MATERIALS, EQUIPMENT AND SERVICES FOR FY 2006-2007 #13**

RECOMMENDATION

Approval of award of open purchase orders for supplies, materials, equipment and services for FY 2006-2007 #13 and authorization for the Director of Finance to execute the purchase orders.

OUTCOME

To provide goods and services, which support the operational objectives of City Departments, through a competitive process.

BACKGROUND

This standard memorandum is provided as a cover sheet to an attached list of requests received by the Purchasing Division for open purchase orders. This list indicates the most current requests submitted by various City departments for the establishment of open purchase orders or an increase in the amount of an existing open purchase order for supplies, materials, equipment and services for Fiscal Year 2006-2007. Open purchase orders are used when the amount or nature of the items or services is estimated or when it is necessary that the place from which the items or services are purchased is strategically located.

Pursuant to Sections 4.12.135, 4.12.146 and 4.13.040 of the Municipal Code, competitive quotes or proposals are obtained whenever practicable on all items or services with a payment amount exceeding Five Thousand Dollars (\$5,000). Unless otherwise noted, most advantageous price quotations were used to establish all open purchase orders on the attached list. Formal bidding is not required to establish open purchase orders regardless of the total dollar amount; however, Purchasing does bid some items when feasible. Formal bids are noted on the attachment when applicable.

The attachment may also include open purchase orders for contracts subject to the Living Wage Policy adopted by the Council on November 17, 1998 and prevailing wage requirements. The Living Wage policy pertains to contracts exceeding \$20,000 and for designated service categories. The Policy also requires a review of the employee work environment (Third Tier Review). The attachment will indicate each purchase that is subject to the Living Wage and any additional information used by staff in making the recommendation.

ANALYSIS

All open purchase orders, which are expected to have a cumulative total of purchases exceeding \$100,000 during the fiscal year, are presented for Council approval. A list of the new or increased open purchase orders is attached. The attached list includes brief explanatory comments on the items and services.

POLICY ALTERNATIVES

Debris Removal for the Department of Transportation	San Jose Transport Inc., Inc. Gilroy, CA	\$80,000	\$200,900	Fund – 423, Appn 0512 Integrated Waste Management 2006-2007 Adopted Operating Budget – Page XI-41

The Department of Transportation requires and encumbrance adjustment of \$80,000 to the purchase order OPO #37580 with San Jose Transport Inc. to provide all labor, materials and equipment necessary for debris removal to city streets. Due to several heavy and unexpected rains last March that damaged Sierra Road and caused several mudslides along Mc Kean, debris removal expenditures rose much higher than expected. This encumbrance will cover debris removal costs until the end of March 2007. This requirement was originally competitively quoted; the above vendor submitted the lowest responsive quote. Office of Equality Assurance: Prevailing and Living Wage do not apply. CEQA: PP04-02-040. Cost Implication: General Principles #2, "We must focus on protecting our vital core City services." Desired Outcome: To provide for the ongoing maintenance of City streets.
