Please state why you want to become a member of this Board or Commission including specific objectives which you would work toward as a member.

I am interested in volunteering for Appeals Hearing Board as this particular commission addresses the most common issues of public. Contributing my efforts to issues of blighted conditions, illegal building activity, unsafe and unsanitary living conditions, garbage liens, inoperative vehicles etc., will not only provide a sense of community work but it will also help in understanding issues of people.
