecological risk assessment, prepared in conjunction with a response action taken or approved under the State Superfund Act, to include the development of reasonable maximum estimates of exposure to volatile organic compounds that may enter structures that are on the site or that are proposed to be constructed on the site. Relates to required site assessments.	Yes	Chapter 597, Statutes of 2007. (Signed by Governor 10/13.)
AB 453 (Strickland) Publicly Owned Treatment Works.	States the intent of the Legislature to enact legislation to assist local public agencies with the costs of upgrading any publicly owned treatment works that were constructed prior to 1945 to enable that plant to comply with those laws.	No	Pending referral to committee.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 493 (Ruskin) Motor Vehicle Greenhouse Gas Emissions: Incentives.	Requires the State Air Resources Board to create and implement a clean vehicle incentive program meeting specified requirements that would provide rebates to, and require surcharges from, purchasers of new motor vehicles based on the vehicle's greenhouse gas emissions to mitigate against emissions of greenhouse gases from motor vehicles. Creates the Clean Vehicle Incentive Account to be administered by the ARB.	Yes	Assembly Floor Inactive File. Last amended 6/1.
AB 527 (Torrico) Energy Efficiency.	Requires the Department of General Services, in partnership with the State Energy Resources Conservation and Development Commission, to develop and adopt a state plan to include energy efficient technology in public buildings. Requires the department to begin implementation of the state plan upon its adoption. Creates the Energy Efficient Technology Pooled Investment Fund for procurement and implementation for state-owned facilities of qualifying measures in the state plan.	Yes	Vetoed by Governor 10/13.
AB 546 (Brownley) Electronic Waste.	Relates to the Electronic Waste Recycling Act of 2003, which requires each manufacturer of a covered electronic device to make information available to consumers. Requires a retailer to provide a customer with specified information regarding such device, including the Integrated Waste Management Board's website and to provide this information with the sales receipt. Requires the manufacturer to provide such information and other information in the instruction manual, and in the final product packaging.	Yes	Vetoed by Governor 10/14.
AB 548 (Levine) Solid Waste: Multifamily Dwellings.	**Requires an owner of a multifamily dwelling to arrange for recycling services that are appropriate for the multifamily dwelling, consistent with state or local laws or requirements, including a local ordinance or agreement, applicable to the collection, handling, or recycling of solid waste.**	**No**	**Vetoed by Governor 10/14.** **SUPPORT.**
AB 662 (Ruskin) Water Conservation.	Provides that the standards for minimum levels of operating efficiency for appliances be based upon feasible and attainable efficiencies, or other feasible improved efficiencies, that will reduce the energy or water consumption growth rates and that do not result in any added total costs over the designed life of the appliances concerned.	Yes	Chapter 531, Statutes of 2007. (Signed by Governor 10/12.)
AB 712 (De Leon) Solid Waste and Recycling: Vehicle Clean Air Program.	Creates a fee for solid waste disposal at a disposal facility. Creates the Off-Road Solid Waste and Recycling Vehicle Clean Air Account. Distributes the fees to an operator of an off-road solid waste, composting and recycling vehicle for the costs of complying with a certain State Air Resources Board regulation. Awards grants for projects that divert organic materials from disposal in order to reduce greenhouse gas emissions from landfills. Requires the ARB to provide specified related reports.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 7/12.
AB 715 (Laird) Water Conservation: Low-Flush Water Closets/ Urinals.	Requires all water closets and urinals sold or installed to use no more than a specified average amount of water per flush. Requires all water closets and urinals, other than blowout urinals, that are sold or installed to be high-efficiency. Requires manufacturers selling water closets or urinals to offer high-efficiency models for sale in a specified percentage of all models offered. Requires all nonwater-supplied urinals to meet requirements and building standards.	Yes	Chapter 499, Statutes of 2007. (Signed by Governor 10/11.)
AB 722 (Levine) Energy: General Service Lamp.	Amends the Warren-Alquist State Resources Conservation and Development Act which requires the State Energy Resources Conservation and Development Commission to prescribe the minimum level of operating efficiency for lighting devices. Requires general service lamps sold in the state within specified ranges of lumen output to meet a minimum energy efficiency standard of specified lumens per watt.	Yes	Assembly Floor Inactive File. Last amended 6/4.
AB 739 (Laird) Stormwater Drainage.	Requires the Department of Water Resources to develop project selection and evaluation guidelines to implement a specified stormwater flood management grant program. Provides that the design and construction of projects for specified combined municipal sewer and stormwater systems are eligible for the program. Requires the State Water Resources Control Board to develop program guidelines. Requires coordination with regard to the development of project selection and evaluation guidelines. Requires establishment of a task force.	Yes	Chapter 610, Statutes of 2007. (Signed by Governor 10/13.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 800 (Lieu) Discharges of Hazardous Substances or Sewage.	Provides that notification requirements under the Porter-Cologne Water Quality Control Act do not nullify a person's responsibility under existing law that requires a person who causes or permits any sewage or other waste, or the effluent of treated sewage or other waste, to be discharged in or on any waters of the state, or discharged in or deposited where it is, or probably will be discharged in or on the waters of the state, to immediately notify specified entities. Provides for misdemeanor violations.	No	Chapter 371, Statutes of 2007. (Signed by Governor 10/10.)
AB 822 (Levine) Urban Greening Projects.	Relates to funds from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006 for urban greening projects that reduce energy consumption, conserve water, improve air and water quality, and provide community benefits. Requires the Department of Forestry and Fire Protection to provide state oversight for urban greening planning, including guidance, priorities, policy direction, technical assistance, program evaluation and funding.	Yes	Referred to Assembly Committee on Environmental Safety and Toxic Materials. Last amended 4/19.
AB 832 (Bass) Sustainable Communities and Urban Greening.	Specifies which urban greening programs consisting of projects to reduce energy consumption, conserve water, improve air and water quality, and provide other community benefits are eligible to receive funding under the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Bond Act of 2006.	Yes	Referred to Assembly Committee on Natural Resources. Last amended 4/9.
AB 888 (Lieu) Green Building Standards.	Requires the Environmental Protection Agency to develop, adopt and make available a set of minimum green building standards for specified nonresidential commercial buildings. Provides the standards would have to meet and encompass, at a minimum, specified US Green Building Council's gold rating for new construction and major renovation. Requires the State Building Standards Commission to review the standards to ensure they exceed and are not in conflict with existing state code.	Yes	Vetoed by Governor 10/14.
AB 1023 (DeSaulnier) Recycling: Compostable and Biodegradable Plastic.	Amends existing law that requires a manufacturer of plastic trash bags to obtain from its supplier of recycled plastic postconsumer material a statement containing specified information and that requires the manufacturer to certify to the Integrated Waste Management Board that it is in compliance with the recycled plastic postconsumer material requirements. Exempts from these requirements a plastic bag that is labeled with one of the terms required and meets the standards.	No	Chapter 143, Statutes of 2007. (Signed by Governor 7/27.)
AB 1058 (Laird) Green Building Construction: Best Practices.	Requires the Department of Housing and Community Development to develop green building standards for residential occupancies and submit them for review, adoption, approval and publication. Requires the standards to include measures regarding energy, water, materials, resources efficiency, indoor environmental quality, innovation and design processes, nonmotorized transportation, and a method to determine lifecycle cost.	Yes	Vetoed by Governor 10/14.
AB 1109 (Huffman) Energy Resources: Lighting Efficiency: Hazardous Waste.	Enacts the Lighting Efficiency and Toxics Reduction Act. Prohibits a person from selling or offering for sale general purpose lights that contain levels of hazardous substances prohibited by the European Union pursuant to the RoHS Directive, but provides certain exceptions. Requires a manufacturer to prepare a technical document or other information showing that its general purpose lights comply with the requirements of that directive. Convenes a task force to consider proper collection and recycling of such lights.	Yes	Chapter 534, Statutes of 2007. (Signed by Governor 10/12.)
AB 1130 (Laird) Aboveground Storage Tanks.	Requires unified protection agencies to implement the Aboveground Petroleum Storage Act. Requires a storage tank at a tank facility, subject to specified federal regulations, to prepare a spill prevention control and countermeasure plan. Requires a tank facility located on a farm, nursery, logging site, or construction site that is less than a specified capacity, to be subject to inspections and certain containment requirements. Provides the agency responsible for oversight of release cleanup or abatement.	No	Chapter 626, Statutes of 2007. (Signed by Governor 10/13.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1195 (Torrico) Recycling: Used Oil: Incentive Payments.	Requires a used oil recycling program that pays a recycling incentive to specified entities for the collection of used oil that is transported to a used oil recycling facility to promote methods to reduce the amount of used oil generated and the use of re-refined oil in automotive and industrial lubricants. Requires used lubrication oil for which an incentive was paid to be transported to a certified facility. Prohibits an incentive for burning oil that does not meet specified standards.	Yes	Referred to Senate Committee on Appropriations. Last amended 8/1.
AB 1237 (Hancock) Solid Waste: Solid Waste Facilities.	Relates to existing law which requires the Integrated Waste Management Board to either concur or object to the issuance or revision of a solid waste facility permit within 60 days from the board's receipt of a facility permit. This bill extends the time period to 90 days, and eliminates the need for a public hearing prior to an enforcement action by the board.	Yes	Referred to Assembly Committee on Natural Resources.
AB 1253 (Caballero) Sustainable Communities and Greening: Grant Programs (Prop. 84). (Gut and amended on 9/7 – now relates to Salinas Valley State Prison Wastewater Treatment Plant.)	The previous version of the bill created the Sustainable Communities and Urban Greening Fund and the Integrated Sustainable Planning Implementation Council to develop and administer programs to award grants and loans to improve the sustainability and livability of communities through development of green infrastructure. Required the council to create the Planning Revolving Loan Program for the purpose of distributing the $180 million in Prop. 84 funds to eligible planning projects to encourage the development of regional and local land use plans that are designed to promote water conservation, reduce automobile use and fuel consumption, encourage greater infill and compact development, protect natural resources and agricultural lands, and revitalize urban and community centers. Included $90 million for planning grants, incentives and loans, and $90 million for grants for urban greening projects. As currently amended, the bill makes legislative findings and declarations relating to the wastewater treatment situation in the City of Soledad and the Salinas Valley State Prison.	Yes	Chapter 695, Statutes of 2007. (Signed by Governor 10/14.)
AB 1297 (Arambula) Water: Regional Water Management Plans (Prop. 84).	Prohibits state funding for the development of a regional plan pursuant to the Integrated Regional Water Management Planning Act from exceeding 5% of the total funding available for integrated regional water management for the region or part of the region covered in the plan. Directs providing 5% of the amount available for integrated regional water management for a region or part of the region covered in the plan, for development or improvement of a plan, to a regional water management group.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 5/2.
AB 1303 (Smyth) Urban Greening (Prop. 84).	Requires the Department of Parks and Recreation to establish a local assistance program to offer grants to eligible cities, counties or districts authorized to provide park, recreational or open-space services, or a combination of those services. Requires the department, in evaluating an application for a grant, to assign higher priority to an application based on satisfying specified criteria.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/30.
AB 1327 (Ma) Environment: Green Building.	States the intent of the Legislature to enact legislation to develop a uniform definition for green building and to extend tax and planning incentives for developers to build green buildings.	No	Pending referral to committee.
AB 1470 (Huffman) Solar Energy: Solar Hot Water Heat and Efficiency Act.	Creates the Solar Water Heating and Efficiency Act. Requires the Public Utilities Commission to design and implement a program to incentivize the installation of 200,000 solar water heating systems in homes and businesses throughout the state in 2007. Requires the PUC to establish criteria for such systems receiving gas customer funded incentives. Requires the PUC to fund the program through a surcharge to gas customers in gas corporation service areas.	No	Chapter 536, Statutes of 2007. (Signed by Governor 10/12.)
AB 1473 (Feuer) Solid Waste Facility: Temporary Permits.	Requires the State Integrated Waste Management Board to adopt emergency regulations authorizing a local enforcement agency to issue a temporary solid waste facilities permit to a person operating a solid waste transfer or processing station or a composting facility. Specifies the application process and requirements for the permit. Requires the local agency to notify the operators of such license availability.	Yes	Chapter 547, Statutes of 2007. (Signed by Governor 10/12.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1481 (DeLaTorre) Waste Discharge: Recycled Water: Irrigation.	Requires the Water Resources Board to adopt a general permit for landscape irrigation uses of recycled water for which the Department of Public Health has established uniform statewide recycling criteria. Requires the board to establish a reasonable schedule of fees to reimburse the board. Requires the board to designate an ombudsperson to provide communication on recycled water and reclamation or discharge requirements, and on the promotion of water recycling while ensuring water quality protection.	Yes	Chapter 535, Statutes of 2007. (Signed by Governor 10/12.)
AB 1489 (Huffman) Resource Bond Funds: Regional Water Management Plans. (Prop. 84)	Relates to the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Bond Act of 2006. Declares legislative intent to implement Prop. 84, which provides $5.4 billion, in an integrated manner that increases public benefit, reduces greenhouse gas emissions to the extent feasible, improves adaptability to predicted climate change impacts, and provides tangible benefits to disadvantaged communities whenever possible. Requires the Department of Public Health to provide grants to regional water quality control boards to identify sources of groundwater contamination, develop a plan to achieve drinking water quality objectives relating to groundwater, and identify funding priorities for groundwater grants. Requires the Department of Water Resources to provide grants to local public agencies for the development and implementation of integrated regional water management plans with broad and diverse participation.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 8/20.
AB 1521 (Salas) Drinking Water: Bottled Drinking Water.	Requires each container of bottled water sold in this state to include on its label the identity of the source from which the water was last obtained prior to being bottled, in compliance with federal regulations. Requires, as a condition of licensure, that a plant prepare and submit a consumer confidence report. Authorizes the adoption of related regulations.	Yes	Vetoed by Governor 10/14.
AB 1532 (Parra) Public Utilities: Crude Oil Imports.	Relates to existing law that requires the State Air Resources Board to establish, by regulation, various standards for gasoline and motor vehicle fuel. Requires the ARB to implement the Low Carbon Fuel Standard in a manner that does not increase the state's overall dependence on crude oil imports.	Yes	Referred to Assembly Committee on Rules. Last amended 5/7.
AB 1560 (Huffman) Public Resources: Building Standards.	Relates to the Warren-Alquist State Energy Resources Conservation and Development Act. Requires the Energy Commission to prescribe energy-saving water efficiency and conservation standards for new residential and nonresidential buildings. Authorizes the Department of Housing and Community Development to propose standards related to environmentally preferable water using devices and measures that do not unreasonably or unnecessarily impact the ability of residents to purchase or rent affordable housing.	Yes	Chapter 532, Statutes of 2007. (Signed by Governor 10/12.)
AB 1602 (Nunez) Environment: Sustainable Communities (Prop. 84).	Establishes the Sustainable Communities and Urban Greening Grant Program. Provides grants to local public agencies and nonprofit organizations for the purpose of improving the sustainability and liability of communities through the development of green infrastructure that provides multiple benefits, including improved air and water quality, energy and water conservation, climate change mitigation, and recreational and other community benefits.	Yes	Referred to Senate Committee on Environmental Quality.
AB 1714 (Levine) Energy: Solar Energy Systems.	Authorizes the Public Utilities Commission to delay implementation of time-variant pricing for ratepayers with a solar energy system, until the effective date of the rates establishes in the next general rate case of the state's three largest electrical corporations. Requires ratepayers required to take service between specified dates, and who would otherwise qualify for flat rate pricing, be given the option to take service under flat rate or time-variant pricing, if the PUC delays the implementation.	No	Chapter 11, Statutes of 2007. (Signed by Governor 6/7.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1719 (Hancock) Recycling: Beverage Containers: Plastic Bags.	Extends for one year a provision in existing law to utilize unredeemed funds to cover processing payments for any container type with a recycling rate of 45% or higher (saves beverage producers $25 million in processing fees for 2008). Provides one-year funding expenditures for beverage container recycling and litter cleanup: increases curbside payments by $5 million; increases nonprofit and school grants by $500,000; increases Department Market Development grant authority by $4 million; extends $5 million in multifamily recycling grants through 2008; establishes a new, one-year $10 million grant fund for local and public agencies for beverage container marine debris cleanup and prevention; and establishes a new, one-year $5 million grant fund for public agencies or nonprofit organizations for environmental education initiatives. Suspends for two years (2007 and 2008 certification years), CIWMB enforcement of the recycled content requirements for plastic trash bags and disposal reduction targets for reducing the disposal of plastic is the state's waste stream. Clarifies eligibility for handling fees for nonprofit recycling centers whose existence allows for the exemption of the supermarket recycle center mandate.	Yes	Referred to Assembly Committee on Rules. Last amended 9/11.
SB 97 (Dutton) CEQA: Greenhouse Gas Emissions.	Requires the Office of Planning and Research to prepare, develop and transmit to the Resources Agency, guidelines for the feasible mitigation of greenhouse gas emissions or the effectiveness of such emissions as required by the State Environmental Quality Act. Provides that in an environmental impact report or other document under CEQA for transportation projects or disaster preparedness and flood protection, the failure to analyze such emissions' effects does not create a cause of action under the Act.	Yes	Chapter 185, Statutes of 2007. (Signed by Governor 8/24.)
SB 210 (Kehoe) Greenhouse Gas Emissions: Fuel Standard.	Requires the CA Air Resources Board to adopt, implement and enforce a low-carbon fuel standard by January 1, 2010, that achieves the maximum technologically feasible and cost-effective greenhouse emissions reductions, and at least a 10% reduction in life cycle greenhouse gas emissions by 2020. Requires the ARB to develop related environmental reporting requirements. Requires the CA Energy Commission to issue a report on the impacts of the low-carbon fuel standard.	Yes	Vetoed by Governor 10/14.
SB 240 (Florez) San Joaquin Valley Air Pollution Control District.	Authorizes the San Joaquin Valley Air Pollution Control District to increase its motor vehicle fee for incentive-based programs to achieve surplus emissions reductions. Requires the Bureau of State Audits to audit the assessment of fees and expenditure of funds. Authorizes the San Joaquin Valley district to adopt rules and regulations to reduce vehicle trips in order to reduce air pollution from vehicular sources. Requires the district to submit a specified proposal relating to vehicle fees.	Yes	Referred to Assembly Committee on Appropriations. Last amended 717.
SB 291 (Simitian) Pollution Prevention: Design for the Environment Program.	Authorizes the Director of Toxic Substances to establish the Design for the Environment Program. Provides a forum for soliciting comments about green chemistry, green engineering, and design for the environment from a broad range of participants from academia and nongovernmental organizations, with expertise and interest in sustainability and green chemistry. Authorizes the director to establish linkages with other state agencies and university-based programs to draw on knowledge of other experts.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 5/2.
SB 300 (Corbett) Recycling: Beverage Containers: San Francisco Bay Area.	Authorizes the Department of Conservation to expand a specified amount of funds to fund grants that are overseen and awarded by the State Water Resources Control Board to local governments or nonprofit agencies to reduce beverage containers and litter that ends up in the San Francisco Bay through wind or storm drains.	Yes	Referred to Assembly Committee on Natural Resources. Last amended 6/18.
SB 324 (Migden) Hetch Hetchy Water and Power Solar Generation.	Authorizes a private energy producer to generate electricity not generated from conventional sources for a community choice aggregator. Authorizes the City and County of San Francisco to elect to designate specified solar electricity generation facilities. Provides that the authorization does not limit the right of Hetch Hetchy Water and Power to sell electricity from a solar generation facility owned by the city and county when otherwise authorized by law.	Yes	Referred to Assembly Committee on Utilities and Commerce. Last amended 7/2.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 341 (Lowenthal) Enterprise Zones: Environmental Impact Reports.	Relates to the Enterprise Zone Act, which requires a related environmental impact study. Requires the submission of a notice of preparation and a draft environmental impact report (EIR) if an EIR is to be prepared. Requires the submission by an applicant lead agency chosen as a final applicant of a draft EIR, negative declaration or mitigated negative declaration. Deletes the exception to the requirements for further EIRs.	Yes	Chapter 643, Statutes of 2007. (Signed by Governor 10/13.)
SB 375 (Steinberg) Transportation Planning: Travel Models: Sustainable Communities Strategy: Environmental Review.	**Relates to travel demand guidelines used in regional transportation plans, the requirement that a regional transportation plan include a sustainable communities strategy, designed to achieve goals and target dates for the reduction of greenhouse gas emissions from automobiles and light trucks in the region. Requires an environmental document under CEQA that examines specific impacts of a transportation project located in a local jurisdiction that has amended its general plan and the legislative body finds the project meets specified criteria.**	**Yes**	**Referred to Assembly Committee on Appropriations.** **Last amended 9/12.** **OPPOSE.**
SB 427 (Harman) CEQA: Impact Reports.	Authorizes a lead agency to prepare a short form environmental impact report for a project subject to the California Environmental Quality Act if the project meets specified criteria, including that the project is a qualified urban use, provides housing or employment near specified areas, and incorporates specified mitigation measures.	Yes	Referred to Senate Committee on Environmental Safety.
SB 429 (Ducheny) Land Use Controls.	Requires state agencies to notify the affected city or county of any type of environmental cleanup action. Authorizes a city or county to assess a property owner a reasonable fee to cover the costs of taking an action. Requires an owner of property to comply with the restrictions imposed by that land use control. Provides owners with an appeal process if they feel that they are adversely affected by the cleanup action.	Yes	Referred to Senate Committee on Environmental Quality.
SB 451 (Kehoe) Energy: Renewable Electric Generation Facilities.	Requires every electrical corporation to make a tariff available to any customer of the corporation on a first-come-first served basis until the corporation meets its proportionate share of the combined statewide cumulative rated generating capacity of electrical generating facilities of 1,000 megawatts. Provides that the electricity generated by the facility counts toward the corporation's renewables portfolio. Allows a customer to receive service pursuant to an alternative net metering program.	Yes	Vetoed by Governor 10/13.
SB 584 (Corbett) San Francisco Bay Area Conservancy Program.	Requires the State Coastal Conservancy to establish a program, as part of the San Francisco Bay Area Conservancy Program, to restore the salt ponds in the south San Francisco Bay and to create trails and visitor facilities for public use in that area to the extent that funds are appropriated for these purposes.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 4/30.
SB 660 (Perata) Clean Technology and Climate Change Research.	Establishes the Strategic Research Investment Council to prepare and adopt a research, development and demonstration plan that establishes priorities and key expenditure categories for funds to be expended by state agencies represented on the council. Requires the research, development and demonstration funds allocated for clean technology, environmental protection and public interest energy research, administered by the Department of Transportation, to be expended in accordance with the plan.	Yes	Vetoed by Governor 10/14.
SB 763 (Ridley-Thomas) Economic Development Programs.	Declares the intent of the Legislature to enact legislation providing that all economic development programs implemented by the Business, Transportation and Housing Agency should, at the discretion of the Secretary of Business, Transportation and Housing, adopt specified objectives.	Yes	Referred to Senate Committee on Business, Professions and Economic Development. Last amended 4/30.
SB 790 (Torlakson) Public Health: County Health Officers.	Authorizes a city, county, or city and county to establish a joint powers authority with another public agency that has laboratories in place that can conduct stormwater and urban runoff analyses, if the city, county, or city and county does not have existing statutory authorization for the formation of such an authority.	No	Referred to Senate Committee on Health. Last amended 3/28.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 821 (Kuehl) Land Use of Water Supplies: Report.	Requires the California Research Bureau to prepare and provide to the Legislature a report covering specified calendar years that includes certain information relating to adequate water supplies for proposed residential developments.	Yes	Referred to Assembly Committee on Appropriations. Last amended 5/1.
SB 825 (Padilla) Water: Water Conservation Policy.	Declares that it is the policy of the state to promote water conservation, water efficiency and water recycling as the most cost-effective means of increasing water supply and protecting the environment.	No	Pending referral to committee.
SB 842 (Scott) Integrated Waste Management.	Relates to the Integrated Waste Management Act of 1989 and amends the definition of the term "gasification" as meaning a technology that uses a noncombustion thermal process to convert solid waste to a clean burning fuel for the purpose of generating electricity. Requires that the technology produces no discharges of air contaminants or emissions exceeding the standards set by the State Air Resources Board, air pollution control districts or air quality management districts.	No	Referred to Senate Committee on Environmental Quality.
SB 966 (Simitian) Pharmaceutical Drug Disposal.	**Requires the Integrated Waste Management Board to identify and develop model programs for the safe disposal of pharmaceutical waste. Requires the board to report to the Legislature by December 1, 2010, on the efficacy, safety and cost-effectiveness of the program, as well as the potential for replicating model programs statewide. Increases from $5 million to $6 million the amount of funding the board is authorized to award grants to cities, counties and other local agencies for a variety of solid waste management and hazardous waste disposal activities. The requirement that the board develop model programs would sunset January 1, 2013.**	**No**	**Chapter 542, Statutes of 2007. (Signed by Governor 10/12.)** **SUPPORT.**
SB 1016 (Wiggins) Diversion: Annual Reports.	Authorizes the Integrated Waste Management Board, if it determines that a city or county has diverted more than 50% of solid waste from landfill disposal through source reduction, recycling and composting activities, to submit once every two years the information required in a specified report. Provides that, for a city or county submitting the report every two years, they must return to annual submission if they fail to divert 50% of the solid waste, or if the board rescinds the authorization.	Yes	Referred to Assembly Committee on Natural Resources. Last amended 4/10.
SB 1020 (Padilla) Solid Waste: Diversion.	**Requires the State Integrated Waste Management Board to develop a strategic and comprehensive plan to achieve, on or before January 1, 2020, a diversion of solid waste statewide from landfill disposal or transformation. Requires the board to adopt policies and incentives to ensure that, on or before December 12, 2012, 60% of all solid waste generated in the state is source reduced, recycled or composted, and to ensure that, on or before January 1, 2020, 75% of all solid waste generated is source reduced, recycled or composted.**	**Yes**	**Referred to Assembly Committee on Appropriations.** **Last amended 6/26.** **SUPPORT.**
SB 1021 (Padilla) Beverage Containers: Grants.	**Authorizes the Department of Conservation to expend $15 million between January 1, 2008, to January 1, 2009, to provide grants to place source separated beverage container recycling receptacles in multifamily housing. Provides the department with $198,000 from the Beverage Container Recycling Fund for one-time administrative costs to implement this grant program.**	**Yes**	**Chapter 724, Statutes of 2007. (Signed by Governor 10/14.)** **SUPPORT.**
SB 1029 (Ducheny) Drinking Water Standards.	Amends the Calderon-Sher Safe Drinking Water Act, which requires the Department of Public Health to adopt regulations relating to contaminant standards for drinking water. Requires the Department of Finance, within a specified number of days from the date a rule or regulation is submitted by the Department of Public Health, to complete documentation or estimate review in connection with the maximum contaminant levels for primary and secondary drinking water.	Yes	Chapter 725, Statutes of 2007. (Signed by Governor 10/14.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 1036 (Perata) Energy: Renewable Energy Resources.	Repeals provisions for the New Renewable Resources Account within the Renewable Resource Trust Fund. Deletes the requirement that the Energy Commission award the production incentives and allocate and award supplemental energy payments to eligible renewable energy resources to cover above-market costs of renewable energy. Requires the Commission to terminate production incentives unless the project began generating electricity by a certain date.	Yes	Chapter 685, Statutes of 2007. (Signed by Governor 10/14.)

III. NEIGHBORHOOD SERVICES

1. Neighborhood Services (Includes parks and recreation, open space, libraries, child care, senior programs, etc.)			
AB 31 (De Leon) Park Development and Community Revitalization. (Prop. 84)	Changes the name of the Urban Park Act of 2006, to the Statewide Park Development and Community Revitalization Act of 2007. Provides that a city, district, joint powers authority, specified nonprofit organization, or county is authorized to apply for local assistance program grants. Replaces the term "heavily urbanized county" with "critically underserved community" and expands the definition to include a community with less than three acres of usable parkland per 1,000 residents or is a disadvantaged community and can demonstrate to the Department of Parks and Recreation that the community has insufficient or no park and recreation facilities. Revises the criteria for awarding grants and requires the department to adopt guidelines and technical assistance for grant applicants. Provides that funds under Prop. 84 and this bond act shall be distributed to counties based on population.	Yes	Referred to Senate Committee on Rules. Last amended 9/7.
AB 57 (Soto) Highways: Federal Funds: Safe Routes to School.	**Deletes the sunset date and extends indefinitely the Safe Routes to School program and requires any annual budget allocation to fund grants under this program, in addition to available federal funding. Authorizes state and local entities to secure and expend federal funds appropriated under the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users for programs relating to highway safety improvements that can reduce the number of fatal and serious injury accidents. Requires the Department of Transportation to administer the Safe Routes to School program and to distribute any federal funds under the competitive grant process.**	**Yes**	**Chapter 673, Statutes of 2007. (Signed by Governor 10/14.)** **SUPPORT.**
AB 145 (Coto) San Jose State and National Hispanic University: Collaboration.	**Requires the State University Trustees to authorize San Jose State University and the National Hispanic University to enter into a collaboration agreement that would include outreach, transfer, joint classes for credit, and other programs of education, research and public services as the Trustees and the National Hispanic University deem to be in the public interest. Requires an evaluation of the program and makes an appropriation to carry out these provisions.**	**Yes**	**Held in Assembly Appropriations Committee Suspense File on 5/31.** **Last amended 4/26.** **SUPPORT.**
AB 150 (Lieu) State Financial Literacy Initiative.	Establishes the Financial Literacy Initiative for improving financial literacy by offering instructional materials for teachers and schools to provide high-quality financial literacy education for pupils in K-12. Authorizes the Superintendent of Public Instruction to provide an online library of financial literacy resources and materials, and to convene a related advisory committee. Requires a related biennial report about online materials by authors and publishers.	Yes	Vetoed by Governor 10/14.
AB 468 (Ruskin) Vehicles: Abatement of Abandoned Vehicles.	**Authorizes a county service authority to use registration fees, as well as the moneys received from the Abandoned Vehicle Trust Fund, for the costs associated with the enforcement of the ordinance adopted by the authority. Prohibits the authority from offsetting other specified costs and from carrying out the abandoned vehicle abatement unless a specified notice is issued and the notice period has expired.**	**Yes**	**Chapter 389, Statutes of 2007. (Signed by Governor 10/10.)** **SUPPORT.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1030 (Caballero) Libraries: Literacy and English Acquisition Services.	**Authorizes the Library Literacy and English Acquisition Services Program to be used for services targeted to young adults, 16 years of age and over who are not enrolled in school, to improve their literacy skills by providing adult basic literacy tutoring and related services. Requires a public library to perform certain functions in implementing this service program. Deletes a requirement that the program have private financial support.**	**Yes**	**Vetoed by Governor 10/11.** **SUPPORT.**
AB 1252 (Caballero) Housing-Related Parks Program (Prop. 1C). (Gut and amended on 9/7 to now relate to Statewide Park Development and Community Revitalization Act of 2007 [Prop. 84].)	**The prior version of the bill established the Housing-Related Parks Program under Prop. 1C, and required the Department of Housing and Community Development to use the $200 million in funds from the Housing Urban-Suburban-and-Rural Parks Account, to provide grants for the creation, development or rehabilitation of community or neighborhood parks to cities and counties that meet certain criteria and issue building permits for housing developments consisting of newly constructed housing units that are affordable to low- or very low-income households.** **As currently amended, the bill relates to the Statewide Park Development and Community Revitalization Act of 2007 and specifies the procedure and criteria for awarding Prop. 84 grants.**	**Yes**	**Senate Floor.** **Last amended 9/7.** **SUPPORT WITH AMENDMENTS.**
AB 1315 (Ruskin) Bond Funds: Housing and Emergency Shelter Trust Fund Act: Park Projects.	Relates to the Housing and Emergency Shelter Trust Fund Act to provide that in implementing the act, priority shall be given to park projects around transportation hubs and train stations, projects connecting infill development and schools, projects mitigating traffic on school routes, and projects connecting urban areas with open-space parks and trails.	Yes	Referred to Assembly Committees on Water, Parks and Wildlife, and Housing and Community Development. Last amended 4/16.
AB 1318 (Blakeslee) Community–Based Services Network.	Repeals existing law which requires the Department of Aging to, by a specified date, develop a plan to expand its state-funded programs for seniors, subject to redirection of funds.	No	Referred to Assembly Committee on Aging and Long-Term Care.
AB 1472 (Leno) Public Health: Healthy Places Act of 2008.	Establishes the California Healthy Places Act of 2008, to develop policies and practices which minimize unhealthy environmental practices and optimize healthful environments, with the goal of adapting environmental policy to the demands of population growth and modern living. Requires the Department of Public Health to form a working group to identify and evaluate evidence on best practices affecting environmental health. The findings of the workgroup would be shared with local governments by 2010 and would form the basis for guidelines for planning and development purposes.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 8/20.
AB 1634 (Levine) CA Healthy Pets Act.	Prohibits any person from owning or possessing any cat or dog over the age of six months that has not been spayed or neutered, unless that person possesses an intact permit. Establishes an intact permit fee and requires the revenue from these fees to be used for the administration of the permit program. Provides a civil penalty for violation and requires penalty funds to be used for enforcement and spay, neuter and outreach programs. Authorizes one intact permit to allow for one male and one female to all the dogs to produce a single litter of offspring.	Yes	Referred to Senate Committee on Local Government. Last amended 7/3.
SB 46 (Perata) Regional Planning, Housing and Infill Incentive Account (Prop. 1C).	**Provides statutory framework for expenditure of $850 million in the Regional Planning, Housing and Infill Incentive Account. Authorizes bonds to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. Establishes a competitive grant program for infill housing development and infrastructure needs. Establishes a competitive grant program for infill housing development and infrastructure needs. Requires the Pollution Control Financing Authority to allocate funds to infill projects. Funding is subject to State budget appropriation.**	**Yes**	**Referred to Senate Committee on Appropriations.** **Last amended 7/16.** **SUPPORT WITH AMENDMENTS.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 48 (Alquist) Community Development: Healthy Food Choices.	Requires the Department of Health Services to establish the Healthy Food Retail Innovations Fund to provide residents of underserved communities with retail food markets that would offer high quality fruit, vegetables and other healthy foods and encourage retail innovation. Requires the department to provide grants and loans for land acquisition, business plan development, feasibility studies, refrigeration units, outside technical assistance, and other startup costs.	Yes	Referred to Assembly Committee on Appropriations. Last amended 7/12.
SB 65 (Cedillo) Public Postsecondary Education: San José State University and National Hispanic University Collaboration.	**Requires the Trustees of the California State University to authorize San José State University and the National Hispanic University to enter into a collaborative agreement that would include outreach, transfer, joint classes for credit, and other programs of education, research and public service as the Trustees and the National Hispanic University deem to be in the public interest. Requires an independent entity to evaluate the program by contract.**	**Yes**	**Vetoed by Governor 10/13.** **SUPPORT (identical to AB 145 [Coto]).**
SB 156 (Simitian) Reading and Literacy Improvement and Public Library Construction and Renovation Bond Act.	Enacts the Reading and Literacy Improvement and Public Library Construction and Renovation Bond Act of 2008. Authorizes the issuance of $4 billion in bonds, if approved by voters, for the purpose of financing library construction and renovation pursuant to a program administered by the State Librarian.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 5/24.
SB 207 (Padilla) Parks and Recreation: Outdoor Environmental Education Program.	Establishes the Outdoor Environmental Education and Recreation Program to permit underserved and at-risk populations to participate in outdoor recreation and educational experiences by awarding grants to education programs that are available to the public and are operated by public entities or nonprofit organizations. Creates the Outdoor Environmental Education and Recreation Fund. Requires the Environmental Education Interagency Network to serve as an advisor in developing the program components.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 4/10.
SB 732 (Steinberg) Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006. (Prop. 84)	**Requires state departments that are to implement the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act to develop and adopt guidelines and regulations. Provides $580 million in Prop. 84 funds for nature education and research facilities, reports regarding grant recipients, investor-owned utilities, and the funding of integrated regional water management plan projects or programs. Creates the Sustainable Communities Council and Fund to align transportation funds with regional strategies to reduce vehicular miles traveled and reliance on automobile use. Funding is subject to State budget appropriation.**	**Yes**	**Assembly Floor Inactive File.** **Last amended 9/7.** **OPPOSE.**
SB 757 (Ridley-Thomas) Telecommunications: CA Teleconnect Fund Administrative Committee Fund: Grant Programs.	Authorizes the Public Utilities Commission to establish a Community-Based Supplemental Education Demonstration Grant Program and a Telemedicine Demonstration Grant Program for the purpose of providing advanced telecommunications network services to community technology programs, to public libraries that deliver supplemental education services to pupils, and to health care facilities that provide telemedicine services.	Yes	Referred to Senate Committee on Energy, Utilities and Communications.
SB 977 (Correa) Infrastructure: Seniors.	Declares the intent of the Legislature to enact legislation that would require the preparation of a statewide study to determine the current and future infrastructure needs created by increases in the numbers of elderly persons in the state.	No	Pending referral to committee.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position

IV. PUBLIC SAFETY

1. Law Enforcement And The Courts.			
AB 57 (Soto) Highways: Federal Funds: Safe Routes to School.	**Deletes the sunset date and extends indefinitely the Safe Routes to School program and requires any annual budget allocation to fund grants under this program, in addition to available federal funding. Authorizes state and local entities to secure and expend federal funds appropriated under the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users for programs relating to highway safety improvements that can reduce the number of fatal and serious injury accidents. Requires the Department of Transportation to administer the Safe Routes to School program and to distribute any federal funds under the competitive grant process.**	**Yes**	**Chapter 673, Statutes of 2007. (Signed by Governor 10/14.)** **SUPPORT.**
AB 77 (Lieber) Parole Reform.	Requires the Secretary of the Department of Corrections and Rehabilitation to appoint a working group to develop an action plan for reforming the parole system. Requires the working group to submit its plan to the Legislature and the secretary no later than 90 days from the date this provision becomes operative. Authorizes the Corrections Standard Authority to award a grant to a county for the purpose of developing a multiagency local action plan relating to parolees.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31.
AB 81 (Torrico) Child Protection: Safe Surrender.	**Extends the safe surrender of a child by a parent or other person with lawful custody from 72 hours old or younger to 7 days of age or younger. Expands the definition of "safe-surrender site" to include local fire agencies upon the approval of the appropriate local governing body of the agency. Specifies the certain circumstances in which a safe-surrender site and its personnel have no liability for a surrendered child. Requires the establishment of a public awareness campaign.**	**Yes**	**Vetoed by Governor 10/13.** **SUPPORT.**
AB 104 (Solorio) Criminal Records: City Attorneys.	Requires the Attorney General and local criminal justice agencies to provide criminal history information to city attorneys pursuing civil gang injunctions or drug abatement actions.	No	Chapter 104, Statutes of 2007. (Signed by Governor 7/20.)
AB 117 (Beall) Traffic Offenses: Additional Assessment: Traffic Safety.	Authorizes Santa Clara County to impose an additional assessment of $2 for every $10 on each base fine for any Vehicle Code violation, to be used for programs that increase local traffic safety. Requires the collected assessments be deposited in a Traffic Safety Committee Network Fund.	No	Referred to Senate Committee on Public Safety. Last amended 3/22.
AB 148 (Alarcon) Sex Offenders.	Removes the prohibition against using information relating to sex offenders disclosed on the Internet website for purposes relating to housing or accommodation, and authorizes that a lessor of residential real property may refuse to provide housing to, or evict, a sex offender whose residence address is on the website. Provides that a lessor may inform other residents of that residential property that a person whose residence address is made available on the website also resides in the property.	Yes	Referred to Assembly Committee on Public Safety.
AB 301 (Soto) Criminal Street Gangs: Statewide Prevention.	Creates the position of the California Gang Prevention Coordinator within the Department of Justice who would be responsible for coordinating gang prevention efforts statewide. Requires the Attorney General to request funding for the position as part of the annual budget process and make appointment to the position contingent on obtaining funding.	Yes	Referred to Assembly Committee on Public Safety. Last amended 4/16.
AB 325 (Nava) Peace Officers: Recruitment.	Creates the Peace Officer Recruitment and Retention Commission to make specified recommendations to the Governor and Legislature, and develop a pilot program in specified counties to create a media campaign that advertises and markets the benefits and rewards of a career in law enforcement. Requires the commission to coordinate the tracking of the number of new applicants to the field of law enforcement.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 3/19.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 370 (Adams) Sex Offenders: Residency Restrictions.	Relates to sex offender registry requirements. Removes the exclusion of a residential facility which serves six or fewer persons from the definition of a single family dwelling. Allows a county or city to prohibit a person released on parole, after having served a term of imprisonment for any offense for which registration as a sex offender is required, from residing during the parole period in any single family dwelling with any other person also on parole, unless those persons are related.	No	Referred to Assembly Committee on Public Safety. Last amended 4/30.
AB 413 (Ruskin) Alcoholic Beverages: Licenses.	Relates to existing law under which an applicant for a retail license to sell alcoholic beverages is required to mail a notification of the application to every resident of real property within a 500-foot radius of the premises. Requires the applicant to mail notifications to residents and owners of property via a method that offers proof of mailing.	Yes	Referred to Assembly Committee on Governmental Organization. Last amended 3/22.
AB 430 (Benoit) Vehicles: Speed Contests and Reckless Driving.	Includes one or both of the crimes of reckless driving or engaging in motor vehicle speed contests within the scope of various existing statutes including, among others, provisions relating to time limits for destruction of court records, and exceptions to requirements that insurance companies not raise premium rates where the insured or applicant has been convicted of a traffic violation while driving an employer's vehicle during the course of employment.	Yes	Chapter 682, Statutes of 2007. (Signed by Governor 10/14.)
AB 468 (Ruskin) Vehicles: Abatement of Abandoned Vehicles.	**Authorizes a county service authority to use registration fees, as well as the moneys received from the Abandoned Vehicle Trust Fund, for the costs associated with the enforcement of the ordinance adopted by the authority. Prohibits the authority from offsetting other specified costs and from carrying out the abandoned vehicle abatement unless a specified notice is issued and the notice period has expired.**	**Yes**	**Chapter 389, Statutes of 2007.** **(Signed by Governor 10/10.)** **SUPPORT.**
AB 534 (Smyth) Crimes Against Children (gut and amended on 8/28 – previously related to Bicycle Transportation Account: Funding.	The prior version related to increasing the amount of a monthly transfer of funds from the Highway Users Tax Account to the Bicycle Transportation Account from $416,667 to $1 million each month until January 31, 2012. As currently amended, the bill makes it a misdemeanor for any person to publish information about a child with the intent that another person will use the information to commit a crime against a child or the information is likely to aid in the imminent commission of a crime against a child.	Yes	Referred to Senate Committee on Rules. Last amended 9/5.
AB 635 (Duvall) Peace Officers: Circumstance in Aggravation.	Amends existing law which provides that the fact that the victim of an attempted life term crime was a peace officer shall be considered a circumstance in aggravation of the crime in imposing a sentence. Adds community college and school district police to the list of peace officers in that provision.	Yes	Referred to Assembly Committee on Appropriations.
AB 658 (Bass) Community Homicide and Violence Reduction Program.	Establishes the Community Homicide and Violence Reduction Program to be administered by the Office of Emergency Services to award grants to community-based organizations for the development and implementation of evidence-based approached for homicide and violence prevention. Requires OES to create an evaluation design for the program that will assess its effectiveness.	Yes	Vetoed by Governor 10/14.
AB 802 (Salas) Criminal Street Gangs.	Establishes the California Commission on Gang Prevention and Intervention that would be responsible for creating a statewide strategy on gang violence prevention and intervention and collaborating with local agencies to implement the statewide strategy.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 900 (Solorio) Prisons: Construction.	Authorizes up to 40,000 new state prison beds, contingent upon significant program enhancements designed to reduce recidivism. Authorizes the Department of Corrections and Rehabilitation to temporarily house up to 8,000 inmates out-of-state until new construction is completed and the results of enhanced anti-recidivism programming impact the inmate population. Authorizes $6.1 billion in lease-revenue bond financing in three phases for the 40,000 new state prison beds. Authorizes $1.2 billion in bond financing in two phases for 13,000 county jail beds, subject to a 25% county match. Appropriates $300 million for infrastructure improvements at existing prisons, and $500 million for enhanced rehabilitation services.	Yes	Chapter 7, Statutes of 2007. (Signed by Governor 5/3.)
AB 1002 (Anderson) Pupils: Notification: Sex Offenders.	Requires school districts to include in the annual notification of rights and responsibilities sent to parents and guardians, a specified statement regarding the availability and use of the Department of Justice's website, which contains information on registered sex offenders. Requires school districts to post the statement and a link to the website on the district's website and the websites of each of the schools within the district.	Yes	Failed Assembly Education Committee on 4/18 and 4/25. Last amended 4/12.
AB 1029 (Caballero) Law Enforcement: Apprenticeship Program.	Establishes the Law Enforcement Apprenticeship Program to be administered by the Department of Education. Requires the department to develop a request for proposal through which school districts, county offices of education, nonprofit education organizations, and law enforcement agencies may apply for a grant under the program. Requires the award of a grant to an applicant that demonstrates the ability to complete specified program related tasks regarding at-risk and disadvantaged high school pupils.	Yes	Referred to Senate Committee on Education. Last amended 7/5.
AB 1030 (Caballero) Libraries: Literacy and English Acquisition Services.	**Authorizes the Library Literacy and English Acquisition Services Program to be used for services targeted to young adults, 16 years of age and over who are not enrolled in school, to improve their literacy skills by providing adult basic literacy tutoring and related services. Requires a public library to perform certain functions in implementing this service program. Deletes a requirement that the program have private financial support.**	**Yes**	**Vetoed by Governor 10/11.** **SUPPORT.**
AB 1033 (Caballero) Contributing to the Delinquency of a Minor.	Provides that any person who causes or induces a minor to become an active participant in a criminal street gang or to commit an offense as to which a gang enhancement or alternative penalty provisions would be imposed or any person who, by an act of omission, or by threats, commands or persuasion, induces or endeavors to induce any minor to do either of those acts, is guilty of a misdemeanor.	Yes	Referred to Senate Committee on Appropriations. Last amended 7/18.
AB 1048 (Richardson) Illegal Dumping Enforcement Officers.	Corrects an erroneous cross-reference and provides that illegal dumping enforcement officers shall be among those persons who enforce provisions of law relating to solid waste disposal. Provides that the Attorney General may furnish illegal dumping enforcement officers with state summary criminal history information upon the showing of a compelling need. Requires the Attorney General to provide criminal history information to city attorneys pursuant civil gang injunctions, or drug abatement actions.	Yes	Chapter 201, Statutes of 2007. (Signed by Governor 9/10.)
AB 1049 (Solorio) Parole Reentry Programs.	Requires the Department of Corrections and Rehabilitation to establish reentry programs for parolees between 16 and 23 years of age to assist in community reintegration upon discharge from detention. Provides the programs would include construction training, academic services, counseling and tracking of graduates after completion of the program. Requires the department to maintain statistical information related to the reentry program.	Yes	Vetoed by Governor 10/14.
AB 1079 (Richardson) Crime Laboratories.	Requires the Department of Justice to establish a task force to conduct a review of the state's crime laboratory system and review and make recommendations as to how best to configure, fund and improve the delivery of state and local crime laboratory services in the future and to report its findings to the Legislature.	Yes	Chapter 405, Statutes of 2007. (Signed by Governor 10/10.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1125 (Richardson) Protective Orders.	Authorizes a law enforcement officer to issue an emergency protective order without contacting the court if certain conditions apply, including that the Superior Court has issued a standing order. Requires the Department of Justice to continue to monitor the number of emergency protective orders in the Domestic Violence Restraining Order System and to notify victims.	Yes	Referred to Assembly Committees on Judiciary, and Public Safety.
AB 1172 (S. Runner) Inmate Release.	Relates to the release of inmates who have been convicted of certain sexually violent crimes. Increases release notice requirements from 45 days to 60 days and 90 days. Relates to conditional release hearings for sexually violent predators. Provides that the inmate release notice requirement will include persons scheduled for release from the Department of Mental Health, including conditional release. Requires related documents to be provided to the court when recommending conditional release.	Yes	Chapter 571, Statutes of 2007. (Signed by Governor 10/13.)
AB 1176 (Spitzer) Sexually Violent Predators: Petitions for Release.	Relates to existing law that provides the procedures governing the petitions for the civil commitment of sexually violent predators and which authorizes the court to order the committed person to be unconditionally discharged or conditionally released for supervised community treatment in the county of domicile. Establishes a process for determining the county to bear the petition for conditional release or unconditional discharge in cases where the county of commitment is other than the county of domicile.	Yes	Referred to Senate Committee on Public Safety. Last amended 4/10.
AB 1198 (Benoit) Law Enforcement Response Costs.	Authorizes local government entities to recover the reasonable law enforcement costs of responding to a person operating a vehicle while intoxicated.	No	Referred to Assembly Committee on Judiciary.
AB 1291 (Mendoza) Anti-Gang Violence Parenting Classes.	Authorizes the Juvenile Court to order anti-gang violence parenting classes, if a minor is found to be a ward of the court by reason of the commission of a gang-related offense and the court finds the minor is a first-time offender and orders a parent or guardian to retain custody of the minor, either subject to or without the supervision of a probation officer. Provides the relationship of the persons who shall be liable for the costs of the classes.	Yes	Chapter 457, Statutes of 2007. (Signed by Governor 10/11.)
AB 1314 (Strickland) Bingo.	Amends existing law that permits cities and counties to allow bingo games to be conducted by specified organizations for charitable purposes. Defines bingo the purposes of these provisions as a game of chance in which prizes are awarded on the basis of designated numbers or symbols on a paper or electronic card that conforms to numbers or symbols that are selected at random.	Yes	Referred to Assembly Committee on Governmental Organization. Last amended 3/27.
AB 1348 (Spitzer) Sexually Violent Predators.	Relates to release from the custody of the Department of Corrections and Rehabilitation of a person who has been convicted of certain crimes of a sexual nature. Prohibits placement on conditional release unless the court finds that the person has successfully completed all phases of the department's inpatient treatment program with progress in the treatment program.	Yes	Failed Assembly Public Safety Committee on 4/17.
AB 1381 (Nunez) Gangs: Office of Statewide Violence and Gang Prevention.	Establishes the Office of Statewide Violence and Gang Prevention within the Office of Emergency Services, which would be responsible for coordinating and assisting various persons and entities with strategies to prevent violence and gang involvement. Requires the office to establish an Internet website to provide information on grants and to submit a report to the Legislature by March 1, 2009, containing recommendations and other information.	Yes	Chapter 459, Statutes of 2007. (Signed by Governor 10/11.)
AB 1416 (S. Runner) Child Endangerment.	Makes it a misdemeanor, punishable by imprisonment in a county jail or a felony punishable by imprisonment in state prison, for a person to operate a motor vehicle in a manner that is a violation of a driving under the influence offense and a child is a passenger in that vehicle at the time of the violation.	Yes	Failed Assembly Public Safety Committee on 4/17.
AB 1509 (Spitzer) Sex Offenders: Community Placement.	Includes the crime of continuous abuse of a child as a violent felony, thereby providing that an inmate released on parole for this crime and upon a request of a victim or witness, shall not be released to a location within 35 miles of the victim or witness of the felony.	Yes	Chapter 573, Statutes of 2007. (Signed by Governor 10/13.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1589 (Duvall) Vehicles: Reports: Reexaminations: Removal.	Amends existing law that authorizes a peace officer who is engaged in directing traffic or enforcing parking laws to remove a vehicle when the vehicle is found or operated upon a highway, public lands or an off-street parking facility with an expired registration. Provides additional instances relating to registration when a vehicle may be removed from a highway, public lands or an off-street parking facility.	Yes	Chapter 453, Statutes of 2007. (Signed by Governor 10/10.)
AB 1625 (Solorio) Crime Prevention: Criminal Gangs.	Establishes the High-Intensity Interstate Gang Activity Areas Task Force to formulate a comprehensive strategy for addressing high-intensity gang activity throughout the state and to advise the Office of Emergency Services on the appropriate disbursements of funds to regional high-activity gang areas.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/10.
SB 33 (Simitian) Vehicles: Wireless Telephones and Mobile Service.	Prohibits a person under the age of 18 years from driving a motor vehicle while using a wireless telephone, even if equipped with a hands-free device or while using a mobile service device. Provides that the prohibition would not apply to a person using a wireless telephone or mobile service device for emergency purposes. Prohibits a law enforcement officer from stopping a vehicle for the sole purpose of determining if the driver is violating this prohibition. Provides fines for violations.	Yes	Chapter 214, Statutes of 2007. (Signed by Governor 9/13.)
SB 67 (Perata) Vehicles: Speed Contests and Reckless Driving.	Extends provisions regarding motor vehicle removal and seizure to persons engaged in reckless driving on a highway or an off-street parking facility, or an exhibition of speed on a highway. Requires the impounding agency to release the vehicle to the registered owner prior to the conclusion of the impoundment period if the owner was neither the driver nor a passenger of the vehicle at the time of the alleged violation, or was unaware that the vehicle was being used in the activities.	Yes	Chapter 727, Statutes of 2007. (Signed by Governor 10/14.)
SB 152 (Florez) Gambling: Local Gambling Ordinances.	Permits, without voter approval, a city, county or city and county, to amend an ordinance to increase the number of gambling tables that may be operated in a gambling establishment by a change that results in an increase not to exceed a specified percentage when compared to the ordinance in effect on a specified date, if the ordinance is in effect on that date. Prohibits more than a certain number of gambling tables from being operated in a gambling establishment.	Yes	Vetoed by Governor 10/10.
SB 209 (Runner) Crimes: Proposition 83.	Provides that it is the intent of the Legislature to adopt implementation language for Proposition 83 of 2006, relating to sex offenders.	No	Pending referral to committee.
SB 266 (Steinberg) Motor Vehicle Speed Contest: Forfeiture.	Amends existing law that allows a peace officer to arrest and take into custody a person that the officer determines was engaged in a motor vehicle speed contest and permits the officer to cause the removal and seizure of the vehicle to extend those provisions to persons engaged in reckless driving, both on a highway or off-street parking facility, or an exhibition of speed on a highway. Requires the release of the vehicle, if the registered owner was not involved in or aware of the offense.	Yes	Referred to Senate Committee on Appropriations. Last amended 5/1.
SB 271 (Cedillo) Criminal Street Gangs: Injunctions.	Amends existing law which allows the Attorney General to maintain an action for money damages on behalf of a community injured as a result of a nuisance created by gang activity. Allows any district attorney or any prosecuting city attorney of cities to maintain the action for money damages in cities with a specified population.	No	Chapter 34, Statutes of 2007. (Signed by Governor 7/6.)
SB 279 (Yee) State Highways: Public Nuisance.	Provides that peace officers from a local law enforcement agency may enforce provisions that specify any vehicle or structure parked or placed wholly or partly within any state highway for the purpose of sale, or to sell from, is a nuisance that may be immediately removed.	No	Chapter 89, Statutes of 2007. (Signed by Governor 7/20.)
SB 390 (Runner) Gang Activity Prevention Grant Program.	Establishes the Gang Activity Prevention Grant Program. Awards grants on a competitive basis to juvenile courts, county probation departments, and the Division of Juvenile Justice for the development and implementation of comprehensive approaches for supervising and managing gang-involved youth offenders who are wards of the juvenile court. Requires a grantee to submit an assessment of the effectiveness of the grant program, and requires the submission of a report with these assessments.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 5/2.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 492 (Maldonado) Vehicles: Abandonment: Fines.	Increases from $100 to $1,000, the minimum fine for a person convicted of abandoning a vehicle.	No	Failed Senate Transportation and Housing Committee on 5/8.
SB 502 (Hollingsworth) Sexually Violent Predators.	Requires any person who has been or is hereafter found to be a sexually violent predator to be monitored by a global positioning system for life upon being unconditionally released.	Yes	Failed Senate Public Safety Committee on 4/24.
SB 511 (Alquist) Interrogation: Recording.	Requires the electronic recordation of the entire proceeding of any custodial interrogation of an individual who is in a fixed place of detention and who, at the time of the interrogation, is suspected of committing or accused of a homicide or violent felony. Prohibits the interrogating entity from destroying or altering any electronic recording made of the interrogation until the final conclusion of the proceeding.	Yes	Vetoed by Governor 10/13.
SB 582 (Corbett) Charitable Solicitations.	Authorizes a defined charity to engage in a charitable solicitation that involves persons standing in a public roadway soliciting contributions from passing motorists, if the persons to be engaged in the solicitation are specified law enforcement personnel, firefighters, or other persons employed to protect the public safety of a local agency, and if specified conditions apply. Requests the charity to provide proof of a valid policy of liability insurance.	No	Chapter 446, Statutes of 2007. (Signed by Governor 10/10.)
SB 610 (Corbett) Criminal Proceedings: Commencement.	Provides that the prosecution for a felony offense is commenced when an indictment, information, or a complaint is filed and prosecution for a misdemeanor offense is commenced when a complaint is filed.	Yes	Referred to Senate Committee on Public Safety.
SB 848 (Corbett) Vehicles: Speed Trap.	Amends existing law which prohibits a peace officer or other person from using a speed trap in arresting a person for violating the Vehicle Code. Excludes from the definition of speed trap, instances where an arresting officer is able to demonstrate that the driver's speed exceeded the prima facie speed limit by at least 15 miles per hour and the speed is greater than is reasonable and prudent having due regard for certain highway factors, or at a speed that endangers the safety of persons or property.	Yes	Referred to Senate Committee on Transportation and Housing. Last amended 4/16.
SB 902 (Padilla) Juvenile Justice Programs.	States the intent of the Legislature to increase funding for juvenile justice programs, such as the Supplemental Law Enforcement Services Fund which is allocated to counties and cities for, among other things, front line law enforcement services.	No	Pending referral to committee.
SB 987 (Romero) State Correctional System.	Adds Adult Correctional Health Care Services as a component of the Department of Corrections and Rehabilitation (DCR). Authorizes the Governor to appoint an additional Undersecretary of the DCR, and a Chief Deputy Secretary of Adult Correctional Health Care Services. Renames the Division of Correctional Health Care Services to the Division of Addiction and Recovery Services, and creates a new Division of Adult Correctional Health Care Services under the new Chief Deputy.	Yes	Referred to Assembly Committee on Appropriations. Last amended 5/2.
SB 989 (Ridley-Thomas) Criminal Street Gangs.	Amends existing law that defines a pattern of criminal gang activity to include the commission or attempted commission of a hate crime. Requires a defendant sentenced for crimes involving a pattern of criminal gang activity to attend classes or counseling sessions as a condition of probation or parole that deal with issues of racial and ethnic sensitivity, alternative nonviolent ways of resolving disputes, and anger management techniques.	Yes	Referred to Senate Committee on Public Safety. Last amended 4/12.
SB 1019 (Romero) Peace Officer Records: Confidentiality.	Provides, notwithstanding specified statutory provisions or the holding in a specified court action, any city, county, city and county, or other local government entity that employs or reviews disciplinary actions imposed upon peace officers, or any state agency or department, may elect through an ordinance, regulation or resolution to follow the practices of any local government entity that employs peace officers, or any state agency or department, with respect to the release of related information.	No	Referred to Assembly Committee on Public Safety. Last amended 6/20.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
2. Public Health And Safety (Includes fire protection, flood control, emergency services, healthcare, drug and alcohol programs.)			
AB 5 (Wolk) Flood Management.	Renames the Reclamation Board as the Central Valley Flood Protection Board, and requires the new board to work independently of the Department of Water Resources. Requires the department to prepare, and the board to adopt a schedule for mapping areas at risk of flooding in the Sacramento River and San Joaquin River draining and flood control system and report for the State Plan of Flood Control. Requires the local agency responsible for project levees to submit a report to the department.	Yes	Chapter 366, Statutes of 2007. (Signed by Governor 10/10.)
AB 113 (Beall) Hospitals: Reduction or Elimination of Medical Services.	Permits a county board of supervisors to designate a general acute care hospital located within the county that is not a county hospital, as an essential community facility in accordance with specified procedures. Requires the county to form a county essential community facilities committee to collect information and consider specified factors in assessing each hospital in the county. Requires that any facility that is designated as such facility, as a condition of licensure, to furnish a performance bond.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/18.
AB 156 (Laird) Flood Control.	Requires the Department of Water Resources to prepare, and the Reclamation Board to adopt, a schedule for mapping areas at risk of flooding in the Sacramento River and San Joaquin River drainage. Requires the department to notify each landowner whose property is within a levee flood protection zone. Authorizes the establishment of a program of mitigation banking for the activities of the board or the department.	Yes	Chapter 368, Statutes of 2007. (Signed by Governor 10/10.)
AB 162 (Wolk) Land Use: Water Supply.	Requires a city or county general plan land use element to identify and review those areas covered that are subject to flooding, as identified by floodplain mapping. Requires, upon the next revision of the housing element, the conservation element to identify rivers, creeks, streams, flood corridors, riparian habitat, and groundwater recharge and stormwater management. Requires the safety element to contain protection from unreasonable risks of flooding.	Yes	Chapter 369, Statutes of 2007. (Signed by Governor 10/10.)
AB 679 (Benoit) Illegal Dumping: Assessments.	Requires the court to impose an infraction or misdemeanor fine on violators for illegal dumping, in addition to any other penalty or fine. Requires that the money from the fines be deposited in the city's or county's general fund for use for illegal dumping enforcement.	No	Chapter 394, Statutes of 2007. (Signed by Governor 10/10.)
AB 759 (Karnette) Fire Protection: Residential Care Facilities.	Requires every residential care facility for the elderly that is licensed to care for not more than six residents, to have an approved, operable automatic fire sprinkler system. Requires the State Fire Marshal to adopt regulations to implement these provisions. Provides that if a facility does not own the property, the requirements do not apply until a specified date, at which time the landlord shall determine all phases of construction, and the facility shall pay all costs.	Yes	Referred to Senate Committee on Human Services. Last amended 6/1.
AB 960 (Hancock) Alcoholic Beverages: Licensing Restrictions.	Authorizes a county or city to provide for a reasonable amortization period and termination or imposition of conditions on legal nonconforming uses pursuant to a validly enacted zoning ordinance. Provides that these provisions apply to premises that had been used in the exercise of rights and privileges conferred by the retail license at a time prior to the effective date of the zoning ordinance that are located in areas of undue concentration.	Yes	Referred to Assembly Committee on Governmental Organization.
AB 1184 (Lieber) Closure of Agnews Developmental Center.	Amends the Lanterman Developmental Disabilities Services Act to require the Director of Developmental Services to establish an Agnews Developmental Center Transition Advisory Task Force as part of the Bay Area Management System, consisting of current and former residents of Agnews Developmental Center and their family members, for the purpose of monitoring community placements of transitioned consumers and making recommendations to the department, regional centers and the Legislature.	Yes	Vetoed by Governor 10/14.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1239 (Garrick) Property Taxation: Exclusion from Newly Constructed: Fire Safety Devices.	Provides that an exclusion from newly constructed for property tax purposes applies to the construction or installation, or for any fire sprinkler system, other fire extinguishing system, or fire detection system, in a new building. Provides for this exclusion and related improvements to a building that the owner-builder does not play to occupy. Provides that in a new, nonresidential building, the improvements eligible for exclusion apply to systems not required by the state fire code.	Yes	Referred to Senate Committee on Revenue and Taxation. Last amended 8/28.
AB 1467 (DeSaulnier) Worker Safety.	Removes the exemptions that permit smoking in specified bars, warehouses, hotel lobbies, employee break rooms, and meeting and banquet rooms, while retaining exemptions for other types of businesses. Prohibits smoking in specified owner-operated businesses regardless of whether or not they have employees.	Yes	Vetoed by Governor 10/14.
AB 1472 (Leno) Public Health: Healthy Places Act of 2008.	Establishes the California Healthy Places Act of 2008, to develop policies and practices which minimize unhealthy environmental practices and optimize healthful environments, with the goal of adapting environmental policy to the demands of population growth and modern living. Requires the Department of Public Health to form a working group to identify and evaluate evidence on best practices affecting environmental health. The findings of the workgroup would be shared with local governments by 2010 and would form the basis for guidelines for planning and development purposes.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 8/20.
AB 1476 (Hayashi) Office of Emergency Services: State Computer.	Requires the Office of Emergency Services to prepare and submit a report to the Legislature establishing an action plan to assist state and local governments in sharing information to achieve effective disaster response coordination.	Yes	Referred to Assembly Committee on Governmental Organization.
AB 1596 (Price) Department of Alcohol Beverage Control.	Requires the Department of Alcohol Beverage Control to prepare a report regarding enforcement staffing levels for district offices, including recommendations on funding levels necessary to support appropriate enforcement staffing levels.	Yes	Referred to Senate Committee on Appropriations. Last amended 7/17.
AB 1603 (Caballero) Emergency Services: Cities.	Provides that, notwithstanding any other provision of law or any prior statement of intent to not provide ambulance transportation service, any city, district, or other local government agency that currently provides paramedic service may elect to provide ambulance transportation service within its geographic jurisdiction, provided that this service complies with certain guidelines.	No	Referred to Assembly Committee on Health.
SB 7 (Oropeza) Smoking in Vehicles with Minor Passengers.	Makes it an infraction, punishable by a fine, for a person to smoke a pipe, cigar or cigarette in a motor vehicle, whether in motion or at rest, in which there is a minor. Requires a public education program regarding the dangers of secondhand smoke in confined places. Prohibits a law enforcement officer from stopping a vehicle for the sole purpose of determining whether the driver is in violation of anti-smoking provisions.	No	Chapter 425, Statutes of 2007. (Signed by Governor 10/10.)
SB 5 (Machado) Flood Management (Prop. 1E).	Requires the Department of Water Resources to prepare and adopt the Sacramento-San Joaquin River Flood Management Plan. Requires flood risks in approvals of projects in flood hazard zones. Requires local governments to amend their general plans. Requires the development of a funding mechanism for flood responsibilities, a cost-sharing formula for repairs and improvements to facilities, and emergency plans.	Yes	Chapter 364, Statutes of 2007. (Signed by Governor 10/10.)
SB 17 (Florez) Flood Protection.	Renames the Reclamation Board as the Central Valley Flood Protection Board, and requires the new board to work independently of the Department of Water Resources. Prohibits the department from overturning any action or decision by the board, and increases the membership of the board.	Yes	Chapter 365, Statutes of 2007. (Signed by Governor 10/10.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 34 (Torlakson) Sacramento-San Joaquin Delta: Strategic Planning (Prop. 1E).	Amends existing law that requires the Secretary of the Resources Agency to develop a strategic financing plan to achieve a sustainable Sacramento-San Joaquin Delta. Requires the strategic financing plan to include recommendations in accordance with a beneficiaries pay principle, as to persons and entities on which a fee would be imposed, and proposed fee categories, to create a dedicated revenue stream to pay for maintenance and improvements to delta levees, project levees, and the levee conveyance system.	Yes	Vetoed by Governor 10/13.
SB 275 (Cedillo) Health Facilities: Patient Transporting.	**Prohibits a general acute care hospital, acute psychiatric hospital or special hospital from causing a patient to be transported to a location other than the residence of the patient without the written consent of the patient, except when a patient is lawfully transferred to another health facility. Makes a violation subject to civil penalties, which would be used for transitional housing and mental health counseling for the homeless.**	**Yes**	**Vetoed by Governor 10/14.** **SUPPORT WITH AMENDMENTS.**
SB 323 (Kehoe) Telecommunications: Broadband Report.	Requires the Public Utilities Commission, by January 1, 2009, and by January 1 of each year through 2013, to report to the Legislature on the availability of two-way broadband telecommunications access in the state.	Yes	Referred to Assembly Committee on Utilities and Commerce.
SB 349 (Perata) Health Care Electronic Billing.	Requires that if a subscriber or enrollee of a health care service plan or a policyholder or insured of a health insurer does not consent to electronic billing, the plan or insurer shall provide a paper copy of any bill directed to that subscriber, policyholder or insured at no charge.	Yes	Pending referral to committee. Last amended 7/16.
SB 424 (Denham) Disaster Preparedness: Flood Management Projects.	Declares legislative intent to give fair and balanced consideration, consistent with the Disaster Preparedness and Flood Prevention Bond Act of 2006 and the state budget process, to all proposed flood management projects.	Yes	Failed Senate Appropriations Committee on 5/31. Last amended 4/30.
SB 426 (Kehoe) Emergency Services: Access and Functional Needs Coordination.	Requires the Director of Emergency Services to create the position of Deputy Director for Access and Functional Needs Coordination within the Office of Emergency Services, who shall be responsible for ensuring that access and functional needs are included in all state plans related to emergency preparedness and response activities for persons with functional limitations and disabilities.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 4/12.
SB 450 (Oropeza) Alcoholic Beverages: Licenses: Local Government Review: Signs.	Authorizes the Department of Alcoholic Beverage Control to extend the 30-day period for license transfer for a period not exceeding an additional 20 days if a proper written request is made by any entity or official receiving the required notification. Requires a licensee to display a sign stating the contact information for local law enforcement and the department's district office, for purposes of reporting potential violations by the licensee.	Yes	Failed Senate Governmental Organization Committee on 4/24.
SB 485 (Maldonado) Emergency Medical Services.	Relates to the Emergency Medical Services System and Prehospital Emergency Medical Care Personnel Act, which provides for the certification of emergency medical technicians through the issuance of certificates.	No	Pending referral to committee.
SB 490 (Alquist) Pupil Nutrition: Trans Fats.	Prohibits a school or school district, through a vending machine or food service establishment during school hours and up to ½ hour before and after school hours, from making available to pupils in K-12, a food containing artificial trans fat. Prohibits the use of artificial trans fat in the preparation of a food item served to those pupils. Excludes food provided as part of a USDA meal program.	Yes	Chapter 648, Statutes of 2007. (Signed by Governor 10/13.)
SB 624 (Padilla) Tobacco Products: Minors.	Relates to the Stop Tobacco Access to Kids Enforcement Act that prohibits the furnishing of tobacco products to, and the purchase of tobacco products by, a person under the age of 18, and requires the Department of Health Services to take primary responsibility for enforcement and to conduct random onsite sting inspections of retail stores, and the use of minors. Makes changes to the requirements for guideline provisions, including provisions relating to authorized state and local enforcement agencies.	Yes	Chapter 653, Statutes of 2007. (Signed by Governor 10/13.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 725 (Alquist) Agnews Developmental Center Closure: Outpatient Clinic.	Requires the Department of Developmental Services to continue to provide specialized health and dental services available through the outpatient clinic at Agnews Developmental Center after the center is closed, until the department is no longer responsible for the property. Provides for an orderly transition.	Yes	Referred to Assembly Committee on Appropriations. Last amended 7/5.
SB 793 (Harman) Public Swimming Pools.	Requires lifeguards at public swimming pools to possess, as minimum qualifications, current certificates from an American Red Cross or YMCA of the USA lifeguard training program, or to have equivalent qualifications and to have been trained to administer first aid. Makes conforming changes to the provisions relating to persons providing aquatic instruction.	Yes	Chapter 479, Statutes of 2007. (Signed by Governor 10/11.)
SB 839 (Calderon) Fireworks.	Makes it unlawful for a person to possess a specified amount of dangerous fireworks and provides penalties. Creates the Fire Marshal Fireworks Enforcement and Disposal Fund. Provides that 65% of the penalty imposed by deposited in the fund for use by the State Fire Marshal to enforce, prosecute, dispose of, and manage dangerous fireworks and to education public safety agencies. Provides that the remaining 35% shall remain with the public safety agency for specified expenses.	No	Chapter 563, Statutes of 2007. (Signed by Governor 10/12.)
SB 992 (Wiggins) Substance Abuse: Adult Recovery Facilities.	Requires the Department of Alcohol and Drug Programs to administer the licensure and regulation of adult recovery maintenance facilities. Requires the department to adopt emergency regulations to implement the fee process for initial licensure and other provisions for the extension of licensure.	Yes	Assembly Floor Inactive File. Last amended 9/5.
SB 1027 (Alquist) Developmental Disabilities.	Relates to administration and oversight of the state developmental centers and all allocation of funds to private nonprofit regional centers for community services and support to persons with developmental disabilities.	No	Pending referral to committee.

V. STRATEGIC SUPPORT

1. Elections, Political Reform, Officers, Conflict of Interest, Public Records.			
AB 404 (Ruskin) Political Reform Act of 1974: Disclosure.	Requires that an advertisement supporting or opposing a candidate, that is paid for by an independent expenditure, expressly state that it is not authorized by a candidate or candidate-controlled committee.	No	Chapter 495, Statutes of 2007. (Signed by Governor 10/11.)
AB 583 (Hancock) Political Reform Act: Clean Money and Fair Elections Act.	Enacts the Clean Money and Fair Elections Act. Authorizes eligible candidates to obtain public funds according to specified procedures and requirements, provided that certain thresholds are attained. Imposes primary responsibility for the administration of the provisions of the bill on the Fair Political Practices Commission. Creates the Clean Money Fund.	Yes	Referred to Senate Committee on Elections, Reapportionment and Constitutional Amendments. Last amended 6/4.
AB 1369 (Adams) Political Reform Act of 1974: Campaign Statements.	Requires clerks of cities and counties, who are filing officers for specified city and county elected officers, candidates and committees, to disclose on the Internet campaign statements of those filers.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/26.
AB 1430 (Garrick) Political Reform Act of 1974: Contributions.	**Amends the Political Reform Act of 1974 to provide that certain restrictions and limitations by a local jurisdiction on payments for a member communication by a political party conflict with provisions of the act and would be prohibited.**	**No**	**Chapter 708, Statutes of 2007.** **(Signed by Governor 10/14.)** **OPPOSE.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1654 (Huffman) Mail Ballot Elections: Statewide and Local.	Permits any election in a city, county or district to be conducted as an all-mailed ballot election if the governing body of a city, county or district, by resolution, authorizes the all-mailed ballot election and other conditions are met. Requires that all-mailed ballot elections be conducted in accordance with specified provisions that govern absentee voting, except to the extent those provisions are inconsistent with the bill.	Yes	Referred to Assembly Committee on Elections and Redistricting.
AB 1678 (DeLaTorre) Public Officials: Conflicts of Interest.	Amends existing law that provides members of the Legislature, and state, county, district, judicial district, and county officers or employees shall not be financially interested in any contract made by them in their official capacity, or by any body or board on which they are members. Provides applicable statute of limitations for an action under the provisions governing the avoidance of contracts in violation of existing law, after the plaintiff has discovered, or should have discovered, the violation.	No	Chapter 68, Statutes of 2007. (Signed by Governor 7/12.)
SB 144 (Senate Committee on Local Government) Local Government Omnibus Act.	Relates to corporations formed by local joint powers authorities, the board of trustees of a local library, the proper installation of high-pressure natural gas pipelines, filling a special district board vacancy, procedures for issuing state and local bonds, the storage of government documents in electronic format, the inventory of county property, the destruction of special local financial and electronic documents, local retail transactions and use taxation, property taxation, and county supervisors.	Yes	Chapter 343, Statutes of 2007. (Signed by Governor 10/8.)
SB 343 (Negrete McLeod) Local Agencies: Open Meetings: Documents.	Amends the Ralph M. Brown Act to provide that if a writing is a public record and it relates to an agenda item for an open session of a regular meeting of the legislative body of a local agency, and it is distributed less than 72 hours prior to that meeting, the writing shall be made available for public inspection at a public office or location the agency shall designate. Requires the office or location address to be on agendas for all meetings of the legislative body of the agency. Requires Internet posting.	No	Chapter 298, Statutes of 2007. (Signed by Governor 10/5.)
SB 964 (Romero) Local Agencies.	Relates to local agencies and open meetings. Provides that when the members of a local legislative body are authorized to access a writing of the body or of the agency in the performance of their duties, the local agency shall not discriminate between or among any of those members as to which writing or portion thereof is made available or when, and shall not charge any of those members a fee to inspect or obtain a copy of that writing. Establishes other prohibitions for local legislative bodies.	No	Vetoed by Governor 10/5.
SB 1019 (Romero) Peace Officer Records: Confidentiality.	Provides, notwithstanding specified statutory provisions or the holding in a specified court action, any city, county, city and county, or other local government entity that employs or reviews disciplinary actions imposed upon peace officers, or any state agency or department, may elect through an ordinance, regulation or resolution to follow the practices of any local government entity that employs peace officers, or any state agency or department, with respect to the release of related information.	No	Referred to Assembly Committee on Public Safety. Last amended 6/20.

2. Employer-Employee Relations (Includes, unemployment insurance, personnel, retirement and workers' compensation.)			
AB 8 (Nunez) Health Care.	Creates the Cooperative Health Insurance Purchasing Program as a statewide purchasing pool for health care coverage by employers. Requires employers to make health care expenditures equivalent to 7.5% at a minimum of the employer's total social security wages or, to elect to pay an employer fee of that equivalent amount. Expands the program to children eligible for Health Families and persons eligible for Medi-Cal. Requires guaranteed issue of individual health insurance and small employer coverage.	Yes	Vetoed by Governor 10/12.
AB 10 (De La Torre) Children's Hospital Bond Act of 2008.	Enacts the Children's Hospital Bond Act of 2008 which would authorize, for purposes of financing a specified children's hospital loan program for hospitals that qualifies for grants pursuant to this act, the issuance of bonds in an unspecified amount.	Yes	Senate Committee on Rules. Last amended 6/5.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 166 (Bass) Public Safety Personnel: Presumption: Infections.	Relates to existing law which defines injury in the case of state and local firefighting and law enforcement personnel, for purposes of workers' compensation. Expands the scope of this provision to include any methicillin resistant staphylococcus (MSRA) or Staph/MSRA skin infection.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/19.
AB 220 (Bass) Firefighters.	Enacts the Firefighters Procedural Bill of Rights Act to prescribe various rights of firefighters, defined as any firefighter employed by a public agency, including a firefighter who is a paramedic or emergency medical technician. Prescribes the rights related to, among others, political activity, interrogation, punitive action and administrative appeals, with specified requirements imposed upon the employing agency and a civil penalty for a violation.	Yes	Chapter 591, Statutes of 2007. (Signed by Governor 10/13.)
AB 275 (Soto) Public Employees: Retirement: Disability.	Relates to the Public Employees' Retirement Law which provides a formula for calculating the retirement allowance for a local safety member for industrial disability. Provides for a different method for calculating the disability retirement allowance of specified local safety members.	Yes	Referred to Assembly Committee on Public Employees, Retirement and Social Security.
AB 338 (Coto) Worker's Compensation: Temporary Disability.	Relates to workers' compensation law that prohibits aggregate disability payments for a single injury occurring on or after a specified date, causing temporary disability from extending for more than 104 compensable weeks within a period of two years from the date of commencement of payment. Increases, for a single injury occurring after a specified date, to five years from the date of injury, the period of time during which an employee can receive aggregate disability payments.	No	Chapter 595, Statutes of 2007. (Signed by Governor 10/13.)
AB 419 (Lieber) Workers' Compensation: Public Employee Leaves of Absence.	Relates to existing law which provides that whenever certain public employees who are members of the Public Employees' Retirement System or the L.A. City Retirement System or subject to the County Employees' Retirement Law are disabled, they shall become entitled to a leave of absence without loss of salary. Requires that these employees be employed on a regular, or full-time basis, and eliminates the requirement that these employees be members of the public employees, city or county requirement systems. Provides the leave of absence provisions do not apply to certain local employees.	Yes	Referred to Senate Committee on Appropriations. Last amended 8/20.
AB 553 (Hernandez) Public Employment Relations Board.	Provides that, under the Meyers-Milias-Brown Act, the Public Employment Relations Board is exclusively authorized to make a determination whether to seek from a court of competent jurisdiction injunctive relief involving or growing out of a strike, work stoppage, or lockout involving an employee organization and a public agency.	No	Vetoed by Governor 9/26.
AB 807 (Hancock) Workers' Compensation.	Relates to workers' compensation benefits. Removes existing limits for chiropractic treatment, occupational therapy treatment, and physical therapy treatment prescribed as follow-up care after surgery when that chiropractic treatment, occupational therapy treatment, or physical therapy treatment is prescribed in accordance with evidence-based medical treatment guidelines generally recognized by the national medical community.	No	Referred to Assembly Committee on Insurance. Last amended 4/10.
AB 1073 (Nava) Workers' Compensation.	Relates to workers' compensation system. Prohibits the limit on the number of chiropractic, occupational therapy, and physical therapy visits from applying to visits for post-surgical physical medicine and rehabilitative services.	No	Chapter 621, Statutes of 2007. (Signed by Governor 10/13.)
AB 1393 (Leno) Public Records.	Requires any state agency that publishes an Internet website to include on the homepage of that site specified information that is not exempt from disclosure under current law regarding how to contact the agency, how to request records, and a form for submitting online requests for records. Authorizes any person to bring an action to enforce the duty of a state agency to post this information.	Yes	Vetoed by Governor 10/11.
AB 1496 (Swanson) Local Government: Cities and Counties: Civil Service.	Requires any city or county, with exceptions, that adopts a civil service system or its equivalent to provide for the classification of all employment positions. Allows an exclusion from that classification requirement for substitute and short-term employees, and apprentices or professional experts employed on a temporary basis for a specific project. Requires the legislative body of a city or county to, at a public meeting, report on the specifics of that hiring and certify the ending date of service.	No	Referred to Senate Committee on Local Government. Last amended 5/24.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1636 (Mendoza) Workers' Compensation: Supplemental Job Benefits.	Relates to workers' compensation supplemental job displacement benefits in the form of an education-related retraining or skill enhancement. Requires a voucher for such retraining to become permanent under certain conditions. Requires the employer to increase the voucher amount if the disability percentage increases or to reissue the voucher in a lower amount if the disability percentage decreases. Provides no liability for such benefits if the employer offers modified work under specified conditions.	Yes	Vetoed by Governor 10/12.
SB 154 (Cedillo) Workers' Compensation: Temporary Disability.	Provides that the two-year limit on the payment of temporary disability under the existing workers' compensation law shall not apply to certain volunteer and paid law enforcement and firefighting employees.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31.
SB 352 (Padilla) Workers' Compensation: Medical Treatment.	Relates to medical treatment utilization schedules, to be provided to an injured employee. Exempts limits on chiropractic, occupational therapy and physical therapy visits for specified employees of a sheriff's office or police or fire department, peace officers and active firefighters.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31.
SB 557 (Wiggins) Workers' Compensation: Audiologists.	Includes doctors of audiology who meet specified requirements among those medical professionals who may be appointed by the Administrative Director of the Division of Workers' Compensation as a qualified medical evaluator in that specialty. Redefines physician for purposes of workers' compensation provisions to include a licensed audiologist.	Yes	Vetoed by Governor 10/13.
SB 726 (Alquist) Workers' Compensation: Benefits: Presumption.	Relates to workers' compensation law that provides, in the case of certain firefighting and law enforcement personnel, the term "injury" shall include, among other things, any blood-borne infectious disease that develops or manifests itself during a period while the member is in the service of the governmental entity, and establishes a disputable presumption in this regard. Provides that this definition of injury would apply to claims for benefits filed or pending on or after a specified date.	Yes	Pending referral to committee.
SB 746 (Yee) Insurance: State Compensation Insurance Fund.	Relates to existing law which provides that the Board of Directors of the State Compensation Insurance Fund is vested with full power, authority and jurisdiction over the fund and may perform all acts as if it were a private insurance carrier	No	Pending referral to committee.
SB 840 (Kuehl) Single-Payer Health Care Coverage.	Establishes the State Healthcare System. Makes all state residents eligible for specified health care benefits under the system, which would, on a single-payer basis, negotiate or set fees for health care services provided through the system and pay claims for those services. Provides an income eligibility factor. Creates the Healthcare Policy Board to establish policy on medical issues and various other matters relating to the system. Provides certain insurance fraud laws to providers under the system.	Yes	Referred to Assembly Committee on Appropriations. Last amended 7/10.
SB 936 (Perata) Workers' Compensation: Permanent Disability.	Relates to existing law that creates the Workers' Compensation System and requires the payment of disability benefits to eligible individuals for injuries sustained in the course of employment that caused permanent disability, and specifies that the amount of those payments be computed in accordance with a prescribed formula. Revises the formula for computing those payments for injuries causing permanent disability, which occur on or after a specified date.	No	Vetoed 10/12.
SB 942 (Migden) Workers' Compensation: Disability.	Provides that for injuries occurring on or after a specified date, if the injury causes a permanent partial disability and the injured employee does not return to work within a specified time frame, the employee shall be entitled to receive a supplemental job displacement benefit. Revises the amount the employee would be eligible to receive. Provides that the employer would not be liable for the supplemental benefit under certain conditions.	Yes	Vetoed 10/12.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
3. Fiscal Issues And Taxation.			
AB 83 (Lieber) Property Tax Administration: PARE Program.	Establishes the State-County Property Assessment and Revenue for Education Funding Program under which a county that enacts a specified resolution and meets certain conditions receives moneys for specified property tax administration purposes. Specifies that funds received under the program would be under the administrative control of the county auditor, but the county assessor would direct the expenditure of these funds. Provides a reduction in funding for failure to meet performance goals.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 8/27.
AB 193 (Assembly Committee on Budget) Transportation Revenues.	**Clarifies the general reporting requirements for the Local Streets and Roads program to be administered by the Department of Finance (DOF) and eliminates duplication of oversight provisions included in the Prop. 1B trailer bill, SB 88. Before a city can receive an allocation, a city must submit a list of projects to be funded to DOF who will report on a monthly basis to the State Controller which agencies have submitted project lists. The Controller will then allocate Prop. 1B funding directly to cities.**	**Yes**	**Chapter 313, Statutes of 2007. (Signed by Governor 10/8.)** **SUPPORT.**
AB 194 (Assembly Committee on Budget) Budget Act of 2007.	Amends and supplements the Budget Act of 2007 by revising items of appropriation for the State Department of Health Care Services, the Employment Development Department, Department of Parks and Recreation, State Department of Education, and the Board of Governor of the California Community Colleges.	Yes	Chapter 489, Statutes of 2007. (Signed by Governor 10/11.)
AB 196 (Assembly Committee on Budget) Transportation Bond Funds: Cities and Counties.	**Provides that the $950 million in Prop. 1B funds appropriated in 2007-08 from the $2 billion Local Streets and Roads Account. The bill allocates $550 million for cities and $400 million for counties. The remainder of the funds in the Local Streets and Roads Account will be subject to future appropriation. The City of San Jose is estimated to receive $15.7 million or $16.13 per capita in 2007-08. San Jose's remaining share is estimated to be $14.8 million for a future allocation determined by how efficiently the City uses the bond funds.**	**Yes**	**Chapter 314, Statutes of 2007. (Signed by Governor 10/8.)** **SUPPORT.**
AB 239 (DeSaulnier) Recording Fees: Contra Costa and San Mateo Counties.	**Authorizes the Contra Costa County and San Mateo County boards of supervisors to charge a flat fee for each document that is recorded, if the document is more than one page, for every real estate instrument, paper or notice required or permitted by law to be recorded. Requires the counties' boards of supervisors, if they charge this fee, to establish a fund which shall be used to assist in the development of affordable housing for extremely low-, very low-, low-, and moderate-income housing.**	**No**	**Referred to Senate Committee on Local Government.** **Last amended 4/30.** **WATCH.**
AB 274 (Coto) Taxation: Credit: Brownfield Cleanup.	Relates to the Personal Income and Corporation Tax Law and authorizes a credit against those taxes for a qualified “brownfield” property owner for each taxable year beginning on or after a specified date, in an amount equal to the costs paid or incurred to clean up a polluted brownfield property located in the state to a satisfactory level, as evidenced by a written certification of completion.	Yes	Referred to Assembly Committee on Revenue and Taxation. Last amended 3/15.
AB 373 (Wolk) Local Government: Mello-Roos Community Facilities Act.	Amends the Mello-Roos Community Facilities Act to include a statement of the priority that various kinds of public facilities have for financing recreational program services, library services, maintenance services for school sites and structures, and the operation and maintenance of museums and cultural facilities. Revises vote requirements to provide that a vote on a special tax to be levied on such services. Authorizes community facilities districts for lighting and open space.	No	Chapter 670, Statutes of 2007. (Signed by Governor 10/13.)
AB 779 (Jones) Personal Information: State Agencies and Businesses.	Amends existing law which imposes certain duties upon persons or businesses to destroy customer records, maintain security, disclose a breach of security, and provide information to a customer regarding disclosure of information to third parties. Prohibits a person, business or public agency that sells goods or services to any state resident and accepts a credit card, debit card or other payment device, from storing, retaining, sending or failing to limit access to related information.	Yes	Vetoed by Governor 10/13.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 826 (Levine) Telecommunications: Customer Service.	Requires the Public Utilities Commission to require a telephone corporation to provide additional customer services relating to bundled products and services, marketing, disclosure of charges, confirmation of orders, and description of service.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 5/1.
AB 831 (Parra) Tax Expenditures.	Relates to existing law that requires certain legislative measures to include specified information or meet specified requirements. Requires that any legislative measure creating a new tax expenditure, or extending the operation of an existing tax expenditure, shall provide for a repeal of the expenditure in a manner that reflects the needs and conditions of the proposed expenditure.	Yes	Referred to Senate Committee on Revenue and Taxation. Last amended 6/1.
AB 969 (Eng) Qualifying Use Tax Payment.	Recasts the provisions of existing law relating to use tax reporting on an income tax return. Requires every person subject to a qualified use tax to report and remit that tax on an acceptable tax return. Requires the Franchise Tax Board to revise the income tax form to enable a person to report and remit use tax.	Yes	Vetoed by Governor 10/14.
AB 1170 (Krekorian) State Mandates.	Requires the Commission on State Mandates to issue a decision upon a local agency or school district test claim no later than 36 months after the date the claim is filed, if the claim is filed on or after or no later than a specified date and requires a report. Deletes the provision that authorizes the Controller to commence an audit no later than three years from the date of the payment of the claim.	Yes	Referred to Senate Committee on Appropriations. Last amended 7/17.
AB 1208 (Silva) Improvement Districts.	Revises the limitation on the overlapping of business improvement districts to prohibit the overlapping of proposed and existing property assessment districts. Requires different provisions of existing law relating to notice and hearing procedures to be applied to new or increased property assessments and business assessments. Authorizes the initiation of proceedings to form a multifamily improvement district. Revises the notice and hearing procedures being applied to management district plan modifications.	No	Chapter 114, Statutes of 2007. (Signed by Governor 7/20.)
AB 1222 (Laird) State Mandates: Legislatively Determined Mandates.	**Establishes an alternative to the Commission on State Mandates' process for determining a mandate by authorizing the Department of Finance and local governments to seek a legislatively-determined mandate on statutes and executive orders by jointly developing a proposed amount of reimbursement and submitting the proposal to the Legislature. Such proposals may be submitted whether or not there is a test claim pending before the Commission. The Commission's one-year statute of limitations for filing a test claim would be tolled while the parties are pursuing a legislatively determined mandate. If the Legislature determines that local governments are entitled to be reimbursed by the state for mandated costs, it would adopt a proposed methodology and appropriate funds for the reimbursement or may suspend the operation of that statute or executive order until funds for that reimbursement are appropriated. If the proposal to enact a legislatively determined mandate fails, DOF would notify the Commission that the proposal failed to be enacted, the Commission would assume jurisdiction if a test claim or statewide cost estimate is pending on the same statutes and executive orders, and, if parameters and guidelines are pending and due for submission by the claimants, the 30-day deadline for submitting parameters and guidelines would begin on the date the Commission notifies the claimants that the proposal failed to be enacted.**	**Yes**	**Chapter 329, Statutes of 2007.** **(Signed by Governor 10/8.)** **SUPPORT.**
AB 1260 (Caballero) Local Government Taxes, Fees, Assessments: Changes.	Authorizes the local agency providing a property-related service to a parcel to provide the required notice of a proposed increase of an existing fee or charge in the agency's regular billing statement or any other mailing by the agency to the address at which the agency customarily mails the billing statement for a fee or charge. Authorizes the agency to provide the required notice of a proposed new fee or charge in a manner authorized for such notice to the address where the service is provided.	Yes	Chapter 280, Statutes of 2007. (Signed by Governor 10/5.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1285 (Parra) Taxation: Credits: Research and Development.	Relates to credits against the Personal Income Tax and Corporation Tax laws for increasing research expenses to provide complete conformity to the research credit and the alternative incremental credit allowed by federal income tax laws for only the amount paid or incurred by a taxpayer in connection with the qualified research to develop technologies that will reduce greenhouse gas emissions.	Yes	Referred to Assembly Committee on Revenue and Taxation. Last amended 4/10.
AB 1306 (Huff) Sales Taxes on Gasoline.	Reduces the portion of gasoline sales tax revenues that are deposited in the Public Transportation Account by eliminating what is commonly known as the spillover formula. Increases revenues from the sales tax on gasoline that are deposited in the General Fund and requires those revenues to be transferred to the Transportation Investment Fund.	Yes	Failed Assembly Transportation Committee on 4/23.
AB 1452 (Wolk) Wildlife Management Areas: Payments.	Requires the Department of Fish and Game to pay annually to the county in which the property is located an amount equal to the county taxes levied upon the property at the time title to the property was transferred to the state, and any assessments levied upon the property by an irrigation, drainage or reclamation district. Appropriates funds to the department to make payments to counties for outstanding obligations under these provisions.	Yes	Referred to Senate Committee on Rules. Last amended 8/27.
AB 1478 (Jeffries) Property Tax Losses Reserve Fund: Percentage Limits.	Authorizes counties to adopt an alternative method for the distribution of secured roll property tax levies. Requires counties to maintain the amount of the total delinquent secured taxes and assessments in the tax losses reserve fund. Allows counties to credit moneys to the county general fund whenever the reserve fund exceeds a percentage of the total delinquent secured taxes and assessments.	No	Referred to Assembly Committee on Local Government.
AB 1551 (Calderon) Sales Tax: Adult Entertainment Venue Impact Fund.	Imposes a tax on the gross receipts of an adult entertainment venue in the state at a specified rate. Provides the tax would be collected, administered and enforced in the same manner as the taxes imposed under the Sales and Use Tax Law. Creates the Adult Entertainment Venue Impact Fund to be used to ameliorate the secondary effects of adult entertainment venues. Imposes a tax on the total gross charges for pay-for-view viewing of adult entertainment movies with the moneys to go to the fund.	Yes	Referred to Assembly Committee on Revenue and Taxation. Last amended 6/27.
AB 1617 (DeSaulnier) Tobacco Products.	Amends the Cigarette and Tobacco Products Tax Law to require every distributor of tobacco products to pay taxes on the distribution of tobacco products. Repeals the face-to-face sale requirement for cigarettes, and the related tax reporting provisions. Repeals the prohibitions against distribution through the mail. Prohibits shipping or transporting of cigarettes to persons in the state. Clarifies that violators are subject to both criminal and civil liability. Amends the definition of bidis or beedies.	Yes	Vetoed by Governor 10/14.
SB 1 (Cedillo) Student Financial Aid: Dream Act.	Amends the Donahoe Higher Education Act to require the Trustees of the CA State University and the Board of Governors of the CA Community Colleges, and request the Regents of the University of CA, to establish procedures to enable persons who are exempt from paying nonresident tuition to be eligible to receive student aid awards from private entities that are administered by these segments. Requires community college districts to waive fees.	Yes	Vetoed by Governor 10/13.
SB 49 (Migden) Local Government: Financial Assistance: Sports Franchises.	**Prohibits a local agency or redevelopment agency from providing financial assistance to a sports stadium project that involves the relocation of a professional sports franchise from the territorial jurisdiction of one local agency to another within the same market area. Provides that this prohibition does not apply to local agency financial assistance in the construction of public improvements that serve all or a portion of the jurisdiction of the local agency.**	**No**	**Referred to Senate Committee on Local Government.** **Last amended 2/22.** **OPPOSE.**
SB 77 (Ducheny) Budget Act of 2007.	This is the main budget bill. For Prop. 1B implementation, allocates $600 million for local streets and roads; $193 million for school bus retrofits; $13.5 million for local bridge seismic retrofit; $122.5 million for high-priority grade separation projects; and $600 million for transit capital improvement projects. For Prop. 1C implementation, allocates $240 million for a variety of capital improvements to support infill development; $60 million for brownfield remediation; $95 million for transit-oriented development.	No	Chapter 171, Statutes of 2007. (Signed by Governor 8/24.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 78 (Ducheny) Budget Act of 2007.	Provides approximately $1.33 billion in appropriations below the level in SB 77 (Budget Conference Report). When combined with updated minor revenue estimates, the changes in this bill result in a final General Fund reserve of $3.4 billion, or approximately $1.3 billion better than the adjusted May Revise reserve.	No	Chapter 172, Statutes of 2007. (Signed by Governor 8/24.)
SB 79 (Senate Committee on Budget & Fiscal Review) Transportation.	Among other budget implementation provisions, contains various shifts in transit funding from the Public Transportation Account (PTA) to reduce state General Fund expenditures to close the 2007-08 state budget gap. Requires that starting in 2008-09 and beyond, all future "spillover" dollars derived from surpluses collected from the sales tax on gasoline would be divided in half, with 50% going to transportation expenditures that would otherwise be funded through the General Fund, and 50% to the PTA.	No	Chapter 173, Statutes of 2007. (Signed by Governor 8/24.)
SB 84 (Senate Committee on Budget & Fiscal Review) Human Services.	Makes statutory changes necessary to implement the Budget Act of 2007 relating to human services programs.	No	Chapter 177, Statutes of 2007. (Signed by Governor 8/24.)
SB 85 (Senate Committee on Budget & Fiscal Review) Environment.	Includes several reporting requirements related to the expenditure of Prop. 1E bond funds for levees, and limits local cost share requirements for the facilities part of the State Plan of Flood Control and specified urban areas. Requires state agencies to report on greenhouse gas emissions and makes numerous other changes affecting natural resources.	No	Chapter 178, Statutes of 2007. (Signed by Governor 8/24.)
SB 86 (Senate Committee on Budget & Fiscal Review) State Government.	This is the omnibus general government trailer bill for the Budget Act of 2007. For Prop. 1C implementation, appropriates $300 million out of the $850 million set aside in Prop. 1C for infill incentives; and provides funding criteria for the $60 million for brownfield remediation and the $240 million for infill development, both allocated in SB 77.	No	Chapter 179, Statutes of 2007. (Signed by Governor 8/24.)
SB 88 (Senate Committee on Budget & Fiscal Review) 2006 Bond Act Funding.	Enacts statutory changes necessary to implement the Budget Act of 2007 relating to Prop. 1B implementation, and allocates $350 million for local streets and roads, and allocation criteria for public transportation capital improvements.	No	Chapter 181, Statutes of 2007. (Signed by Governor 8/24.)
SB 100 (Ducheny) Budget Act of 2006.	Appropriates $140.547 million from the General Fund and $423,000 from non-governmental funds (Inmate Welfare Fund) for 2006-07 budget deficiencies related to caseload growth at the Department of Mental Health and the Department of Developmental Services; increased reimbursements and claims to the Office of Emergency Services; salary enhancements at the Department of Corrections and Rehabilitation for specified personnel pursuant to a court settlement; inmate population increases at CDCR; increased costs at the Department of Forestry and Fire Protection related to employee retirement; increased costs to the Department of Drug and Alcohol Programs associated with Drug Medi-Cal services; and increased salary costs to the Department of Mental Health resulting from providing salary parity to its clinicians located at specified prisons.	No	Chapter 71, Statutes of 2007. (Signed by Governor 7/17.)
SB 101 (Ducheny) Budget Act of 2006: Augmentation.	Appropriates $213,044,000 from various funds to augment appropriations in the 2006 Budget Act to address the following deficiencies: $5,583,000 for the Secretary of State for 2006 election costs; $44,320,000 to the Department of Corrections and Rehabilitation to implement Proposition 83 of 2006 (Jessica's Law) and to fund litigation compliance; $160,141,000 to the Department of Personnel Administration to cover arbitration settlement compensation issues with the California Correctional Peace Officers Association and other employee compensation costs; $3 million to the Department of Health Care Services to address a shortfall in the federal Citation Penalties Account within the licensing and certification program.	Yes	Chapter 10, Statutes of 2007. (Signed by Governor 6/5.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 264 (Alquist) Transactions and Use Taxes: Santa Clara Valley Transportation Authority.	**Authorizes the Santa Clara Valley Transportation Authority, if approved by 2/3 vote of the electorate, to adopt an ordinance to impose a transactions and use tax at a rate of 0.125 (1/8 cent), or a multiple thereof, for transit facilities and services. Limits the combined rate of all district taxes imposed in any county to 2%.**	**No**	**Chapter 430, Statutes of 2007. (Signed by Governor 10/10.)** **SUPPORT.**
SB 297 (Romero) Alcoholic Beverages Taxation.	Relates to taxes imposed in lieu of all county, municipal or district taxes on the sale of beer, wine or distilled spirits. Provides an exemption by authorizing the board of supervisors of a county, subject to conditions that include voter approval, to levy a tax on the privilege of consuming beer, wine and distilled spirits, purchased in a retail sale for consumption on the premises.	Yes	Referred to Senate Committees on Governmental Organization, and Revenue and Taxation.
SB 359 (Runner) Sales and Use Tax Exemptions: Corporation Tax.	Exempts from sales taxes, gross receipts in excess of $1.66 per gallon derived from the sale, storage, use or other consumption in this state of fuel and petroleum products sold to or purchased by an air common carrier on a domestic flight. Modifies the research tax credit under the Personal Income and Corporation Income tax laws. Relates to the apportionment of business income, and incorporation of state sales and use tax exemptions into local sales and use taxes.	Yes	Referred to Senate Committee on Revenue and Taxation. Last amended 5/14.
SB 360 (Negrete McLeod) Local Government: Capital Investment Incentive.	Repeals existing law authorizing the governing body of a county, city, or city and county to pay capital investment incentive amounts to a requesting proponent of a qualified manufacturing facility. Authorizes a city, special district, or school district to pay to the county, city, or city and county similar amounts.	No	Referred to Assembly Committee on Local Government.
SB 380 (Kehoe) Cable and Video Service.	Corrects several erroneous cross-references and makes other nonsubstantive changes to the Digital Infrastructure and Video Competition Act which establishes a procedure for the issuance of state franchises for the provision of video service, administered by the Public Utilities Commission.	No	Referred to Assembly Desk.
SB 445 (Torlakson) Road User Task Force.	Creates the Road User Task Force to hold public hearings around the state and to report on alternatives to the current system of taxing road users through per-gallon fuel taxes.	Yes	Referred to Assembly Committee on Transportation. Last amended 6/4.
SB 540 (Harman) Sales and Use Tax: Exemption: Fuels.	Provides that the terms, "sale price" and "gross receipts" do not include the amount of any state or federal fuel taxes. Provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions. Provides that the state shall not reimburse local agencies for lost sales and use tax revenues.	Yes	Referred to Senate Committee on Revenue and Taxation.
SB 559 (Kehoe) Property Taxation: Change in Ownership: Exclusion.	Excludes from the definition of change in ownership for property tax valuation, any transfer of property between registered domestic partners occurring within a specified time frame. Requires the assessor to reverse any reassessment for property that was transferred between these parties during that time if the transferee submits an application for reversal of that reassessment. Specifies when the reassessment reversal would apply. Authorizes a county to charge a fee for these reversals.	Yes	Chapter 555, Statutes of 2007. (Signed by Governor 10/12.)
SB 717 (Perata) Transportation Investment Fund.	Continues the Transportation Investment Fund in existence and specifies the use of revenues deposited in that fund from gasoline sales tax revenues subject to Article XIX B of the State Constitution, beginning in the 2008-09 fiscal year.	Yes	Chapter 733, Statutes of 2007. (Signed by Governor 10/14.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 730 (Florez) Gambling: Licenses.	Amends the Gambling Control Act, as it pertains to the licensing of certain gambling establishments. Requires certain persons employed in the operation of a gambling enterprise, known as key employees, to apply for and obtain a key employee license for a specified position. Deletes the requirement that licenses issued to key employees be for specified positions only and that those licenses be endorsed on the owner's license. Provides that a key employee license shall entitle the holder to work as a key employee in any key employee position at any gambling establishment.	Yes	Chapter 438, Statutes of 2007. (Signed by Governor 10/10.)
SB 1040 (Kehoe) Emergency Telephone Users Surcharge Act.	Expands the definition of a service supplier for purposes of the 911 Surcharge Act. Specifies that the act applies to VoIP service. Provides that the surcharge does not apply to customers whose primary place of service is outside the state. Specifies that charges not subject to the surcharge may be calculated by a service supplier based upon books and records kept in the regular course of business. Relates to calculating charges for the interstate revenue portion not subject to the surcharge.	No	Pending Concurrence in Assembly Amendments. Last amended 9/6.
SCA 5 (McClintock) State and Local Government Finance: Taxes.	Proposes an amendment to the State Constitution to establish a constitutional definition of a tax as any monetary exaction imposed by a governmental entity. Recasts the definition of a special tax. Conditions the imposition by the state or local government of a new tax, or a change in a tax, that increases the amount of any tax levied upon the approval of 2/3 membership of the governing body and voter approval. Prohibits a new tax without voter approval.	Yes	Referred to Senate Committees on Revenue and Taxation; Local Government; and Elections, Reapportionment and Constitutional Amendments. Last amended 6/5.
SCA 6 (McClintock) General Obligation Bonds: Proceeds of Sale.	Proposes an amendment to the State Constitution that requires proceeds from the sale of any general obligation bond approved by the voters for issuance be expended only for the costs of construction or acquisition of tangible physical property that has an expected useful life of at least equal to the length of time in which the bonds that are sold to finance that construction or acquisition will reach maturity.	Yes	Referred to Senate Committees on Governmental Organization, and Elections, Reapportionment and Constitutional Amendments.

4. Public Liability And Insurance.			
AB 70 (Jones) Flood Liability.	Provides that a city or county may be required to contribute its fair and reasonable share of the property damage caused by a flood to the extent that it has increased the state's exposure to liability for property damage by unreasonably approving new development in a previously undeveloped area that is protected by a state flood control project, unless the city or county meets specified requirements.	No	Chapter 367, Statutes of 2007. (Signed by Governor 10/10.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
5. Public Works And Infrastructure (Includes contracts.)			
AB 29 (Hancock) Infill Development: Incentive Grants (Prop. 1C).	Requires certain of the Housing and Emergency Shelter Trust Funds to be made available to the Department of Housing and Community Development for the purpose of making infrastructure grants for construction or acquisition of capital assets to qualifying cities, counties, and cities and counties. Requires a project to meet certain listed criteria in order to be eligible for grant funding.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 4/19.
AB 31 (De Leon) Park Development and Community Revitalization. (Prop. 84)	Changes the name of the Urban Park Act of 2006, to the Statewide Park Development and Community Revitalization Act of 2007. Provides that a city, district, joint powers authority, specified nonprofit organization, or county is authorized to apply for local assistance program grants. Replaces the term “heavily urbanized county" with “critically underserved community” and expands the definition to include a community with less than three acres of usable parkland per 1,000 residents or is a disadvantaged community and can demonstrate to the Department of Parks and Recreation that the community has insufficient or no park and recreation facilities. Revises the criteria for awarding grants and requires the department to adopt guidelines and technical assistance for grant applicants. Provides that funds under Prop. 84 and this bond act shall be distributed to counties based on population.	Yes	Referred to Senate Committee on Rules. Last amended 9/7.
AB 100 (Mullin) Kindergarten-University Public Education.	Enacts the Kindergarten-University Public Education Facilities Bond Act of 2008. Provides for the issuance of state general obligation bonds to provide aid to school districts, county superintendents of schools and county boards of education, the California Community Colleges, and the University of California to construct and modernize education facilities.	Yes	Referred to Assembly Committee on Education. Last amended 3/7.
AB 600 (Garcia) Housing: Homebuyer Assistance.	Changes the maximum amount of downpayment assistance available under the Building Equity and Growth in Neighborhoods Program to an amount to be set in the current notice of funding availability.	No	Referred to Assembly Committee on Rules. Last amended 4/23.
AB 655 (Swanson) Public Contracts: Bond Acts of 2006.	Provides that small business, microbusiness and nonsmall business contractors that submit bids in response to an awarding department's solicitation under the Bond Acts of 2006 shall be eligible for preferences if they commit to hiring at least 20% of their workforce from state residents who are currently eligible to receive, or are currently receiving, unemployment compensation benefits. Requires each department soliciting bids to submit a report to the Department of General Services.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 5/8.
AB 663 (Galgiani) Alcoholic Beverages: Advertising.	Adds an outdoor professional sports facility with a certain fixed seating capacity located in San Joaquin County to the provisions of existing law that provides an exemption for certain alcoholic beverage-related entities to purchase advertising space and time from, or on behalf of, an on-sale retail licensee, if the licensee is the owner, manager, agent of the owner, assigned of the owner's advertising rights, or major tenant of specified facilities in particular counties.	Yes	Chapter 745, Statutes of 2007. (Signed by Governor 10/14.)
AB 842 (Jones) Regional Plans: Traffic Reduction.	Requires the CA Transportation Commission to update its guidelines for the preparation of regional transportation plans, including a requirement that each regional transportation plan provide for a 10% reduction in the growth increment of vehicle miles traveled. Requires an unspecified sum to be made available, upon appropriation, from the Regional Planning, Housing, and Infill Incentive Account to the Department of Housing and Community Development to fund grants to assist agencies of local government in the planning and production of infill housing.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 4/23.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 900 (Solorio) Prisons: Construction.	Authorizes up to 40,000 new state prison beds, contingent upon significant program enhancements designed to reduce recidivism. Authorizes the Department of Corrections and Rehabilitation to temporarily house up to 8,000 inmates out-of-state until new construction is completed and the results of enhanced anti-recidivism programming impact the inmate population. Authorizes $6.1 billion in lease-revenue bond financing in three phases for the 40,000 new state prison beds. Authorizes $1.2 billion in bond financing in two phases for 13,000 county jail beds, subject to a 25% county match. Appropriates $300 million for infrastructure improvements at existing prisons, and $500 million for enhanced rehabilitation services.	Yes	Chapter 7, Statutes of 2007. (Signed by Governor 5/3.)
AB 997 (Arambula) Infill Capital Outlay Project and Planning Grants.	Requires the Department of Housing and Community Development to administer the Regional Planning, Housing and Infill Incentive Account. Requires specified amounts from the account to be available to fund grants to cities, counties, cities and counties, redevelopment agencies, incorporated mutual water companies, special districts, and nonprofit organizations for capital outlay projects that will serve development on land that meets the definition.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.
AB 1053 (Nunez) Regional Planning, Housing and Infill Incentive Account: Programs (Prop. 1C).	**The prior version of the bill provided statutory framework for expenditure of $850 million in the Regional Planning, Housing and Infill Incentive Account, and required appropriations from specified accounts for brownfield cleanup that promotes infill housing development and other related development, for qualifying infill infrastructure projects, for Multifamily Housing Program projects, and for the Workforce Housing Reward Program. Required funding to a city or county, or city and county, for housing development whose elements are likely to achieve a reduction of greenhouse gas emissions.** **As currently amended, the bill expands the definition of "eligible applicant" for purposes of the Infill Incentive Grant Program of 2007 to include a city, county, city and county, public housing authority, or redevelopment agency that has jurisdiction over a qualifying infill area and applies for funding jointly with an owners' association for a business or property improvement district that includes a qualifying infill area.**	**Yes**	**Chapter 692, Statutes of 2007. (Signed by Governor 10/14.)** **OPPOSE.**
AB 1091 (Bass) Transit-Oriented Development Implementation Program (Prop. 1C).	Requires the Department of Housing and Community Development to establish guidelines for the distribution of $300 million, made available under the Transit-Oriented Development Implementation Program, based on certain criteria relating to providing multiple benefits, coordinating funding from sources other than bond funds derived under the Housing and Emergency Shelter Trust Fund Act of 2006. Authorizes financial assistance to specified entities for housing developments that are located within ½ mile of a transit station via a readily walkable route. The budget appropriates $95 million for transit-oriented development in 2007-08.	Yes	Vetoed by Governor 10/12.
AB 1231 (Garcia) Infill Development: Incentive Grants (Prop. 1C).	Requires the Department of Housing and Community Development to use funds allocated from the Regional Planning, Housing and Infill Incentive Account to make infrastructure grants for construction or acquisition of capital assets to qualifying cities, counties and cities and counties. Requires the grants to be used for infrastructure that is directly related to identified infill housing projects.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1252 (Caballero) Housing-Related Parks Program (Prop. 1C). (Gut and amended on 9/7 to now relate to Statewide Park Development and Community Revitalization Act of 2007 [Prop. 84].)	**The prior version of the bill established the Housing-Related Parks Program under Prop. 1C, and required the Department of Housing and Community Development to use the $200 million in funds from the Housing Urban-Suburban-and-Rural Parks Account, to provide grants for the creation, development or rehabilitation of community or neighborhood parks to cities and counties that meet certain criteria and issue building permits for housing developments consisting of newly constructed housing units that are affordable to low- or very low-income households.** **As currently amended, the bill relates to the Statewide Park Development and Community Revitalization Act of 2007 and specifies the procedure and criteria for awarding Prop. 84 grants.**	**Yes**	**Senate Floor.** **Last amended 9/7.** **SUPPORT WITH AMENDMENTS.**
AB 1253 (Caballero) Sustainable Communities and Greening: Grant Programs (Prop. 84). (Gut and amended on 9/7 – now relates to Salinas Valley State Prison Wastewater Treatment Plant.)	The previous version of the bill created the Sustainable Communities and Urban Greening Fund and the Integrated Sustainable Planning Implementation Council to develop and administer programs to award grants and loans to improve the sustainability and livability of communities through development of green infrastructure. Required the council to create the Planning Revolving Loan Program for the purpose of distributing the $180 million in Prop. 84 funds to eligible planning projects to encourage the development of regional and local land use plans that are designed to promote water conservation, reduce automobile use and fuel consumption, encourage greater infill and compact development, protect natural resources and agricultural lands, and revitalize urban and community centers. Included $90 million for planning grants, incentives and loans, and $90 million for grants for urban greening projects. As currently amended, the bill makes legislative findings and declarations relating to the wastewater treatment situation in the City of Soledad and the Salinas Valley State Prison.	Yes	Chapter 695, Statutes of 2007. (Signed by Governor 10/14.)
AB 1261 (Caballero) Infrastructure Financing.	Authorizes a local government agency to enter into an agreement with a private entity for financing for specified types of revenue-generating infrastructure projects. Requires an agreement to include adequate financial resources to perform the agreement. Permits the agreements to lease, license or provide other permitted uses by the agency to extend for a term of up to 50 years, after which time the project would revert to the agency.	Yes	Referred to Senate Committee on Appropriations. Last amended 8/20.
AB 1315 (Ruskin) Bond Funds: Housing and Emergency Shelter Trust Fund Act: Park Projects.	Relates to the Housing and Emergency Shelter Trust Fund Act to provide that in implementing the act, priority shall be given to park projects around transportation hubs and train stations, projects connecting infill development and schools, projects mitigating traffic on school routes, and projects connecting urban areas with open-space parks and trails.	Yes	Referred to Assembly Committees on Water, Parks and Wildlife, and Housing and Community Development. Last amended 4/16.
AB 1340 (Jones) Safe and Secure Court Facility Bond Act of 2008.	Enacts the Safe and Secure Court Facility Bond Act of 2008, which would authorize the issuance of $2 billion in bonds, the proceeds of which would be deposited in the 2008 Safe and Secure Court Facility Bond Act Fund for specified purposes related to the acquisition, design, construction, or renovation of court facilities.	Yes	Referred to Assembly Committee on Judiciary.
AB 1351 (Levine) Transportation: State Local Partnerships (Prop. 1B).	Amends the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006. States the intent of the Legislature to appropriate a specified amount of funds for the State-Local Partnership Program for funding transportation projects for a specified period. Defines local funds under the program relating to a local match as revenues from any locally imposed transportation related sales tax. Requires certain related reports.	Yes	Referred to Senate Committee on Appropriations. Last amended 7/12.
AB 1460 (Saldana) Multifamily Housing Program: Project Prioritization.	**Requires the Department of Housing and Community Development to award reasonable priority points for projects to prioritize sustainable building methods established in accordance with certain criteria listed under state regulations relating to federal and state low-income housing tax credits.**	**Yes**	**Chapter 710, Statutes of 2007.** **(Signed by Governor 10/14.)** **SUPPORT.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1489 (Huffman) Resource Bond Funds: Regional Water Management Plans (Prop. 84).	Relates to the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Bond Act of 2006. Declares legislative intent to implement Prop. 84, which provides $5.4 billion, in an integrated manner that increases public benefit, reduces greenhouse gas emissions to the extent feasible, improves adaptability to predicted climate change impacts, and provides tangible benefits to disadvantaged communities whenever possible. Requires the Department of Public Health to provide grants to regional water quality control boards to identify sources of groundwater contamination, develop a plan to achieve drinking water quality objectives relating to groundwater, and identify funding priorities for groundwater grants. Requires the Department of Water Resources to provide grants to local public agencies for the development and implementation of integrated regional water management plans with broad and diverse participation.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 8/20.
AB 1493 (Saldana) Affordable Housing Innovation Fund.	Requires that $20 million from the funds in the Affordable Housing Innovation Fund be used for the purpose of making matching grants under the Local Housing Trust Fund Matching Grant Program to cities and counties, or a city and county, and existing charitable nonprofit organizations that have created, funded and operated housing trust funds.	Yes	Referred to Assembly Committees on Housing and Community Development, and Local Government.
AB 1647 (DeLaTorre) Video Service: Customer Service Standards.	Requires the Public Utilities Commission to open a rulemaking or other appropriate proceeding and, in consultation with local entities, to adopt customer service standards for video service providers that ensure capable and responsive customer service.	Yes	Referred to Assembly Committee on Utilities and Commerce.
SB 5 (Machado) Flood Management (Prop. 1E).	Requires the Department of Water Resources to prepare and adopt the Sacramento-San Joaquin River Flood Management Plan. Requires flood risks in approvals of projects in flood hazard zones. Requires local governments to amend their general plans. Requires the development of a funding mechanism for flood responsibilities, a cost-sharing formula for repairs and improvements to facilities, and emergency plans.	Yes	Chapter 364, Statutes of 2007. (Signed by Governor 10/10.)
SB 9 (Lowenthal) Trade Corridor Improvement: Transportation Project Selection (Prop. 1B).	Establishes a process by which the CA Transportation Commission selects and funds projects using the $2 billion in Prop. 1B transportation bonds earmarked for projects that reduce congestion and emissions of air pollutants and carbon dioxide along trade corridors in California and that provide at least a 50% match in funds from other sources. Establishes priority to projects that achieve the greatest emission reduction benefits in the most cost-effective manner.	Yes	Referred to Assembly Committee on Appropriations. Last amended 8/20.
SB 19 (Lowenthal) Trade Corridors: Projects to Reduce Emissions: Funding (Prop. 1B).	Relates to the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006. Requires the Air Resources Board to implement the Goods Movement Emission Reduction Program and to adopt guidelines and funding criteria for the program. Creates eligibility requirement for funding pursuant to this program. Creates the Goods Movement Reduction Fund to be funded with bond proceeds.	Yes	Referred to Assembly Committee on Appropriations. Last amended 7/17.
SB 27 (Simitian) Sacramento-San Joaquin River Delta Clean Drinking Water, Water Supply Security, and Environmental Improvement Act of 2008.	Requires the Secretary of the Resources Agency to begin implementing certain actions on behalf of the Sacramento-San Joaquin River Delta, including investment in emergency preparedness, funding projects to aid sustainability in the Delta, identifying critical levees to be strengthened, and commencing Delta restoration projects. Declares legislation intent to enact legislation to begin implementing a program for sustainable management of the Delta in 2008.	Yes	Referred to Assembly Committee on Water, Parks and Wildlife. Last amended 4/24.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 34 (Torlakson) Sacramento-San Joaquin Delta: Strategic Planning (Prop. 1E).	Amends existing law that requires the Secretary of the Resources Agency to develop a strategic financing plan to achieve a sustainable Sacramento-San Joaquin Delta. Requires the strategic financing plan to include recommendations in accordance with a beneficiaries pay principle, as to persons and entities on which a fee would be imposed, and proposed fee categories, to create a dedicated revenue stream to pay for maintenance and improvements to delta levees, project levees, and the levee conveyance system.	Yes	Vetoed by Governor 10/13.
SB 46 (Perata) Regional Planning, Housing and Infill Incentive Account (Prop. 1C).	**Provides statutory framework for expenditure of $850 million in the Regional Planning, Housing and Infill Incentive Account. Authorizes bonds to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. Establishes a competitive grant program for infill housing development and infrastructure needs. Establishes a competitive grant program for infill housing development and infrastructure needs. Requires the Pollution Control Financing Authority to allocate funds to infill projects. Funding is subject to State budget appropriation.**	**Yes**	**Referred to Senate Committee on Appropriations.** **Last amended 7/16.** **SUPPORT WITH AMENDMENTS.**
SB 47 (Perata) Transportation Bonds.	States the intent of the Legislature to enact provisions governing project eligibility, matching fund requirements, and the application process relative to allocation of bond proceeds of the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, to the State-Local Partnership Program.	No	Pending referral to committee.
SB 59 (Cogdill) Reliable Water Supply Bond Act of 2008.	Enacts the Reliable Water Supply Bond Act which, if approved by the voters, would authorize, for purposes of financing a water supply program, the issuance of $3.95 billion in bonds.	Yes	Referred to Senate Committee on Natural Resources and Water.
SB 156 (Simitian) Reading and Literacy Improvement and Public Library Construction and Renovation Bond Act.	Enacts the Reading and Literacy Improvement and Public Library Construction and Renovation Bond Act of 2008. Authorizes the issuance of $4 billion in bonds, if approved by voters, for the purpose of financing library construction and renovation pursuant to a program administered by the State Librarian.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 5/24.
SB 167 (Negrete McLeod) General Plans: Planning Grants and Incentives (Prop. 84).	Requires the Governor's Office of Planning and Research to award grants and loans to cities and counties to prepare and adopt general plans, habitat conservation plans, zoning ordinances, design standards, regional blueprint projects, and municipal service reviews, including the costs of complying with CEQA. Appropriates $1 million from the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Fund of 2006 for the 2007-08 fiscal year.	Yes	Referred to Senate Committee on Appropriations Suspense File. Last amended 6/4.
SB 233 (Cox) Public Contracts: Design-Build Contracting.	Amends existing law that specifies procedures of public entities in soliciting bids and awarding contracts for the erection, construction, alteration, repair or improvement of any public structure, building, road or other public improvement. Authorizes certain counties to enter into specified design-build contracts for construction projects and defines a project. Changes the definition of project to mean the construction directly related to the construction of a building and wastewater facilities.	No	Chapter 584, Statutes of 2007. (Signed by Governor 10/13.)
SB 286 (Dutton) Transportation Bonds Implementation (Prop. 1B). (See AB 196.)	**Requires the first payments of Proposition 1B $2 billion in funds for the Local Streets and Roads program to be allocated by the Controller. Requires the Controller to use certain population figures in making allocations to cities. Requires an applicant for funds to submit a list of projects expected to be funded to the Department of Transportation. Requires the funds to be allocated within three fiscal years of the date of the allocation, and requires return of unallocated funds. The State Budget includes $950 million in 2007-08, with $550 million for cities and $400 million for counties. The City of San Jose is estimated to receive $15.7 million in 2007-08.**	**Yes**	**Referred to Assembly Committee on Appropriations.** **Last amended 7/16.** **SUPPORT.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 378 (Steinberg) Disaster Preparedness and Flood Prevention Act. (Prop. 1E)	Requires the Department of Water Resources, when evaluating levees and facilities, to include an evaluation of the risk of the levees and facilities due to a seismic event and to give priority to projects that would reduce the risk of flooding and the needs of disadvantaged communities. Requires a bond funds grant program for existing or new levees that are part of the state plan of flood control to comply with specified requirements. Funding is subject to State budget appropriation.	Yes	Referred to Assembly Committee on Water, Parks and Wildlife. Last amended 6/4.
SB 465 (Lowenthal) Housing: Grant and Loan Programs (Prop. 1C).	Expands the definition of "eligible applicant" for purposes of the Infill Incentive Grant Program of 2007 to include an owners' association for a business or property improvement district that includes a qualifying infill area, jointly with a city, county, city and county, public housing authority, or redevelopment agency. Requires HCD to make loans for the development and construction of housing developments that are located within ½ mile of a transit station by way of a readily walkable route.	Yes	Assembly Floor. Last amended 9/11.
SB 546 (Ducheny) Department of Housing and Community Development: Funds.	Requires a specified report by the Department of Housing and Community Development to include information relating to the programs funded under the Housing and Emergency Shelter Trust Fund Act of 2002 and the Housing and Emergency Shelter Trust Fund Act of 2006. Funding is subject to State budget appropriation.	Yes	Assembly Floor Inactive File. Last amended 6/25.
SB 567 (Aanestad) State Property.	Authorizes the Director of General Services to sell, exchange or lease for fair market value upon those terms and conditions determined by the director, six specified parcels of state property. Provides that net proceeds of the conveyance would be paid into the Deficit Recovery Bond Retirement Sinking Fund Subaccount. Requires reimbursement to the Department of General Services for any cost or expense incurred in the disposition of the property from the net proceeds of the disposition.	Yes	Senate Floor Inactive File. Last amended 7/17.
SB 586 (Dutton) Affordable Housing Innovation Fund (Prop. 1C).	**Allocates the $100 million Affordable Housing Innovation Fund created by Prop. 1C. Provides $50 million for the Revolving Development and Acquisition Program; $35 million for the Local Housing Trust matching grant program; $10 million for the Innovative Homeownership Program; and $5 million for the Construction Liability Insurance Reform Pilot Program. Funding is subject to State budget appropriation.**	**Yes**	**Chapter 652, Statutes of 2007. (Signed by Governor 10/13.)** **OPPOSE UNLESS AMENDED.**
SB 619 (Migden) Public Contracts: Retention Proceeds.	Provides that the percentage of retention proceeds between a contractor and subcontractor may not exceed a percentage of the payment. Requires the Department of General Services to withhold a percentage of the contract price until final completion and acceptance of the project. Includes state universities.	No	Assembly Floor Inactive File. Last amended 3/29.
SB 732 (Steinberg) Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2006. (Prop. 84)	**Requires state departments that are to implement the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act to develop and adopt guidelines and regulations. Provides $580 million in Prop. 84 funds for nature education and research facilities, reports regarding grant recipients, investor-owned utilities, and the funding of integrated regional water management plan projects or programs. Creates the Sustainable Communities Council and Fund to align transportation funds with regional strategies to reduce vehicular miles traveled and reliance on automobile use. Funding is subject to State budget appropriation.**	**Yes**	**Assembly Floor Inactive File.** **Last amended 9/7.** **OPPOSE.**
SB 748 (Corbett) Transportation: State-Local Partnerships (Prop. 1B).	**Requires the CA Transportation Commission to adopt guidelines for the expenditure of $1 billion in State-Local Partnership Program funds. Defines eligible local matching funds under the program for purposes of the required dollar-for-dollar match. Establishes an application procedure to nominate projects. Limits the amount of funding for a single project in a funding cycle. Describes the categories or projects that may be funded through the program. Establishes timelines for expenditure of funds.**	**Yes**	**Referred to Assembly Committee on Appropriations Suspense File.** **Last amended 7/12.** **SUPPORT WITH AMENDMENTS.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 757 (Ridley-Thomas) Telecommunications: CA Teleconnect Fund Administrative Committee Fund: Grant Programs.	Authorizes the Public Utilities Commission to establish a Community-Based Supplemental Education Demonstration Grant Program and a Telemedicine Demonstration Grant Program for the purpose of providing advanced telecommunications network services to community technology programs, to public libraries that deliver supplemental education services to pupils, and to health care facilities that provide telemedicine services.	Yes	Referred to Senate Committee on Energy, Utilities and Communications.
SB 780 (Wiggins) Telecommunications: Rates.	Requires a carrier of last resort to offer the same rates, terms and conditions for telecommunications services to all subscribers in all geographical areas in the carrier's service territory. Requires the Public Utilities Commission to consider the need for appropriate levels of support through the CHCF-A and CHCF-B to further this policy.	Yes	Referred to Senate Committee on Energy, Utilities and Communications. Last amended 4/9.
SB 784 (Torlakson) State General Obligation Bond Law: Reports.	Establishes new reporting and audit provisions applicable to general obligation bonds authorized on or after a specified date, in order to ensure maximum transparency and accountability regarding the expenditure of bond funds. Requires each department of agency responsible for a bond funded project to submit to various entities, specified information about the plans, progress and completion of the project. Requires this information to be made available online in a searchable format, and updated.	Yes	Referred to Assembly Committee on Appropriations. Last amended 6/4.
SB 818 (Negrete McLeod) Correctional Facilities.	States findings and declarations of the Legislature relative to the need for rehabilitation of inmates in state prison. Expresses the intent of the Legislature to enact legislation to fund the construction of rehabilitation programming facilities that would be operated by the Department of Corrections and Rehabilitation.	Yes	Referred to Senate Committee on Appropriations. Last amended 4/26.
SB 831 (Lowenthal) Billing: Mobile Telephony Service.	Authorizes a telecommunications subscriber to present a billing entity with evidence to rebut any prima facie evidence that a direct dialed telecommunications service was authorized, including evidence that a call was dialed using a lost or stolen device. Requires an entity that provides a telecommunications bill to include a statement of these rights. Requires providers of mobile telephony service to extend to new customers a grace period during which the customer may rescind the agreement, without cost or penalty.	No	Failed passage on Senate Floor on 6/7. Last amended 5/22.
SB 935 (Perata) Public Works: Utility Workers: Wage Protection.	Specifies that a public utility, defined as a public entity for limited purposes, must require the payment bond of its contractors and must submit copies of those payment bonds to the Public Utilities Commission or any worker or member of the public. Declares the intent of the Legislature to extend the protections offered to workers employed on public works projects to workers employed on construction projects for public utilities.	Yes	Referred to Senate Committee on Labor and Industrial Relations.
SB 1002 (Perata) Water Quality, Flood Control, Water Storage and Wildlife Preservation. (Props. 1E and 84)	**Appropriates $610.9 million in Prop. 1E and Prop. 84 bond funding for a variety of programs relating to flood management, groundwater recharge, drinking water quality, water recycling and conservation, and water contaminant and salt removal technologies. Funding is subject to State budget appropriation.**	**Yes**	**Vetoed by Governor 10/14.** **WATCH.**
SB 1013 (Padilla) Telecommunications: Universal Service.	Requires the Public Utilities Commission to annually designate a class of lifeline service, including broadband service, necessary to meet minimum residential communications needs, including the ability to originate and receive calls and the ability to access electronic information services at reasonable download and upload speeds.	Yes	Referred to Senate Committee on Energy, Utilities and Communications.
SB 1024 (Kehoe) Telecommunications: Emergency Telephone Users.	Expands the definition of a service supplier for purposes of the 911 Surcharge Act to include any person supplying Voice over Internet Protocol (VoIP) service capable of originating a 911 emergency call from any service user in the state. Specifies that the act applies to VoIP service but would provide that the surcharge does not apply to customers whose primary place of using the services is outside the state. States the intent of the Legislature to ensure that all forms of telephone quality communications contribute.	Yes	Referred to Senate Committee on Revenue and Taxation. Last amended 5/3.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SCA 2 (Simitian) Clean Drinking Water, Water Supply Security, and Environmental Improvement Bond Act of 2007.	Proposes a constitutional amendment that would establish requirements for the amendment or repeal of a bond measure designated as the "Clean Drinking Water, Water Supply Security, and Environmental Improvement Bond Act of 2007," to be submitted to the voters at an unspecified election.	No	Referred to Senate Committees on Natural Resources and Water; Elections, Reapportionment and Constitutional Amendments; and Appropriations.
SCA 12 (Torlakson) Local Government: Property-Related Fees.	Proposes a constitutional amendment to exclude fees and charges for stormwater and urban runoff management from the 2/3 voter approval of voters residing in the area affected by the fee or charge requirements for the imposition or increase of a property-related fee or charge.	No	Senate Floor. Last amended 6/18.

VI. TRANSPORTATION AND AVIATION SERVICES

1. Transportation And Vehicles.			
AB 57 (Soto) Highways: Federal Funds: Safe Routes to School.	**Deletes the sunset date and extends indefinitely the Safe Routes to School program and requires any annual budget allocation to fund grants under this program, in addition to available federal funding. Authorizes state and local entities to secure and expend federal funds appropriated under the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users for programs relating to highway safety improvements that can reduce the number of fatal and serious injury accidents. Requires the Department of Transportation to administer the Safe Routes to School program and to distribute any federal funds under the competitive grant process.**	**Yes**	**Chapter 673, Statutes of 2007. (Signed by Governor 10/14.)** **SUPPORT.**
AB 117 (Beall) Traffic Offenses: Additional Assessment: Traffic Safety.	Authorizes Santa Clara County to impose an additional assessment of $2 for every $10 on each base fine for any Vehicle Code violation, to be used for programs that increase local traffic safety. Requires the collected assessments be deposited in a Traffic Safety Committee Network Fund.	No	Referred to Senate Committee on Public Safety. Last amended 3/22.
AB 138 (Bass) Vehicles: Veterans: Parking.	Authorizes veterans displaying special license plates on the vehicles to park without charge in a state or local authority parking facility, a parking space in a time restricted zone of one hour or more, or a metered parking space.	Yes	Referred to Senate Committee on Appropriations. Last amended 6/1.
AB 217 (Beall) Vehicle License Fee and Registration: Biennial Payments.	Amends the Vehicle License Fee Law which establishes, in lieu of any ad valorem property tax upon vehicles, an annual license fee for any vehicle subject to registration in this state in the amount of .065% of the market value of that vehicle. Requires payment of such fee on a biennial basis. Requires the Director of the Department of Motor Vehicles to establish a biennial vehicle registration period.	Yes	Referred to Assembly Committee on Revenue and Taxation. Last amended 4/9.
AB 321 (Nava) Vehicles: Prima Facie Speed Limits: Schools.	Establishes, in a residential district on a specified highway, a 15 mile per hour prima facie limit when approaching, at a distance of less than 500 feet, or passing a school building or the grounds thereof, contiguous to a highway and posted with a school warning sign that indicates a speed limit of 15 miles per hour, while children are going or leaving the school, either during school hours or during the noon recess period. Allows a city or county to establish such limit. Also provides for a similar 25 mile per hour speed limit in near schools.	Yes	Chapter 384, Statutes of 2007. (Signed by Governor 10/10.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 401 (Benoit) Traffic Congestion Relief Program.	Authorizes the Governor to declare a transportation infrastructure emergency to relieve traffic congestion on any specific highway or segment of a highway for which the Department of Transportation has determined that the average daily vehicle hours of delay exceeds a certain amount. Provides for the Governor to direct the department to immediately create and implement an expedited process and establish deadlines for the construction of new highways or additional lanes on existing highways.	Yes	Referred to Assembly Committee on Transportation. Last amended 4/10.
AB 412 (Smyth) Transportation: Project Deadlines.	Requires each agency designated by the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 to allocate bond funds to establish guidelines that specify deadlines for commencing construction or implementation for each program it administers under the bond act.	Yes	Referred to Assembly Committee on Transportation. Last amended 3/26.
AB 444 (Hancock) Congestion Management: Vehicle Registration Fees.	Authorizes the county congestion management agency in the counties of Alameda, Contra Costa, Marin, Santa Clara, and Solano to impose an annual fee, up to $10 per vehicle, on motor vehicles registered within the county for programs and projects for certain purposes, and requires voter approval of the measure. Requires the Department of Motor Vehicles, if requested, to collect and distribute the fee to the agency. Provides that the fees may be used only for programs and projects bearing a benefit to the vehicle owners paying the fee.	Yes	Referred to Senate Committee on Revenue and Taxation. Last amended 6/28.
AB 478 (Wolk) Vehicles: Bicycle Safety.	Expands the places where the operator of a bicycle is required to use an illuminated lamp and certain specified reflecting devices to include sidewalks where bicycle operation is not prohibited by the local jurisdiction and bikeways. Modifies the requirement that the operator of a bicycle have reflectors on each pedal to include the option of having reflectors on his or her shoes or ankles.	Yes	Chapter 232, Statutes of 2007. (Signed by Governor 9/26.)
AB 574 (Torrico) High Occupancy Toll (HOT) Lanes.	Authorizes the San Diego Association of Governments' high-occupancy toll land program to operate indefinitely. Authorizes the HOT lane program in Santa Clara County to operate indefinitely, and authorizes the issuance of bonds by the Santa Clara Valley Transportation Authority. Authorize the administering agency to issue bonds, refunding bonds or bond notes relative to HOT lanes construction under the programs.	Yes	Chapter 498, Statutes of 2007. (Signed by Governor 10/11.)
AB 575 (Arambula) Highway Safety, Traffic Reduction: Emission Reductions.	Relates to the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006 that provides that $1 billion of the total $19.925 in bond funds be appropriated to the State Air Resources Board for emission reductions. Requires the ARB to develop guidelines and allocate funds on a competitive basis for projects and measures that are shown to achieve the greatest emission reductions from activities related to freight movement along California's trade corridors.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 5/1.
AB 620 (Portantino) Transportation Bonds (Prop. 1B).	Amends the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 to require the CA Transportation Commission or a regional transportation agency, as the allocating agency, to adopt guidelines and policies to ensure timely use of these bond funds by requiring construction on a project to begin no later than December 31, 2012, and to conduct regular evaluations of those projects.	Yes	Referred to Assembly Committee on Appropriations. Last amended 3/28.
AB 633 (Galgiani) Grade Separation Projects.	Requires the Public Utilities Commission and the Department of Transportation to issue a joint public report to the appropriate policy and fiscal committees of the Legislature to include, among other things, an evaluation of the Grade Separation Project funding program and recommendations for establishing a hardship application process allowing for the adjustment or deferral of local financial participation in severe circumstances.	Yes	Referred to Senate Committee on Transportation and Housing. Last amended 4/25.
AB 660 (Galgiani) Railroad-Highway Grade Separations.	Revises the Highway-Railroad Grade Separation Program in the annual Department of Transportation budget to delete funding eligibility for a grade separation at a proposed new grade crossing, thereby limiting the program to existing grade crossings. Requires a certain funding match for all projects funded from certain annual funding in the State Budget, would delete the requirement for a railroad contribution, and would delete the maximum total allocation provisions.	Yes	Referred to Assembly Committee on Transportation. Last amended 4/10.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 669 (Parra) State Highway Route 269.	Requires the Department of Transportation to expedite the construction of a transportation facility designed to address flooding problems in the vicinity of Los Gatos Creek on State Highway Route 269 in Fresno County. Requires the Department of Water Resources to transfer real property in its possession necessary for the project to the Department of Transportation.	Yes	Referred to Assembly Committees on Transportation, and Water, Parks and Wildlife. Last amended 4/12.
AB 784 (Karnette) Transportation Bonds (Prop. 1B).	Relates to the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, which authorizes the issuance of general obligation bonds for various transportation purposes and provides that a portion of the bond funds shall be available to the Office of Emergency Services to be allocated for grants for port, harbor and ferry terminal security improvements. Provides that with respect to funds allocated by OES, applicants need not comply with competitive bidding requirements.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31. Last amended 4/24.
AB 842 (Jones) Regional Plans: Traffic Reduction.	Requires the CA Transportation Commission to update its guidelines for the preparation of regional transportation plans, including a requirement that each regional transportation plan provide for a 10% reduction in the growth increment of vehicle miles traveled. Requires an unspecified sum to be made available, upon appropriation, from the Regional Planning, Housing, and Infill Incentive Account to the Department of Housing and Community Development to fund grants to assist agencies of local government in the planning and production of infill housing.	Yes	Referred to Assembly Committee on Housing and Community Development. Last amended 4/23.
AB 878 (Davis) Service Authority: Registration and Service Fees.	Amends existing law which authorizes the establishment of authority for the abatement of abandoned vehicles and the imposition of a vehicle registration fee in a county if the board of supervisors adopts certain resolutions. Revises the amount of the vehicle registration fee and the additional service fee imposed on a commercial motor vehicle. Extends the repeal date of provisions for setting related fees and the use of those fees.	Yes	Vetoed by Governor 10/14.
AB 901 (Nunez) Transportation: Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006 (Prop. 1B).	Relates to the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006 that requires funds from the proceeds of bonds under the act for allocation to public transit operators and transportation planning agencies. Requires the Department of Transportation and the CA Transportation Commission to provide information regarding their needs. Imposes specified auditing requirements.	Yes	Referred to Senate Committee on Appropriations. Last amended 7/5.
AB 945 (Carter) Transportation Needs Assessment.	Requires the CA Transportation Commission to develop every five years, an assessment of the unfunded costs of programmed state projects and federally earmarked projects in the state, as well as an assessment of available funding for transportation purposes and unmet transportation needs on a statewide basis.	Yes	Vetoed by Governor 10/11.
AB 995 (Nava) Trade Corridors.	Establishes criteria for prioritizing projects funded by the Trade Corridors Improvement Fund, established by Prop. 1B. Requires the CA Transportation Commission, when allocating TCIF funds appropriated by the Legislature, to give priority to projects that enhance system efficiency and predictability; significantly improve regional mobility and safety in heavily congested areas; and significantly reduce diesel particulate emissions and particulates of nitrogen, particularly in communities disproportionately impacted by goods movement.	Yes	Senate Floor. Last amended 8/20.
AB 1003 (Jeffries) Department of Transportation: Engineering Services.	Authorizes transportation agencies and cities within counties that have in place a voter-approved transportation sales tax program to contract with the Department of Transportation for specified dedicated engineering and consulting services.	Yes	Referred to Assembly Committee on Transportation. Last amended 4/9.

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1091 (Bass) Transit-Oriented Development Implementation Program (Prop. 1C).	Requires the Department of Housing and Community Development to establish guidelines for the distribution of $300 million, made available under the Transit-Oriented Development Implementation Program, based on certain criteria relating to providing multiple benefits, coordinating funding from sources other than bond funds derived under the Housing and Emergency Shelter Trust Fund Act of 2006. Authorizes financial assistance to specified entities for housing developments that are located within ½ mile of a transit station via a readily walkable route. The budget appropriates $95 million for transit-oriented development in 2007-08.	Yes	Vetoed by Governor 10/12.
AB 1107 (Arambula) Goods Movement: Small Business and Microenterprise.	Requires the State Small Business Board, in support of the preparation of the State Economic Development Strategic Plan and the State Transportation Plan, to perform an assessment of shipping needs and practices of small businesses and microenterprises, and to prepare a report to the Governor and Legislature. Requires updates to the transportation plan and the economic development plan to take into account these findings and recommendations.	Yes	Senate Floor Inactive File. Last amended 8/28.
AB 1228 (Solorio) Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century.	Relates to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century. Provides that Anaheim is to be the Southern terminus of the initial segment of the high-speed train system. Provides for the Anaheim-Irvine segment and states that no general obligation bond funds shall be available for construction, but that those funds shall be available only for eligible planning, environmental and engineering costs.	Yes	Held in Assembly Appropriations Committee Suspense File on 5/31.
AB 1306 (Huff) Sales Taxes on Gasoline.	Reduces the portion of gasoline sales tax revenues that are deposited in the Public Transportation Account by eliminating what is commonly known as the spillover formula. Increases revenues from the sales tax on gasoline that are deposited in the General Fund and requires those revenues to be transferred to the Transportation Investment Fund.	Yes	Failed Assembly Transportation Committee on 4/23.
AB 1315 (Ruskin) Bond Funds: Housing and Emergency Shelter Trust Fund Act: Park Projects.	Relates to the Housing and Emergency Shelter Trust Fund Act to provide that in implementing the act, priority shall be given to park projects around transportation hubs and train stations, projects connecting infill development and schools, projects mitigating traffic on school routes, and projects connecting urban areas with open-space parks and trails.	Yes	Referred to Assembly Committees on Water, Parks and Wildlife, and Housing and Community Development. Last amended 4/16.
AB 1350 (Nunez) Transportation Bond Funds (Prop. 1B).	Amends the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006 to require that specified funds be allocated to transit operators for eligible projects based on various formulas. Requires funds to be allocated by the Office of Emergency Services in consultation with the Office of Homeland Security. Requires an eligible applicant to annually advise the Office of Emergency Services of the applicant's need for funding in the following fiscal year.	Yes	Referred to Senate Committee on Appropriations. Last amended 6/1.
AB 1351 (Levine) Transportation: State Local Partnerships (Prop. 1B).	Amends the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006. States the intent of the Legislature to appropriate a specified amount of funds for the State-Local Partnership Program for funding transportation projects for a specified period. Defines local funds under the program relating to a local match as revenues from any locally imposed transportation related sales tax. Requires certain related reports.	Yes	Referred to Senate Committee on Appropriations. Last amended 7/12.
AB 1358 (Leno) Planning: Circulation Element: Transportation.	Requires the legislative body of a city or county, upon any revision of the circulation element of the general plan, to modify the circulation element to accommodate the safety and convenient travel of users of streets, roads and highways, in a manner that is suitable to the rural, suburban or urban context of the general plan. Requires the Office of Planning and Research to prepare or amend guidelines to provide for this accommodation using consideration of accommodation variation in transportation.	Yes	Senate Floor. Last amended 7/18.
AB 1531 (DeSaulnier) Vehicles: Disabled Parking.	Limits the maximum consecutive number of times a person may renew a temporary disability placard. Provides off-street parking and parking facilities under the jurisdiction of a state or local agency would be required to state on the signs designating a parking space as reserved for a disabled person or disabled veteran, the minimum fine for parking or leaving standing a vehicle without displaying a special license plate or placard on the vehicle.	Yes	Chapter 413, Statutes of 2007. (Signed by Governor 10/10.)

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
AB 1581 (Fuller) Traffic-Actuated Signals: Bicycles and Motorcycles.	Relates to official traffic control devices. Includes a traffic-actuated signal that displays one or more of its indications in response to the presence of traffic detected by mechanical, visual, electrical or other means. Requires specified devices to be installed so as to detect unlawful bicycle and motorcycle traffic. Provides that cities and counties would not be required to comply until uniform standards, specifications and guidelines for such detection are established.	Yes	Chapter 337, Statutes of 2007. (Signed by Governor 10/8.)
AB 1672 (Nunez) California Transportation Commission.	Requires the CA Transportation Commission to provide notification to the chairs of the appropriate legislative committees prior to adopting changes to any guidelines for the expenditure of funds pursuant to Prop. 1B. Expands commission membership, with one additional voting members each appointed by the Assembly Speaker and Senate Rules Committee, who would not be subject to Senate confirmation.	Yes	Chapter 717, Statutes of 2007. (Signed by Governor 10/14.)
AB 1675 (Nunez) Transit-Oriented Development Implementation Program.	Relates to changes of provisions to the Transit-Oriented Development Implementation Program.	No	Pending referral to committee.
ACR 25 (Lieber) Norman Y. Mineta Highway.	Designates State Highway Route 85, except for a specified segment, in Santa Clara County as the Norman Y. Mineta Highway.	Yes	Resolution Chapter 66, Statutes of 2007. (Adopted 7/3.)
SB 9 (Lowenthal) Trade Corridor Improvement: Transportation Project Selection (Prop. 1B).	Establishes a process by which the CA Transportation Commission selects and funds projects using the $2 billion in Prop. 1B transportation bonds earmarked for projects that reduce congestion and emissions of air pollutants and carbon dioxide along trade corridors in California and that provide at least a 50% match in funds from other sources. Establishes priority to projects that achieve the greatest emission reduction benefits in the most cost-effective manner.	Yes	Referred to Assembly Committee on Appropriations. Last amended 8/20.
SB 19 (Lowenthal) Trade Corridors: Projects to Reduce Emissions: Funding (Prop. 1B).	Relates to the Highway Safety, Traffic Reduction, Air Quality and Port Security Bond Act of 2006. Requires the Air Resources Board to implement the Goods Movement Emission Reduction Program and to adopt guidelines and funding criteria for the program. Creates eligibility requirement for funding pursuant to this program. Creates the Goods Movement Reduction Fund to be funded with bond proceeds.	Yes	Referred to Assembly Committee on Appropriations. Last amended 7/17.
SB 47 (Perata) Transportation Bonds.	States the intent of the Legislature to enact provisions governing project eligibility, matching fund requirements, and the application process relative to allocation of bond proceeds of the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, to the State-Local Partnership Program.	No	Pending referral to committee.
SB 56 (Runner) Highway Construction Contracts.	Declares the intent of the Legislature to authorize a demonstration program that would allow a careful examination of the benefits and challenges of using a design-build method of procurement for transportation projects. Authorizes certain state and local transportation entities to use a design-build process for contracting on transportation projects. Requires a transportation entity to implement a labor compliance program for design-build projects. Establishes a procedure for submitting bids.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 5/1.
SB 61 (Runner) High-Occupancy Toll Lanes and Toll Roads.	Authorizes the Department of Transportation to apply to the CA Transportation Commission for the development and operation of a high-occupancy toll (HOT) lane or toll road project sponsored by the department. Deletes the four-project limitation and the requirement for the Legislature to approve each project by statute.	Yes	Referred to Assembly Committee on Transportation. Last amended 5/1.
SB 184 (Alquist) Transportation Projects.	**Limits provisions of existing law that authorize a regional or local entity that sponsors, or is eligible to receive funding for, a project contained in the State Transportation Improvement Program (STIP) to expend its own funds for any component of a project within its jurisdiction that is included in an adopted program, and for which the CA Transportation Commission has not made an allocation to projects advanced for expenditure by an eligible entity. Provides the deadline for allocation requests.**	**Yes**	**Chapter 462, Statutes of 2007. (Signed by Governor 10/11.)** **SUPPORT.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 204 (Dutton) Transportation Funds.	Requires revenues from taxes imposed by the state on motor vehicle fuels and from the sale of excess real property originally acquired by the state for highways to be paid into the State Treasury to the credit of the State Highway Account and to be available to the Department of Transportation.	Yes	Referred to Senate Committee on Transportation and Housing.
SB 262 (Runner) Transportation: Trade Corridors Improvement.	Requires the CA Transportation Commission, when allocating funds to projects, to consider the impact of a project on goods movement and port operations in the Southern California region and the potential of a project to benefit the inland port concept in order to relieve congestion at, and in the vicinity of, the Port of Los Angeles and the Port of Long Beach.	Yes	Referred to Senate Committee on Transportation and Housing.
SB 264 (Alquist) Transactions and Use Taxes: Santa Clara Valley Transportation Authority.	**Authorizes the Santa Clara Valley Transportation Authority, if approved by 2/3 vote of the electorate, to adopt an ordinance to impose a transactions and use tax at a rate of 0.125 (1/8 cent), or a multiple thereof, for transit facilities and services. Limits the combined rate of all district taxes imposed in any county to 2%.**	**No**	**Chapter 430, Statutes of 2007. (Signed by Governor 10/10.)** **SUPPORT.**
SB 286 (Dutton) Transportation Bonds Implementation (Prop. 1B). (See AB 196.)	**Requires the first payments of Proposition 1B funds for local street and road purposes to be allocated by the Controller. Requires the Controller to use certain population figures in making allocations to cities. Requires an applicant for funds to submit a list of projects expected to be funded to the Department of Transportation. Requires the funds to be allocated within three fiscal years of the date of the allocation, and requires return of unallocated funds. The State Budget includes $950 million in 2007-08, with $550 million for cities and $400 million for counties. The City of San Jose should be receiving an estimated $15 million.**	**Yes**	**Referred to Assembly Committee on Appropriations.** **Last amended 7/16.** **SUPPORT.**
SB 307 (Dutton) Goods Movement.	States the intent of the Legislature to incorporate the Southern California National Freight Gateway Strategy into the Goods Movement Action Plan.	No	Pending referral to committee.
AB 372 (Steinberg) High-Speed Rail: Educational and Vocational Training.	Requires the Superintendent of Public Instruction to prepare, in cooperation with the High-Speed Rail Authority, an inventory of future educational and vocational training courses necessary for the high-speed train project, and to develop courses of study necessary to meet the need for skills associated with building and operating the project. Specifies that the bill would not be operative until the date of the election in which the Safe, Reliable High-Speed Passenger Train Act is approved by the voters.	Yes	Referred to Senate Committee on Appropriations. Last amended 5/24.
SB 375 (Steinberg) Transportation Planning: Travel Models: Sustainable Communities Strategy: Environmental Review.	**Relates to travel demand guidelines used in regional transportation plans, the requirement that a regional transportation plan include a sustainable communities strategy, designed to achieve goals and target dates for the reduction of greenhouse gas emissions from automobiles and light trucks in the region. Requires an environmental document under CEQA that examines specific impacts of a transportation project located in a local jurisdiction that has amended its general plan and the legislative body finds the project meets specified criteria.**	**Yes**	**Referred to Assembly Committee on Appropriations.** **Last amended 9/12.** **OPPOSE.**
SB 445 (Torlakson) Road User Task Force.	Creates the Road User Task Force to hold public hearings around the state and to report on alternatives to the current system of taxing road users through per-gallon fuel taxes.	Yes	Referred to Assembly Committee on Transportation. Last amended 6/4.
SB 641 (Corbett) Vehicle Rental Agreements: San Jose Airport.	**Repeals Section 1936.5 of the Civil Code, which specifically authorizes San Jose International Airport to design and construct a consolidated rental car facility and/or a common use transportation system, subject to specified cost restrictions, and permits the San Jose International Airport to collect a separate, unbundled fee of up to $10.15 per rental transaction to recoup its design, construction, and financing costs upon the commencement of operations of the consolidated facility.**	**No**	**Chapter 44, Statutes of 2007. (Signed by Governor 7/12.)** **SPONSOR/ SUPPORT.**

Bill Number (Author) Subject	Description	Fiscal	Status/ City Position
SB 716 (Perata) Transit Operators (Prop. 1B).	Relates to appropriations to transportation agencies from the Public Transportation Modernization, Improvement and Service Enhancement Account for transit capital projects pursuant to a specified formula. Specifies requirements for an eligible project sponsor to receive an allocation of funds appropriated from the account. Requires the CA Transportation Committee and the State Controller to administer these provisions.	Yes	Referred to Assembly Committee on Appropriations. Last amended 7/11.
SB 717 (Perata) Transportation Investment Fund.	Continues the Transportation Investment Fund in existence and specifies the use of revenues deposited in that fund from gasoline sales tax revenues subject to Article XIX B of the State Constitution, beginning in the 2008-09 fiscal year.	Yes	Chapter 733, Statutes of 2007. (Signed by Governor 10/14.)
SB 742 (Steinberg) Off-Highway Motor Vehicle Recreation.	Relates to the Off-Highway Motor Vehicle Recreation Act of 2003 to include the posting of off-highway vehicle recreation information on the Off-Highway Motor Vehicle Recreation Division's website, local grants for off-highway recreation purposes, specified related parking permits and fees, the use of moneys in the Motor Vehicle Fuel Account for off-highway recreation purposes, the development of improved off-highway recreational vehicle identification stickers, and an identification service fee.	Yes	Chapter 541, Statutes of 2007. (Signed by Governor 10/12.)
SB 745 (Oropeza) Transportation Funding: Port Security.	Requires the Office of Emergency Services to develop criteria for allocating general obligation bond funds for port, harbor and ferry terminal security.	Yes	Referred to Senate Committee on Transportation and Housing, and Governmental Organization. Last amended 4/9.
SB 748 (Corbett) Transportation: State-Local Partnerships (Prop. 1B).	**Requires the CA Transportation Commission to adopt guidelines for the expenditure of $1 billion in State-Local Partnership Program funds. Defines eligible local matching funds under the program for purposes of the required dollar-for-dollar match. Establishes an application procedure to nominate projects. Limits the amount of funding for a single project in a funding cycle. Describes the categories or projects that may be funded through the program. Establishes timelines for expenditure of funds.**	**Yes**	**Referred to Assembly Committee on Appropriations Suspense File.** **Last amended 7/12.** **SUPPORT WITH AMENDMENTS.**
SB 803 (Lowenthal) Transportation Enhancement Funds: Community Conservation Corps.	Requires regional transportation planning agencies, county transportation commissions and congestion management agencies to adopt criteria giving priority to the selection of Transportation Enhancement Projects whose sponsor partner with or commit to use the services of a qualified community conservation corps or the California Conservation Corps.	Yes	Vetoed by Governor 10/11.
SB 872 (Ackerman) State-Local Partnership Program.	Creates the State-Local Partnership Program and appropriates $200 million per year for five years beginning in the 2010-11 fiscal year. Provides for the allocation of state funds to eligible highway and mass transit guide way projects nominated by local agencies with at least 50% of local funds derived from a locally imposed transportation sales tax. Specifies the process for applying for, receiving and expending those funds.	Yes	Held in Senate Appropriations Committee Suspense File on 5/31. Last amended 5/8.
SB 976 (Torlakson) San Francisco Bay Area Water Emergency Transit Authority.	**Repeals the San Francisco Bay Area Water Transit Authority (WTA) and, instead, establishes the San Francisco Bay Area Water Emergency Transportation Authority (WETA) to coordinate the emergency activities of all water transportation and related facilities within the region. Requires the transfer of all current WTA assets, including public transportation ferries and related water transportation services and facilities, to the WETA.**	**Yes**	**Chapter 734, Statutes of 2007. (Signed by Governor 10/14.)** **WATCH.**
