SUBJECT: RIVERSIDE NO. 51. REORGANIZATION/ANNEXATION TO THE CITY OF SAN JOSE OF ON AN APPROXIMATELY 3.4 GROSS ACRE COUNTY POCKET CONSISTING OF AN APPROXIMATELY 1800 FOOT LONG PORTION OF SANTA TERESA BOULEVARD RIGHT-OF-WAY, 1100 FEET SOUTHEAST OF BAYLISS DRIVE

RECOMMENDATION

It is recommended that the City Council at a public hearing on November 6, 2007 at 7:00 p.m. adopt a resolution initiating proceedings, and setting December 4, 2007 at 7:00 p.m. for a public hearing on the reorganization of territory designated as Riverside No. 51 which involves the annexation to the City of San Jose of 3.4 gross acres of land located along Santa Teresa Boulevard, 100 feet southeast of Bayliss Drive, and the detachment of the same from the appropriate special districts including Central Fire Protection, and Area No. 01 (Library Services) County Service.

OUTCOME

Upon completion of the annexation/reorganization proceedings, the territory designated Riverside No. 51 will be within the incorporated area of the City of San José and zoned A Agricultural Zoning.

BACKGROUND

On April 26, 2006, the City Council voted to proceed with a County island annexation program that involves the annexation of all unincorporated County pockets less than 150-acres in size. Phase 1 of this program resulted in the annexation of 21 County islands. The City of San Jose is initiating the annexation of the subject area in conjunction with Phase 2 of this program. The property will be immediately zoned A Agricultural District upon its annexation to the City of San Jose in accordance with Section 20.130.310 of the Zoning Ordinance, as the parcel is zoned by the County of Santa Clara as "A-Exclusive Agricultural Zoning District".

The proposed annexation consists of street right of way which upon annexation to the City of San Jose would be detached from the following special districts: Central Fire Protection, and Area No. 01 (Library Services) County Service.

ANALYSIS

The proposed annexation and the automatic rezoning to A Agricultural will allow agricultural uses consistent with the Zoning Code, the existing neighborhood and the existing uses and/or structures on the subject property. A Agricultural and OS Open Space Zoning are the only conforming zoning districts to the Non-Urban Hillside General Plan designation. A Agricultural Zoning District is deemed to be the most appropriate zoning as neighboring properties are zoned agricultural in the City and County and the site is used as street right-of-way.

The proposed annexation is being done as part of the second phase of the County island annexation process as it has been determined that it will create a negligible impact on City services because of its size, location and number of inhabitants.

EVALUATION AND FOLLOW-UP

City staff provides status updates on the County Island Annexation Program on the website dedicated to the program and in periodic updates to the City Manager's Office.

An Answer Book has been distributed to all residents and property owners within the areas to be annexed as a part of Phase 2 of the program. Staff held a community meeting on August 23, 2007, with the residents and property owners within the islands proposed for annexation as part of Phase 2 of the County Island Annexation Program.
