TO: City Council and
Redevelopment Agency Board

FROM: Ron Gonzales, Mayor

SUBJECT: City Council and Redevelopment
Agency Committee Appointments

DATE: December 8, 2005

Approved

Date

12/8/05

RECOMMENDATION

That the City Council approve the reappointment for 2006 of all committee and board and commission appointments made during 2005.

BACKGROUND

At this time I see no reason to make any changes to Councilmember representation on any boards, commissions or liaison positions. The assignments made for this year also include those made for Councilmember Nguyen upon her election in September.
