

May 17, 2004

The Honorable Mayor and City Council
City of San Jose
801 North First Street
San Jose, CA 95110

Dear Mayor Gonzales and City Council:

At its meeting of May 17, 2004 the Treatment Plant Advisory Committee (TPAC) reviewed the items concerning the Water Pollution Control Plant on the San Jose City Council agenda for May 18, 2004.

These items are listed below along with the TPAC recommendation for San Jose City Council action.

Report on Request for Quotation (RFQ)

- 2.5 1. Report on Request for Quotation (RFQ) and authorize the Director of General Services to execute a one-year service order with Allied Waste (BFI) for hauling and disposal of grease, grit and screenings for a total cost of \$150,000.
- a) Approve four one-year options to renew without further Council approval other than the appropriation of funds.

Approval of Award

- 2.4 2. Approval of award for a sole source purchase of twenty-one (21) Limitorque valve actuators to McJunkin Corporation (Benicia, CA) for a total cost of \$134,826.46 including tax and delivery and authorize the Director of General Services to execute the purchase order.

Report on Bids

- 2.6 3. Report on bids and award of contract for purchases of two 32,000 pound dredges to the low bidder, Liquid Waste Technology, Inc. (Somerset, WI), at a total cost of \$436,624.50 including tax, freight and extended engine warranty, and authorize the Director of General Services to:
- (a) Execute the purchase order of the immediate purchase of two dredges; and
 - (b) Approve a contingency of 5% for any unforeseen engineering changes that may arise.

Sincerely,

RODNEY DIRIDON, Jr., Chairperson
Treatment Plant Advisory Committee
