Subject: Recommendation for City Use of Sharks Ice at San Jose

Date: November 7, 2011

Please be advised that the San Jose Arena Authority has received an application for City use of Sharks Ice at San Jose. Information pertaining to the applicant is included below:

The applicant is the San Jose Fire Department representing the California Firemen's Athletic Association (CFAA). The CFAA is planning a Summer 2012 Firefighter's Olympic Hockey Tournament at Sharks Ice at San Jose. Since 1970, the Firefighter's Olympics have served as an opportunity for all California firefighters to get together in a friendly competition that promotes physical fitness and provides an informal forum for exchanging ideas. Throughout the years, the Firefighter's Summer Olympics have been held in a number of California cities, including San Jose. Historically, funds raised by the event are donated to local charities, including the San Jose Firefighters Burn Foundation.

HP Pavilion Management has confirmed the event dates (July 16-20, 2012) in consultation with the Arena Authority. An estimated seven to ten hockey teams are scheduled to participate.

Per the terms of the Sharks Ice at San Jose City Use Program Policy, following application review and approval by the Arena Authority and HP Pavilion Management, the application will be forwarded to the City Manager's Office for consideration and approval. The application is attached for your review. Thank you in advance for your consideration.
