**SUBJECT: SET PUBLIC HEARING ON SEWER SERVICE AND USE CHARGES
AND STORM SEWER SERVICE CHARGES TO BE PLACED ON
FISCAL YEAR 2009/2010 COUNTY TAX ROLL**

RECOMMENDATION

1. Adopt a resolution setting a public hearing on Tuesday, August 4, 2009, at 1:30 p.m. for 2009-2010 Sewer Service and Use Charges and Storm Sewer Service Charges based on annual reports of the Director of Finance and direct the City Clerk to publish notice of the time and place of the hearing.
2. Adopt a resolution allowing the Director of Finance to file, with the City Clerk, the 2009-2010 Sewer Service and Use Charges and Storm Sewer Service Charges on or before July 17, 2009.

OUTCOME

Adoption of the proposed resolution to set an annual public hearing is a necessary step in the annual placement of City Sewer Service and Use Charges (SSUC) and Storm Sewer Service Charges (SSSC) on the Santa Clara County Property Tax Roll. Staff has estimated net revenues for 2009-2010 with and without the rate increases that are being proposed for each of these charges. The total estimated net revenues without a rate increase would be approximately \$121 million; \$98 million for SSUC and \$23 million for SSSC. The total estimated net revenues with the proposed rate increases would be approximately \$143 million; \$113 million for SSUC and \$30 million for SSSC.

Adoption of the proposed resolution allowing for the filing of the 2009-2010 annual reports on or before July 17, 2009, will allow adequate time required to provide the most complete and current listing.

BACKGROUND

Section 15.12.550 of the San Jose Municipal Code (Code) requires the Director of Finance to file a report each year with the City Clerk, on or before July 5, or such other date or dates as the City Council may specify by resolution, regarding Sewer Service and Use Charges (SSUC) and Storm Sewer Service Charges (SSSC). We are recommending this filing date be moved out from July 5, 2009 to July 17, 2009 in order to accommodate the Integrated Billing System process and to allow staff the required time to provide the most complete and current sewer service charge listing. Section 15.16.1410 of the Code requires the Director of Finance to file a report each year with the City Clerk, at least fifteen days in advance of the council meeting scheduled to hold the public hearing. These annual reports describe each parcel of real property receiving sewer and storm services and the dollar amount of the charges to be collected on the County of Santa Clara Tax Roll for the coming fiscal year.

In compliance with Proposition 218, public notices of the potential increase in the rates that are used to calculate these charges were mailed to San Jose property owners on April 27, 2007. Proposed 2009-2010 Sewer Service and Use Charge and Storm Sewer Service Charge rates are scheduled to be heard by Council on June 16, 2009.

ANALYSIS

Sections 15.12.550 and 15.16.1430 of the San Jose Municipal Code requires the City Clerk to publish notice of the time and place for the hearing concerning the filing of the Director's annual report, prior to the date of the hearing.

Once Council adopts sanitary and storm sewer rates for 2009-2010, the Director of Finance will prepare the reports using the City Council approved rates from the reports to be considered by the Council at the August 4, 2009 public hearing.

The Finance Department requests that the hearing on 2009-2010 Sewer Service and Use Charges and Storm Sewer Service Charges for placement on the County of Santa Clara Property Tax Roll be set for Tuesday, August 4, 2009, at 1:30 p.m. in the City Council Chambers. The final report on these charges is due to the County Tax Collector no later than August 10, 2009, to ensure placement on the tax roll.

EVALUATION AND FOLLOW-UP

The Finance Department will prepare a memo for the August 4, 2009 City Council meeting for the holding of the public hearing and recommending approval of the placement of Sewer Service and Use Charges and Storm Sewer Service Charges on the 2009-2010 tax roll, with such modifications as Council may make based on public hearing testimony.
