## **REASON FOR SUPPLEMENTAL MEMO**

To clarify disposition of royalties.

## **RECOMMENDATION**

The City General Fund, rather than the Library's Special Collections, would receive any profits received from the sale of the monograph, *Historic Downtown San Jose, California*.

## **ANALYSIS**

Upon further consultation with the Budget Office, it has been determined that any profits generated by the publication of this monograph should become part of the General Fund rather than designated specifically for the Library, as indicated in the original memo dated February 25, 2004.
