

## **Addendum 13**

RFP-05-06-09 Recycle Plus

April 20, 2006

Please be advised of the following information pertaining to the City of San Jose Recycle Plus Request for Proposal 05-60-09.

Whereas the City prefers a performance bond that is co-terminus with the term of the Agreement, the City will accept an annually renewable bond form. The language in the agreements in RFP Sections 6, 6A and 7 is correct: The bond must be in a form substantially as set forth in Exhibit 4, and if the term of the bond is shorter than the term of the Agreement, the contractor must submit proof of renewal or extension at least 30 calendar days prior to the performance bond expiration date.

The first paragraph of Section 4.2.14 of the RFP, page 4-7, lines 210-214, should read: A performance bond is required from the successful Proposer within ten (10) calendar days from the date the City Council approves this Agreement. The performance bond must be in a form substantially as set forth in Exhibit 4 to the Agreement and in an initial amount equal to twenty-five percent (25%) of the City's estimate of the Proposer's annual gross revenue for the first year of the Agreement. If the term of the bond is shorter than the term of the Agreement, the Proposer will be required to submit proof of renewal or extension of the bond at least thirty (30) days prior to the performance bond expiration date.

**All other Terms and Conditions of the Request for Proposal remain the same.**
