COUNCIL DISTRICT: 3
SNI AREA: Washington

SUBJECT: VACATION OF A PORTION OF A PUBLIC ALLEYWAY BETWEEN ALMADEN AVENUE AND VINE STREET FROM EDWARDS AVENUE TO OAK STREET.

RECOMMENDATION

Adoption of a resolution of intention to vacate a portion of a public alleyway between Almaden Avenue and Vine Street from Edwards Avenue to Oak Street, and setting a public hearing on December 5, 2006 at 1:30 p.m.

OUTCOME

Council adopts a resolution of intention to vacate a portion of a public alleyway between Almaden Avenue and Vine Street from Edwards Avenue to Oak Street and sets a public hearing for December 5, 2006 at 1:30 p.m. for consideration of adoption of a proposed resolution vacating the subject alleyway portion.

BACKGROUND

The Washington area is bounded by State Route 87 to the west, Interstate 280 to the north, South First Street/Monterey Road to the east, and the Southern Pacific Railroad tracks south of Bellevue Avenue to the south. This area has one of the highest concentrations of alleyways in the City, with 11 public alleyways. The alleyways are a source of continual problems for the community, including gang and drug activity, loitering, illegal dumping and graffiti.

In spring 1997, the City developed a City-wide strategy for coordinating and delivering services to neighborhoods that need special or additional assistance. The Washington area was identified as a community with critical needs and thus, the Washington Neighborhood Revitalization Plan (the "Plan") and the Strong Neighborhoods Initiative (SNI) Update of the Plan were created and approved by Council in 1998 and 2002, respectively. Together, these two documents provide a blueprint for improving the quality of life in the Washington neighborhood. As part of the Plan

update process, the Washington community developed a “Top Ten” list of priorities. One of the priorities is to address the alleyways in the area, whether it is through closure or physical improvements. The Plan identifies the entire subject alleyway for closure. A majority (13 out of 14) of the adjoining properties do not rely on the alleyway for access to parking areas or garages. However, there is one property that relies on the alleyway for access. Therefore, by proposing to vacate only a portion of the alleyway, this one property owner will continue to have access.

The Redevelopment Agency (the “Agency”) has been working with the community to vacate and close the alleyways identified in the Plan. The Agency submitted an application on behalf of the property owners to vacate a portion of the public alleyway between Almaden Avenue and Vine Street from Edwards Avenue to Oak Street (map attached).

ANALYSIS

Staff has determined that the subject portion of the alleyway between Almaden Avenue and Vine Street from Edwards Avenue to Oak Street is no longer needed for public use. Public services, such as trash, postal service, emergency services, etc., will continue to be provided via the surrounding public streets. The public streets will also provide access to the properties.

A title report issued by North American Title Company, dated March 27, 2006, indicates that the adjoining property owners hold fee title to the alleyway. The adjoining property owners within the subject portion have consented to the vacation. Additionally, the property owners have entered into separate agreements with the Agency to release and terminate their private ingress/egress easements along the public alleyway. The Agency will work with the property owners to permanently close the subject portion of the alleyway once it has been vacated. All concerned utility companies have consented to the vacation.

The actions required for the vacation of the subject public alleyway are:

November 14, 2006 at 1:30 p.m.: Council considers the adoption of a resolution of intention which:

1. Declares its intention to vacate a portion of a public alleyway between Almaden Avenue and Vine Street from Edwards Avenue to Oak Street;
2. Sets a public hearing December 5, 2006 at 1:30 p.m.;
3. Directs the City Clerk to file the vacation map and advertise said public hearing; and
4. Directs the Director of Public Works to post the site with a Notice of Public Hearing.

December 5, 2006 at 1:30 p.m.: Council conducts a public hearing to consider adoption of a resolution of vacating a portion of a public alleyway between Almaden Avenue and Vine Street from Edwards Avenue to Oak Street.

Additionally, on October 25, 2006, the Planning Commission held a public hearing on the subject vacation and forwarded a recommendation to the City Council for approval of the vacation.

This memorandum will be posted to the City's Internet website for the November 14, 2006 Council agenda.

The vacation has been coordinated with the Department of Planning, Building, and Code Enforcement, Transportation, Police and Fire, the City Manager's Budget Office, and the Redevelopment Agency.
