Appropriateness of Name to Facility:

San Jose Transit Village Partners, LLC (SJTVP) will be construction a new, one (1) acre City owned Park within the mixed use (residential & retail) development to be located at the intersection of North King Road and Dobbin Drive. The park will be located on Lot D, as shown on the attached plan. This project represents the first of many changes that will come to this neighborhood as a result of the planned BART extension to San Jose. SJTVP chose to name their development Newbury Park, to represent the new beginning these changes will bring to the neighborhood, and the proximity of the project to Mabury Road and the Berryessa neighborhood.

A neighborhood meeting was held on June 12th to discuss Park design issues. At that meeting, the name "Newbury Park" was proposed as the Park name and was met with a generally favorable response.
