## RECOMMENDATION

Consider the report on bids and take appropriate action based on the evaluation of bids for the San José City Hall Systems Furniture Project.

CEQA: Civic Plaza Redevelopment Plan EIR, Resolution No. 68905, PP98-03-072.

## BACKGROUND

On March 9, 2004, Council directed staff to proceed with the procurement of technology, furniture, equipment, and relocation services. In addition, a work plan for implementation of individual procurements and cost saving strategies was reviewed and approved by Council.

Included in the work plan is procurement and a cost estimate titled "FE1 - Furniture Program". The total cost in the FE1 Project element is estimated at \$11.8 million, which includes procurement of both freestanding and systems furniture. This award represents the systems furniture part of the project.

The engineer's estimate for the procurement of the systems furniture is \$5.5 million. A supplemental memo will be provided after bids are opened on January 10, 2005.
