STRATEGIC SUPPORT SERVICES

3.5 Adoption of a resolution that takes the following actions:

(1) Reaffirm the San José Police Department’s longstanding policy that its officers will not arrest persons merely for their unlawful presence in the United States.

(2) Reaffirm that no otherwise law-abiding undocumented immigrants should fear arrest or deportation for coming forward to report a crime as a victim or a witness.

(3) Reaffirm that no otherwise law-abiding undocumented immigrants should fear arrest or deportation by contacting any employee of the City of San José to express concerns or to ask questions.

(4) Express the view of the San José City Council that continued ICE raids, while laudable where they target violent or predatory criminals for deportation, can have harsh unintended consequences. Those sweeps that have cast the net widely to arrest otherwise law-abiding undocumented immigrants have raised the Council’s concern, insofar as they undermine the ability of the police, fire department, and other City agencies to interact with fearful immigrants, leaving all of San José’s residents less safe.
