**SUBJECT: STORY NO. 58 REORGANIZATION/ANNEXATION TO THE CITY OF SAN JOSE OF AN APPROXIMATELY 6.93 GROSS ACRE COUNTY ISLAND CONSISTING OF 25 PARCELS ON BOTH SIDES OF ROSEMAR AVENUE, BETWEEN JULIET PARK DRIVE AND FLEMING AVENUE AND THE NORTHEASTERLY SIDE OF FLEMING AVENUE BETWEEN ROSEMAR AVENUE AND MARCHANT COURT.**

## RECOMMENDATION

It is recommended that the City Council adopt a resolution initiating proceedings, and setting January 29, 2008 at 7:00 p.m. for a public hearing on the reorganization of territory designated as Story No. 58 which involves the annexation to the City of San Jose of an approximately 6.93 gross acre County island consisting of 25 parcels on both sides of Rosemar Avenue, between Juliet Park Drive and Fleming Avenue and on the northeasterly side of Fleming Avenue between Rosemar Avenue and Marchant Court, and the detachment of the same from the appropriate special districts including Central Fire Protection and Area No. 01 (Library Services) County Service.

## OUTCOME

Upon completion of the annexation/reorganization proceedings, the 6.93 acre County island designated Story No. 58 will be within the incorporated area of the City of San José.

## BACKGROUND

On April 26, 2006, the City Council voted to proceed with a County island annexation program that involves the annexation of all unincorporated County pockets less than 150-acres in size. Phase 1 of this program resulted in the annexation of 21 County islands. The City of San Jose is initiating the annexation of the subject area in conjunction with Phase 2 of this program. There is a pending Planning Director initiated Prezoning (File No.C06-106) being processed to assign a City of San Jose zoning district to the site in preparation for annexation.

The proposed annexation consists of 25 parcels developed with single family residences which upon annexation to the City of San Jose would be detached from the following special districts: Central Fire Protection and Area No. 01 (Library Services) County Service.

### ANALYSIS

The proposed annexation and the pending rezoning to R-1-5 Single Family Residence District will allow residential uses consistent with the Zoning Code, the existing neighborhood and the existing uses and/or structures on the subject property. The proposed annexation is being done as part of the second phase of the County island annexation process as it has been determined that it will create a negligible impact on City services because of its size, location and number of inhabitants.

### EVALUATION AND FOLLOW-UP

City staff provides status updates on the County Island Annexation Program on the website dedicated to the program and in periodic updates to the City Manager's Office.

A notice of the public hearing was distributed to the owners and tenants of all properties located within 300 feet of the project site and posted on the City website. The rezoning was also published in a local newspaper, the Post Record. Information on the County Pocket Annexation Program is available on the Planning Division's website, including specific information on the areas proposed for annexation and general information on what current county residents can expect upon the annexation of their property to the City of San Jose. An Answer Book has been distributed to all residents and property owners within the areas to be annexed as a part of Phase 2 of the program. Staff held a community meeting on August 23, 2007, with the residents and property owners within the islands proposed for

annexation as part of Phase 2 of the County Island Annexation Program. This memorandum has been posted on the City's website, and staff has been available to respond to questions from the public.

Staff has received phone calls from property owners asking about the proposed zoning and the timing for the annexation.

### **COORDINATION**

The project was coordinated with the Departments of Transportation, Fire, Police, Parks, Recreation and Neighborhood Services, Environmental Services, Public Works, Library, and the Redevelopment Agency. These departments are participating in a working group to coordinate, discuss and resolve issues associated with the annexation efforts. This project was also coordinated with the Local Agency Formation Commission and the City Attorney.

### **FISCAL/POLICY ALIGNMENT**

This project is consistent with the City Council's direction to initiate annexation of unincorporated islands of less than 150-acres.

### **COST SUMMARY/IMPLICATIONS**

The proposed annexation is being done as part of the second phase of the County island annexation process as it has been determined that it will create a negligible impact on City services because of its size, location and number of inhabitants.

### **BUDGET REFERENCE**

Not applicable.

### **CEQA**

The environmental impacts of this project were addressed by a Final EIR entitled, "San José 2020 General Plan," and certified on August 16, 1994, by the City of San José City Council.
