OUTCOME

To provide goods and services, which support the operational objectives of City Departments, through a competitive process.

BACKGROUND

This standard memorandum is provided as a cover sheet to an attached list of requests received by the Purchasing Division for open purchase orders. This list indicates the most current requests submitted by various City departments for the establishment of open purchase orders or an increase in the amount of an existing open purchase order for supplies, materials, equipment and services for Fiscal Year 2008-2009.

Pursuant to Sections 4.12.210 of the Municipal Code, competitive quotes, bids, or proposals are obtained whenever practicable on all items or services with a payment amount exceeding Ten Thousand Dollars (\$10,000).

The attachment may also include open purchase orders for contracts subject to the Living Wage Policy adopted by the Council on November 17, 1998 and prevailing wage requirements. The Living Wage policy pertains to contracts exceeding \$20,000 and for designated service categories. The Policy also requires a review of the employee work environment (Third Tier

Review). The attachment will indicate each purchase that is subject to the Living Wage and any additional information used by staff in making the recommendation.

ANALYSIS

All open purchase orders, which are expected to have a cumulative total of purchases exceeding \$250,000 for services and \$1,000,000 for material, supplies, and equipment during the term of the purchase order, are presented for Council approval. A list of the new or increased open purchase orders is attached. The attached list includes brief explanatory comments on the materials, supplies, equipment and services.
