Except as the context otherwise indicates, all references to “Articles” and “Sections” refer to Articles and Sections of these General Conditions.

2. TERM AND TERMINATION.

2.1 Term. The term of the Agreement shall commence on the Effective Date and shall continue for twenty (20) years from the Commercial Operations Date (“Initial Term”), unless and until terminated earlier pursuant to the provisions of the Agreement. After the Initial Term, Purchaser shall have the right to renew the Agreement for an additional five (5) year term (a “Renewal Term”), by giving Provider a written notice of renewal at least one hundred and eighty (180) days prior to the expiration of the Initial Term or then applicable Renewal Term. The Initial Term and the subsequent Renewal Term, if any, are referred to collectively as the

“Term.” During any Renewal Term, either Party may, subject to Section 2.3, terminate the Agreement upon one hundred and eighty (180) days’ prior written notice to the other Party.

2.2 Early Termination. Purchaser may terminate the Agreement prior to any applicable Expiration Date for any reason upon sixty (60) days’ prior written notice. In such event, Purchaser shall pay, as liquidated damages, the Early Termination Fee set forth on Schedule 3, Column 1 of the Special Conditions, and Provider shall cause the System to be disconnected and removed from the Premises. Upon Purchaser’s payment to Provider of the Early Termination Fee, the Agreement shall terminate automatically.

2.3 Purchase Option. On any Purchase Date, so long as a Purchaser Default shall not have occurred and be continuing, Purchaser has the option to purchase the System for a purchase price (the “Option Price”) equal to the greater of (a) the Fair Market Value of the System as of the Purchase Date, or (b) the Early Termination Fee as of the Purchase Date, as specified in Schedule 3, Column 2 of the Special Conditions. To exercise its purchase option, Purchaser shall, not less than one hundred and eighty (180) days prior to the proposed Purchase Date, provide written notice to Provider of Purchaser’s intent to exercise its option to purchase the System on such Purchase Date. Within thirty (30) days of receipt of Purchaser’s notice, Provider shall specify the Option Price, and Purchaser shall then have a period of thirty (30) days after notification to confirm or retract its decision to exercise the purchase option or, if the Option Price is equal to the Fair Market Value of the System, to dispute the determination of the Fair Market Value of the System. In the event Purchaser confirms its exercise of the purchase option in writing to Provider (whether before or after any determination of the Fair Market Value determined pursuant to Section 2.4), (i) the Parties shall promptly execute all documents necessary to (A) cause title to the System to pass to Purchaser on the Purchase Date, free and clear of any Liens, and (B) assign all vendor warranties for the System to Purchaser, and (ii) Purchaser shall pay the Option Price to Provider on the Purchase Date, such payment to be made in accordance with any previous written instructions delivered to Purchaser by Provider or Provider’s Financing Party, as applicable, for payments under the Agreement. Upon execution of the documents and payment of the Option Price, in each case as described in the preceding sentence, the Agreement shall terminate automatically. For the avoidance of doubt, payment of the Option Price shall be in lieu of and instead of any payments as described in Section 2.2 hereof. In the event Purchaser retracts its exercise of, or does not timely confirm, the purchase option, the

provisions of the Agreement shall be applicable as if the Purchaser had not exercised any option to purchase the System.

2.4 Determination of Fair Market Value. If the Option Price indicated by Provider in accordance with Section 2.3 is equal to the Fair Market Value (as determined by Provider) and Purchaser disputes such stated Fair Market Value within thirty (30) days of receipt of such notice from Provider, then the Parties shall mutually select an independent appraiser with experience and expertise in the solar photovoltaic industry. Such appraiser shall act reasonably and in good faith to determine Fair Market Value and shall set forth such determination in a written opinion delivered to the Parties. The valuation made by the appraiser shall be binding upon the Parties in the absence of fraud or manifest error. The Parties shall equally share such appraisal costs.

2.5 Removal of System at Expiration. Subject to Purchaser’s exercise of its purchase option under Section 2.3, upon the expiration or earlier termination of the Agreement, Provider shall, at Provider’s expense, remove all of its tangible property comprising the System from the Premises on a mutually convenient date but in no case later than sixty (60) days after the Expiration Date. The Premises shall be returned to its original condition, except for System mounting pads or other support structures and ordinary wear and tear. If the System is to be located on a roof, then in no case shall Provider’s removal of the System affect the integrity of Purchaser’s roof, which shall be as leak proof as it was prior to removal of System (other than ordinary wear and tear). For purposes of Provider’s removal of the System, Purchaser’s covenants pursuant to Section 7.2 shall remain in effect until the date of actual removal of the System. Provider shall leave the Premises in neat and clean order. If Provider fails to remove or commence substantial efforts to remove the System by such agreed upon date, (i) Purchaser shall have the right, at its option, to remove the System to a public warehouse and restore the Premises to its original condition (other than System mounting pads or other support structures and ordinary wear and tear) at Provider’s reasonable cost, (ii) and if Provider fails to remove the System within thirty (30) days of written notice from Purchaser that Provider has failed to timely remove the System in accordance with this Section 2.5, title to the System shall automatically transfer to Purchaser.

2.6 Conditions of the Agreement Prior to Installation. In the event that any of the following events or circumstances occur prior to the Commercial Operation Date, Provider may (at its sole discretion) terminate the Agreement, in which case neither Party

shall have any liability to the other except for any such liabilities that may have accrued prior to such termination:

(a) The Provider determines that the Premises, as is, is insufficient to accommodate the System.

(b) There exist site conditions (including environmental conditions) or construction requirements that were not known as of the Effective Date and that could reasonably be expected to materially increase the cost of Installation Work or would adversely affect the electricity production from the System as designed.

(c) There is a material adverse change in the regulatory environment, incentive program or federal or state tax code (including the expiration of any incentive program or tax incentives in effect as of the Effective Date) that could reasonably be expected to adversely affect the economics of the installation for Provider and its investors.

(d) Provider is unable to obtain financing for the System on terms and conditions satisfactory to it.

(e) Provider has not received a fully executed (i) license in the form of Exhibit A of these General Conditions from the owner of the Premises, and (ii) a release or acknowledgement from any mortgagee of the Premise, if required by Provider's Financing Party, to establish the priority of its security interest in the System, and (iii) such other documentation or as may be reasonably requested by Provider to evidence Purchaser's ability to meet its obligations under Section 7.2(d)(ii) to ensure that Provider will have access to the Premises throughout the Term.

(f) There has been a material adverse change in the rights of Purchaser to occupy the Premises or Provider to construct the System on the Premises.

(g) Purchaser has not received evidence reasonably satisfactory to it that interconnection services will be available with respect to energy generated by the System.

(h) Purchaser has determined that there are easements, CCRs or other liens or encumbrances that would materially impair or prevent the installation, operation, maintenance or removal of the System.

(i) There has been a material adverse change in Purchaser's credit-worthiness.

3. CONSTRUCTION, INSTALLATION AND TESTING OF SYSTEM.

3.1 Installation Work. Provider will cause the System to be designed, engineered, installed and constructed substantially in accordance with Schedule 1 of the Special Conditions and Applicable Law. At its request, Purchaser shall have the right to review all construction plans and designs, including engineering evaluations of the impact of the System. Provider shall perform the Installation Work at the Premises between the hours of 7:00 a.m. and 7:00 p.m. in a manner that minimizes inconvenience to and interference with the use of the Premises to the extent commercially practical.

3.2 Approvals; Permits. Purchaser shall assist Provider in obtaining all necessary approvals and permits including but not limited to those related to the Local Electric Utility, any Governmental Authority, and any waivers, approvals or releases required pursuant to any applicable CCR.

3.3 Construction Requirements. Provider shall comply with Purchaser's construction requirements set forth in Exhibit C hereto.

3.4 System Acceptance Testing

(a) Provider shall conduct testing of the System in accordance with such methods, acts, guidelines, standards and criteria reasonably accepted or followed by photovoltaic solar system integrators in the United States.

(b) If the results of such testing indicate that the System is capable of generating electric energy for four (4) continuous hours, using such instruments and meters as have been installed for such purposes, and the System has been approved for interconnected operation by the Local Electric Utility, then Provider shall send a written notice to Purchaser to that effect, and the date of such notice shall be the "Commercial Operation Date."

4. SYSTEM OPERATIONS.

4.1 Provider as Owner and Operator. The System will be owned by Provider or Provider's Financing Party and will be operated and maintained and, as necessary, repaired by Provider at its sole cost and expense; provided, that any repair or maintenance costs incurred by Provider as a result Purchaser's negligence or breach of its obligations hereunder shall be reimbursed by Purchaser.

4.2 Metering. Provider shall install and maintain a utility grade kilowatt-hour (kWh) meter for the measurement of electrical energy provided by the System and may, at its election, install a utility grade kilowatt-hour (kWh) meter for the measurement of electrical energy delivered by the Local Electric Utility and consumed by Host at the Premises.

4.3 System Disruptions.

(a) Substitution of Premises. If, for reasons other than Provider's breach of its obligations hereunder, Provider ceases to have access rights to the Premises as necessary to operate the System prior to the Expiration Date, then Purchaser shall either (i) provide Provider with a mutually agreeable substitute premises in a location with similar Solar Insolation, or (ii) terminate the Agreement pursuant to Section 2.2. Purchaser shall provide at least one hundred and eighty (180) days' written notice prior to the date on which it desires to effect such substitution. In connection with such substitution, Purchaser and Provider shall amend the Agreement to specify the substitute premises. Purchaser shall also provide any new owner, lessor, or mortgagee consents or releases required by Provider's Financing Party in connection with the substitute Premises. If Purchaser is unable to obtain such consents and releases for a substitute Premises, the substitution shall not be allowed and Purchaser shall terminate the Agreement pursuant to Section 2.2 except in the case of a Force Majeure Event that results in termination pursuant to Section 10.3. Purchaser shall pay all costs associated with relocation of the System including all costs and expenses incurred by or on behalf of Provider in connection with removal of the System from the existing Premises and repair or maintenance of the Premises, if applicable, and installation and testing of the System at such substitute premises and all applicable interconnection fees and expenses at the substitute premises, as well as costs of new title search and other out of pocket expenses connected to preserving and refiling the security interest of Provider's Financing Party in the System. Provider shall make commercially reasonable efforts to remove all of its tangible property comprising the System from the vacated Premises prior to the termination of Purchaser's rights to use such Premises. Upon removal of the tangible property comprising the System from the Premises, the Premises shall be returned to its original condition, except for incidental hardware or other support structures and ordinary wear and tear. If the System is to be located on a roof, then in no case shall Provider's removal of the System affect the integrity of the roof of the Premises, which shall be as leak proof as it was prior to removal of the System. In connection with any substitution of Premises, Purchaser shall continue to make all payments for the

Solar Services, and Purchaser shall reimburse Provider for any lost revenue during any transfer or construction time period (the "Transfer Time"), including any lost revenue associated with Solar Services Payments, any reduced sales of Environmental Attributes and any reduced Solar Incentives during the Transfer Time. For the purpose of calculating Solar Services Payments and lost revenue for such Transfer Time, Solar Services shall be deemed to have been produced at the average rate over the preceding twelve (12) months (or, if the substitution occurs within the first twelve (12) months of operation, the average over such period of operation).

(b) Roof Repair and Other System Disruptions. In the event that (x) the owner or lessee of the Premises repairs the Premises' roof for any reason not directly related to damage caused by the System or by a Force Majeure Event, and such repair requires the partial or complete temporary disassembly or movement of the System, or (y) any act or omission of Purchaser or Purchaser's employees, Affiliates, agents or subcontractors (collectively, a "Purchaser Act") results in a disruption or outage in System production, then, in either case, Purchaser shall (i) pay Provider for all work required by Provider to disassemble or move the System and (ii) continue to make all payments for the Solar Services during such period of System disruption (the "Disruption Period"), and (iii) reimburse Provider for any other lost revenue during the Disruption Period, including any lost revenue associated with any reduced sales of Environmental Attributes and any reduced Solar Incentives during the Disruption Period. For the purpose of calculating Solar Services Payments and lost revenue for such Disruption Period, Solar Services shall be deemed to have been produced at the average rate over the preceding twelve (12) months (or, if the disruption occurs within the first twelve (12) months of operation, the average over such period of operation).

5. DELIVERY OF SOLAR SERVICES.

5.1 Purchase Requirement. Purchaser agrees to purchase one hundred percent (100%) of the Solar Services generated by the System and made available by Provider to Purchaser during each relevant month of the Term. While the Solar Services are calculated and billed on a per kWh basis as set forth in Schedule 2 of the Special Conditions, they represent a package of services and benefits, including reduction in the Purchaser's peak demand from the Local Electric Utility.

5.2 Estimated Annual Production. The annual estimate of Solar Services with respect to the System for any given year as determined pursuant to this

Section shall be the “Estimated Annual Production.” The Estimated Annual Production for each year of the Initial Term is set as forth in Schedule 4 of the Special Conditions.

5.3 Environmental Attributes and Solar Incentives. Purchaser’s purchase of Solar Services does not include Environmental Attributes or Solar Incentives, each of which shall be owned by Provider or Provider’s Financing Party for the duration of the System’s operating life. Purchaser disclaims any right to Solar Incentives or Environmental Attributes based upon the installation of the System at the Premises, and shall, at the request of Provider, execute any document or agreement reasonably necessary to fulfill the intent of this Section 5.3. To avoid any conflicts with fair trade rules regarding claims of solar or renewable energy use and to help ensure that Environmental Attributes will be certified by Green-e® or a similar organization, Purchaser, shall submit to SunEdison for approval any press releases regarding Purchaser’s use of solar or renewable energy from the System and shall not submit for publication any such releases without the prior written approval of Provider. Without limiting Provider’s other rights hereunder, in the event that Purchaser breaches its obligations under this Section 5.3 and, as a result thereof, the value of the Environmental Attributes generated by the System is reduced, Purchaser shall pay to Provider the value of such reduction.

5.4 Title to System. Throughout the duration of the Agreement, Provider or Provider’s Financing Party shall be the legal and beneficial owner of the System at all times, and the System shall remain the personal property of Provider or Provider’s Financing Party and shall not attach to or be deemed a part of, or fixture to, the Premises. The System shall at all times retain the legal status of personal property as defined under Article 9 of the Uniform Commercial Code. Purchaser covenants that it will use reasonable commercial efforts to place all parties having an interest in or lien upon the real property comprising the Premises on notice of the ownership of the System and the legal status or classification of the System as personal property. If there is any mortgage or fixture filing against the Premises which could reasonably be construed as attaching to the System as a fixture of the Premises, Purchaser shall provide, at Provider’s request, a disclaimer or release from such lien holder. If Purchaser is the fee owner of the Premises, Purchaser consents to the filing by Provider, on behalf of Purchaser, of a disclaimer of the System as a fixture of the Premises in the office where real estate records are customarily filed in the jurisdiction of the Premises. If Purchaser is not the fee owner, Purchaser will, at Provider’s request,

use commercially reasonable efforts to obtain such consent from such owner.

6. PRICE AND PAYMENT.

6.1 Consideration. Purchaser shall pay to Provider a monthly payment (the “Solar Services Payment”) for the Solar Services generated by the System during each calendar month of the Term equal to the product of (x) Actual Monthly Production for the System for the relevant month multiplied by (y) the kWh Rate.

6.2 Invoice. Provider shall invoice Purchaser on or about the first day of each month (each, an “Invoice Date”), commencing on the first Invoice Date to occur after the Commercial Operation Date, for the Solar Services Payment in respect of the immediately preceding month. The last invoice shall include production only through the Expiration Date of this Agreement.

6.3 Time of Payment. Purchaser shall pay all undisputed amounts due hereunder within thirty (30) days after the date of the applicable Invoice Date.

6.4 Method of Payment. Purchaser shall make all payments under the Agreement by electronic funds transfer in immediately available funds to the account designated by Provider from time to time. All payments that are not paid when due shall bear interest accruing from the date becoming past due until paid in full at a rate equal to the Stated Rate. All payments made hereunder shall be non-refundable, be made free and clear of any tax, levy, assessment, duties or other charges and not subject to reduction, withholding, set-off, or adjustment of any kind.

6.5 Disputed Payments. If a *bona fide* dispute arises with respect to any invoice, Purchaser shall not be deemed in default under the Agreement and the Parties shall not suspend the performance of their respective obligations hereunder, including payment of undisputed amounts owed hereunder. If an amount disputed by Purchaser is subsequently deemed to have been due pursuant to the applicable invoice, interest shall accrue at the Stated Rate on such amount from the date becoming past due under such invoice until the date paid.

7. GENERAL COVENANTS.

7.1 Provider’s Covenants. Provider covenants and agrees to the following:

(a) Notice of Damage or Emergency. Provider shall (x) promptly notify Purchaser if it becomes aware of any damage to or loss of the use of the System or that could reasonably be expected to adversely affect the System, (y) immediately notify Purchaser it becomes aware of any event or circumstance that poses an imminent risk to human health, the environment, the System or the Premises.

(b) System Condition. Provider shall take all actions reasonably necessary to ensure that the System is capable of providing Solar Services at a commercially reasonable continuous rate.

(c) Governmental Approvals. While providing the Installation Work, Solar Services, and System Operations, Provider shall obtain and maintain and secure all Governmental Approvals required to be obtained and maintained and secured by Provider and to enable Provider to perform such obligations.

(d) Health and Safety. Provider shall take all necessary and reasonable safety precautions with respect to providing the Installation Work, Solar Services, and System Operations that shall comply with all Applicable Laws pertaining to the health and safety of persons and real and personal property.

(e) Liens. Other than a Financing Party's security interest in or ownership of the System, Provider shall not directly or indirectly cause, create, incur, assume or suffer to exist any mortgage, pledge, lien (including mechanics', labor or materialman's lien), charge, security interest, encumbrance or claim of any nature ("Liens") on or with respect to the Premises or any interest therein, in each case to the extent such Lien arises from or is related to Provider's performance or non-performance of its obligations hereunder. If Provider breaches its obligations under this Section, it shall (i) immediately notify Purchaser in writing, (ii) promptly cause such Lien to be discharged and released of record without cost to Purchaser, and (iii) defend and indemnify Purchaser against all costs and expenses (including reasonable attorneys' fees and court costs at trial and on appeal) incurred in discharging and releasing such Lien.

7.2 Purchaser's Covenants. Purchaser covenants and agrees as follows:

(a) Notice of Damage or Emergency. Purchaser shall (x) promptly notify Provider if it becomes aware of any damage to or loss of the use of the System or that could reasonably be expected to adversely affect the System, (y) immediately notify Provider it becomes aware of any event or circumstance that poses

an imminent risk to human health, the environment, the System or the Premises.

(b) Liens. Purchaser shall not directly or indirectly cause, create, incur, assume or suffer to exist any Liens on or with respect to the System or any interest therein. If Purchaser breaches its obligations under this Section, it shall immediately notify Provider in writing, shall promptly cause such Lien to be discharged and released of record without cost to Provider, and shall indemnify Provider against all costs and expenses (including reasonable attorneys' fees and court costs at trial and on appeal) incurred in discharging and releasing such Lien.

(c) Consents and Approvals. Purchaser shall ensure that any authorizations required of Purchaser under this Agreement are provided in a timely manner. To the extent that only Purchaser is authorized to request, obtain or issue any necessary approvals, permits, rebates or other financial incentives, Purchaser shall cooperate with Provider to obtain such approvals, permits, rebates or other financial incentives.

(d) Access to Premises, Grant of License. Purchaser hereby grants to Provider a commercial license coterminous with the Term, containing all the rights necessary for Provider to use and occupy portions of the Premises for the installation, operation and maintenance of the System pursuant to the terms of this Agreement, including ingress and egress rights to the Premises for Provider and its employees, contractors and subcontractors and access to electrical panels and conduits to interconnect or disconnect the System with the Premises' electrical wiring.

(i) Regardless of whether Purchaser is owner of the Premises or leases the Premises from a landlord, Purchaser hereby covenants that (x) Provider shall have access to the Premises and System during the Term of this Agreement and for so long as reasonably needed after termination to remove the System pursuant to the applicable provisions herein, and (y) neither Purchaser nor Purchaser's landlord will interfere or handle any Provider equipment or the System without written authorization from Provider; provided, however, that Purchaser and Purchaser's landlord shall at all times have access to and the right to observe the Installation Work or System removal.

(ii) If Purchaser is a lessee of the Premises, Purchaser further covenants that it shall deliver to Provider, a license from Purchaser's landlord in substantially the form attached hereto as Exhibit A of these General Conditions.

(e) Temporary storage space during installation or removal. Purchaser shall use commercially reasonable efforts to obtain an agreement for sufficient space at the Premises for the temporary storage and staging of tools, materials and equipment and for the parking of construction crew vehicles and temporary construction trailers and facilities reasonably necessary during the Installation Work, System Operations or System removal, and access for rigging and material handling.

(f) Sunlight Easements. Purchaser will take all reasonable actions as necessary to prevent other buildings, structures or flora from overshadowing or otherwise blocking access of sunlight to the System, including but not limited to such actions as may be reasonably necessary to obtain a solar access easement for such purpose; provided that no such action shall require Purchaser to incur costs or expenses, or to exercise any of its land use or other regulatory powers as a municipality.

8. REPRESENTATIONS & WARRANTIES.

8.1 Purchaser's Representations and Warranties Relating to Agreement Validity. In addition to any other representations and warranties contained in the Agreement, Purchaser represents and warrants to Provider as of the Effective Date that:

(b) it has the full right and authority to enter into, execute, deliver, and perform its obligations under the Agreement;

(c) it has taken all requisite corporate or other action to approve the execution, delivery, and performance of the Agreement;

(d) the Agreement constitutes its legal, valid and binding obligation enforceable against such Party in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws now or hereafter in effect relating to creditors' rights generally and may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and public policy, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against cities in the State of California;

(e) there is no litigation, action, proceeding or investigation pending with service of process accomplished or notice provided that could reasonably be expected to adversely affect its ability to carry out the transactions contemplated herein; and

(f) its execution and performance of the Agreement and the transactions contemplated hereby do not constitute a breach of any term or provision of, or a default under, (i) any contract or agreement to which it is a party or by which it or any of its Affiliates or its or their property is bound, (ii) its organizational documents, or (iii) any Applicable Laws.

8.2 Provider's Representations and Warranties Relating to Agreement Validity. In addition to any other representations and warranties contained in the Agreement, Provider represents and warrants to Purchaser as of the Effective Date that:

(a) it is duly organized and validly existing and in good standing in the jurisdiction of its organization;

(b) it has the full right and authority to enter into, execute, deliver, and perform its obligations under the Agreement;

(c) it has taken all requisite corporate or other action to approve the execution, delivery, and performance of the Agreement;

(e) there is no litigation, action, proceeding or investigation pending with service of process accomplished or notice provided or, to the best of its knowledge, threatened before any court or other Governmental Authority by, against, affecting or involving any of its business or assets that could reasonably be expected to adversely affect its ability to carry out the transactions contemplated herein; and

(f) its execution and performance of the Agreement and the transactions contemplated hereby do not constitute a breach of any term or provision of, or a default under, (i) any contract or agreement to which it or any of its Affiliates is a party or by which it or any of its

Affiliates or its or their property is bound, (ii) its organizational documents, or (iii) any Applicable Laws.

8.3 Representations Regarding Security Interest. Purchaser has been advised that part of the collateral securing the financial arrangements for the System may be the granting of a first priority perfected security interest (the "Security Interest") in the System to a Financing Party. In connection therewith, Purchaser represents and warrants as follows:

(a) To Purchaser's knowledge, the granting of the Security Interest will not violate any term or condition of any covenant, restriction, lien, financing agreement, or security agreement affecting the Premises.

(b) Purchaser is aware of no existing lease, mortgage, security interest or other interest in or lien upon the Premises that could attach to the System as an interest adverse to Provider's Financing Party's Security Interest therein.

(c) To Purchaser's knowledge, there exists no event or condition which constitutes a default, or would, with the giving of notice or lapse of time, constitute a default under this Agreement.

Any Financing Party shall be an intended third-party beneficiary of this Section 8.2.

8.3 EXCLUSION OF WARRANTIES. EXCEPT AS EXPRESSLY SET FORTH IN SECTIONS 3.1, 4.1, AND 7.1 AND THIS SECTION 8, THE INSTALLATION WORK, SYSTEM OPERATIONS, AND SOLAR SERVICES PROVIDED BY PROVIDER TO PURCHASER PURSUANT TO THIS AGREEMENT SHALL BE "AS-IS WHERE-IS." NO OTHER WARRANTY TO PURCHASER OR ANY OTHER PERSON, WHETHER EXPRESS, IMPLIED OR STATUTORY, IS MADE AS TO THE INSTALLATION, DESIGN, DESCRIPTION, QUALITY, MERCHANTABILITY, COMPLETENESS, USEFUL LIFE, FUTURE ECONOMIC VIABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE OF THE SYSTEM, THE SOLAR SERVICES OR ANY OTHER SERVICE PROVIDED HEREUNDER OR DESCRIBED HEREIN, OR AS TO ANY OTHER MATTER, ALL OF WHICH ARE EXPRESSLY DISCLAIMED BY PROVIDER.

9. TAXES AND GOVERNMENTAL FEES.

9.1 Purchaser Obligations. Purchaser shall reimburse and pay for any documented taxes, fees or charges imposed or authorized by any Governmental

Authority and paid by Provider due to Provider's sale of the Solar Services to Purchaser (other than income taxes imposed upon Provider). Provider shall notify Purchaser in writing with a detailed statement of such amounts, which shall be invoiced by Provider and payable by Purchaser. Purchaser shall timely report, make filings for, and pay any and all sales, use, income, gross receipts or other taxes, and any and all franchise fees or similar fees assessed against it due to its purchase of the Solar Services. This Section 9.1 excludes taxes specified in Section 9.2.

9.2 Provider Obligations. Subject to Section 9.1 above, Provider shall be responsible for all income, gross receipts, ad valorem, personal property or real property or other similar taxes and any and all franchise fees or similar fees assessed against it due to its ownership of the System. Provider shall not be obligated for any taxes payable by or assessed against Purchaser based on or related to Purchaser's overall income or revenues.

10. FORCE MAJEURE.

10.1 Definition. "Force Majeure Event" means any act or event that prevents the affected Party from performing its obligations in accordance with the Agreement, if such act or event is beyond the reasonable control, and not the result of the fault or negligence, of the affected Party and such Party had been unable to overcome such act or event with the exercise of due diligence (including the expenditure of reasonable sums). Subject to the foregoing conditions, "Force Majeure Event" shall include without limitation the following acts or events: (i) natural phenomena, such as storms, hurricanes, floods, lightning, volcanic eruptions and earthquakes; (ii) explosions or fires arising from lightning or other causes unrelated to the acts or omissions of the Party seeking to be excused from performance; (iii) acts of war or public disorders, civil disturbances, riots, insurrection, sabotage, epidemic, terrorist acts, or rebellion; (iv) strikes or labor disputes (except strikes or labor disputes caused solely by employees of the Provider or as a result of such party's failure to comply with a collective bargaining agreement); (v) action by a Governmental Authority, including a moratorium on any activities related to the Agreement; and (vi) the inability for one of the Parties, despite its reasonable efforts, to obtain, in a timely manner, any Governmental Approval necessary to enable the affected Party to fulfill its obligations in accordance with the Agreement, provided that the delay or non-obtaining of such Governmental Approval is not attributable to the Party in question and that such Party has exercised its reasonable efforts to obtain such Permit.

A Force Majeure Event shall not be based on the economic hardship of either Party, except as described in the following paragraph.

Due to the constitutional limitations on cities pertaining to multiple year contracts, a Force Majeure event shall include a “budget non-appropriation event” in which the City’s appropriation for any year covered in this Agreement does not appropriate funds for the procurement of any utility services for City. During the continuation of a budget non-appropriation event as defined above, if the City does not otherwise have other funds available to make payments otherwise due on this Agreement, the City shall not be obligated to pay for (and the Provider shall not be required to deliver) Solar Services provided under this Agreement under the budget not-appropriation event has terminated. City agrees that if shall use its best efforts to seek appropriation for utility services during the term of this Agreement. If a budget non-appropriation event continues for more than 180 days, Provider (but not Purchaser) may terminate this Agreement.

10.2 Excused Performance. Except as otherwise specifically provided in the Agreement, neither Party shall be considered in breach of the Agreement or liable for any delay or failure to comply with the Agreement (other than the failure to pay amounts due hereunder), if and to the extent that such delay or failure is attributable to the occurrence of a Force Majeure Event; provided that the Party claiming relief under this Section 10 shall immediately (i) notify the other Party in writing of the existence of the Force Majeure Event, (ii) exercise all reasonable efforts necessary to minimize delay caused by such Force Majeure Event, (iii) notify the other Party in writing of the cessation or termination of said Force Majeure Event and (iv) resume performance of its obligations hereunder as soon as practicable thereafter; provided, however, that Purchaser shall not be excused from making any payments and paying any unpaid amounts due in respect of Solar Services delivered to Purchaser prior to the Force Majeure Event performance interruption.

10.3 Termination in Consequence of Force Majeure Event. If a Force Majeure Event shall have occurred that has affected Provider’s performance of its obligations hereunder and that has continued for a continuous period of one hundred eighty (180) days, then Purchaser shall be entitled to terminate the Agreement upon ninety (90) days’ prior written notice to Provider. If at the end of such ninety (90) day period such Force Majeure Event shall still continue, the Agreement shall automatically terminate. Upon such termination for a Force Majeure Event, neither Party shall have any liability to the other (other than any such liabilities that

have accrued prior to such termination), and the provisions of Section 2.2 (Early Termination) shall be inapplicable.

11. DEFAULT.

11.1 Provider Defaults and Purchaser Remedies.

(a) Provider Defaults. The following events shall be defaults with respect to Provider (each, a “Provider Default”):

(i) A Bankruptcy Event shall have occurred with respect to Provider;

(ii) Provider fails to pay Purchaser any undisputed amount owed under the Agreement within thirty (30) days from receipt of notice from Purchaser of such past due amount;

(iii) Provider breaches any material term of the Agreement and (A) if such breach can be cured within thirty (30) days after Purchaser’s written notice of such breach and Provider fails to so cure, or (B) Provider fails to commence and pursue a cure within such thirty (30) day period if a longer cure period is needed; and

(iv) After commencement of Installation Work at Premises and prior to the Commercial Operation Date, Provider abandons the System and fails to remove the System (or any portion thereof) from the Premises.

(b) Purchaser’s Remedies. If a Provider Default described in Section 11.1(a) has occurred and is continuing, in addition to other remedies expressly provided herein, and subject to Section 12, Purchaser may terminate the Agreement and exercise any other remedy it may have at law or equity or under the Agreement.

(c) No Early Termination Fee. Section 2.2 of the Agreement shall not apply to any termination of the Agreement by Purchaser pursuant to this Section 11.1.

11.2 Purchaser Defaults and Provider’s Remedies.

(a) Purchaser Default. The following events shall be defaults with respect to Purchaser (each, a “Purchaser Default”):

(i) A Bankruptcy Event shall have occurred with respect to Purchaser;

(ii) Purchaser breaches any material term of the Agreement if (A) such breach can be cured within thirty (30) days after Provider’s notice of such breach and Purchaser fails to so cure, or (B) Purchaser fails to commence and pursue said cure within such thirty (30) day period if a longer cure period is needed; and

(iii) Purchaser fails to pay Provider any undisputed amount due Provider under the Agreement within thirty (30) days from receipt of notice from Provider of such past due amount.

(b) Provider’s Remedies. If a Purchaser Default described in Sections 11.2(a) has occurred and is continuing, in addition to other remedies expressly provided herein, and subject to Section 12, Provider may terminate this Agreement and upon such termination, (A) Provider shall be entitled to receive from Purchaser the Early Termination Fee pursuant to Section 2.2, and (B) Provider may exercise any other remedy it may have at law or equity or under the Agreement.

11.3 Removal of System. Upon any termination of the Agreement pursuant to this Section 11, Provider will remove the System pursuant to Section 2.5 hereof, absent any purchase of the System by Purchaser pursuant to Section 2.2 hereof. If Provider fails to remove the System within thirty (30) days of written notice from Purchaser that Provider has failed to timely remove the System in accordance with this Section 11.3, title to the System shall automatically transfer to Purchaser.

12. LIMITATIONS OF LIABILITY.

12.1 Except as expressly provided herein, neither Party shall be liable to the other Party or its Indemnified Persons for any special, punitive, exemplary, indirect, or consequential damages, losses or damages for lost revenue or lost profits, whether foreseeable or not, arising out of, or in connection with the Agreement.

12.2 A Party’s maximum liability to the other Party under the Agreement, shall be limited to the aggregate Estimated Remaining Payments as of the date of the events giving rise to such liability, provided, however, the limits of liability under this Section 12.2

shall not apply with respect to (i) indemnity obligations set forth in Section 16 and (ii) any obligation of Purchaser to pay Solar Service Payments or the Early Termination Fee.

13. ASSIGNMENT.

13.1 Assignment by Provider. Provider shall not sell, transfer or assign (collectively, an “Assignment”) the Agreement or any interest therein, without the prior written consent of Purchaser, which shall not be unreasonably withheld, conditioned or delayed; provided, however, that, without the prior consent of Purchaser, Provider may (i) assign this Agreement to an Affiliate of Provider; (ii) assign this Agreement as collateral security in connection with any financing of the System (including, without limitation, pursuant to a sale-leaseback transaction). In the event that Provider identifies such secured Financing Party in Schedule 5 of the Special Conditions, or in a subsequent notice to Purchaser, then Purchaser shall comply with the provisions set forth in Exhibit B of these General Terms and Conditions. Any Financing Party shall be an intended third-party beneficiary of this Section 13.1. Any assignment by Provider pursuant to this Section 13.1 without any required prior written consent of Provider shall not release Purchaser of its obligations hereunder.

13.2. Acknowledgment of Collateral Assignment. In the event that Provider identifies a secured Financing Party in Schedule 5 of the Special Conditions, or in a subsequent notice to Purchaser, then Purchaser hereby:

(a) acknowledges the collateral assignment by Provider to the Financing Party, of Provider’s right, title and interest in, to and under the Agreement, as consented to under Section 13.1 of the Agreement.

(b) acknowledges that the Financing Party as such collateral assignee shall be entitled to exercise any and all rights of lenders generally with respect to the Provider’s interests in this Agreement.

(c) acknowledges that it has been advised that Provider has granted a first priority perfected security interest in the System to the Financing Party and that the Financing Party has relied upon the characterization of the System as personal property, as agreed in this Agreement in accepting such security interest as collateral for its financing of the System.

Any Financing Party shall be an intended third-party beneficiary of this Section 13.2.

13.3 Assignment by Purchaser. Purchaser shall not assign the Agreement or any interest therein, without Provider's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Any assignment by Purchaser without the prior written consent of Provider shall not release Purchaser of its obligations hereunder.

14. NOTICES.

14.1 Notice Addresses. Unless otherwise provided in the Agreement, all notices and communications concerning the Agreement shall be in writing and addressed to the other Party (or Financing Party, as the case may be) at the addresses set forth in Schedule 6 of the Special Conditions, or at such other address as may be designated in writing to the other Party from time to time.

14.2 Notice. Unless otherwise provided herein, any notice provided for in the Agreement shall be hand delivered, sent by registered or certified U.S. Mail, postage prepaid, or by commercial overnight delivery service, or transmitted by facsimile and shall be deemed delivered to the addressee or its office when received at the address for notice specified above when hand delivered, upon confirmation of sending when sent by facsimile (if sent during normal business hours or the next Business Day if sent at any other time), on the Business Day after being sent when sent by overnight delivery service (Saturdays, Sundays and legal holidays excluded), or five (5) Business Days after deposit in the mail when sent by U.S. mail.

15. GOODWILL AND PUBLICITY

15.1 Goodwill and Publicity. Neither Party shall use the name, trade name, service mark, or trademark of the other Party in any promotional or advertising material without the prior written consent of such other Party. The Parties shall coordinate and cooperate with each other when making public announcements related to the execution and existence of the Agreement, and each Party shall have the right to promptly review, comment upon, and approve any publicity materials, press releases, or other public statements by the other Party that refer to, or that describe any aspect of, the Agreement; provided that no such publicity releases or other public statements (except for filings or other statements or releases as may be

required by Applicable Law) shall be made by either Party without the prior written consent of the other Party. At no time will either Party acquire any rights whatsoever to any trademark, trade name, service mark, logo or other intellectual property right belonging to the other Party. Notwithstanding the foregoing, Purchaser agrees that Provider may, at its sole discretion, take photographs of the installation process of the System and/or the completed System, and Provider shall be permitted to use such images (regardless of media) in its marketing efforts, including but not limited to use in brochures, advertisements, websites and news outlet or press release articles. The images shall not include any identifying information without Purchaser permission and the installation site shall not be disclosed beyond the type of establishment (such as "Retail Store," "Distribution Center," or such other general terms), the city and state.

16. INDEMNITY.

16.1 Provider's Indemnity. Subject to Section 12, Provider agrees that it shall indemnify and hold harmless Purchaser, its permitted successors and assigns and their respective directors, officers, members, shareholders and employees (collectively, the "Purchaser Indemnified Parties") from and against any and all Losses incurred by the Purchaser Indemnified Parties to the extent arising from or out of the following: (a) any claim for or arising out of any injury to or death of any Person or loss or damage to property of any Person to the extent arising out of Provider's negligence or willful misconduct, (b) any breach of Purchaser's obligations under Section 7.2(b), or (c) any infringement of patents or the improper use of other proprietary rights by Provider or its employees or representatives that may occur in connection with the performance of the Installation Work, System Operations or Solar Services and the ownership and use of the System. Provider shall not, however, be required to reimburse or indemnify any Purchaser Indemnified Party for any Loss to the extent such Loss is due to the negligence or willful misconduct of any Purchaser Indemnified Party.

16.2 Purchaser's Indemnity. Subject to Section 12, Purchaser agrees that it shall indemnify and hold harmless Provider, its permitted successors and assigns and their respective directors, officers, members, shareholders and employees (collectively, the "Provider Indemnified Parties") from and against any and all Losses incurred by the Provider Indemnified Parties to the extent arising from or out of any claim for or arising out of any injury to or death of any Person or loss or damage to property of any Person to the extent arising out of Purchaser's negligence or willful misconduct.

Purchaser shall not, however, be required to reimburse or indemnify any Provider Indemnified Party for any Loss to the extent such Loss is due to the negligence or willful misconduct of any Provider Indemnified Party.

17. INSURANCE.

17.1 Generally. Purchaser and Provider shall each maintain the insurance coverages set forth in Exhibit D in full force and effect throughout the Term either through insurance policies or acceptable self-insured retentions.

18. MISCELLANEOUS.

18.1 Integration; Exhibits. The Agreement, together with the Exhibits and Schedules attached thereto and hereto, constitute the entire agreement and understanding between Provider and Purchaser with respect to the subject matter thereof and supersedes all prior agreements relating to the subject matter hereof, which are of no further force or effect. The Exhibits and Schedules attached thereto and hereto are integral parts hereof and are made a part of the Agreement by reference. In the event of a conflict between the provisions of these General Conditions and any applicable Special Conditions, the provisions of the Special Conditions shall prevail.

18.2 Amendments. This Agreement may only be amended, modified or supplemented by an instrument in writing executed by duly authorized representatives of Provider and Purchaser.

18.3 Industry Standards. Except as otherwise set forth herein, for the purpose of the Agreement the normal standards of performance within the solar photovoltaic power generation industry in the relevant market shall be the measure of whether a Party's performance is reasonable and timely. Unless expressly defined herein, words having well-known technical or trade meanings shall be so construed.

18.4 Cumulative Remedies. Except as set forth to the contrary herein, any right or remedy of Provider or Purchaser shall be cumulative and without prejudice to any other right or remedy, whether contained herein or not.

18.5 Sovereign Immunity. To the extent permitted by Applicable Law, Purchaser hereby waives any defense of sovereign immunity that Purchaser might otherwise have in connection with any action taken by Provider to enforce its rights against Purchaser under this

Agreement; provided however, that Purchaser does not waive the provisions and procedural requirements specified under the laws of the State of California, the San Jose Charter and the San Jose Municipal Code applicable to commencing an action against Purchaser, which requirements differ from those provisions and requirements applicable to individuals and non-governmental entities.

18.6 Limited Effect of Waiver. The failure of Provider or Purchaser to enforce any of the provisions of the Agreement, or the waiver thereof, shall not be construed as a general waiver or relinquishment on its part of any such provision, in any other instance or of any other provision in any instance.

18.6 Survival. The obligations under Sections 2.2 (Early Termination), 2.5 (Removal of System), Section 7.1(d) (Provider Covenant), Sections 7.2(d), (e), (f) and (g) (Purchaser Covenants), Section 8.3 (Exclusion of Warranties), Article 9 (Taxes and Governmental Fees), Article 12 (Limitation of Liability), Article 14 (Notices), Article 15 (Confidentiality), Article 18 (Miscellaneous), or pursuant to other provisions of this Agreement that, by their sense and context, are intended to survive termination of this Agreement shall survive the expiration or termination of this Agreement for any reason.

18.7 Governing Law. This Agreement shall be governed by and construed in accordance with the domestic laws of the State of California without reference to any choice of law principles. The Parties agree that the courts of the State of California and the Federal Courts sitting therein shall have jurisdiction over any action or proceeding arising under the Agreement to the fullest extent permitted by Applicable Law. The Parties waive to the fullest extent permitted by Applicable Law any objection it may have to the laying of venue of any action or proceeding under this Agreement any courts described in this Section 18.7.

18.8 Severability. If any term, covenant or condition in the Agreement shall, to any extent, be invalid or unenforceable in any respect under Applicable Law, the remainder of the Agreement shall not be affected thereby, and each term, covenant or condition of the Agreement shall be valid and enforceable to the fullest extent permitted by Applicable Law and, if appropriate, such invalid or unenforceable provision shall be modified or replaced to give effect to the underlying intent of the Parties and to the intended economic benefits of the Parties.

18.9 Relation of the Parties. The relationship between Provider and Purchaser shall not be

that of partners, agents, or joint ventures for one another, and nothing contained in the Agreement shall be deemed to constitute a partnership or agency agreement between them for any purposes, including federal income tax purposes. Provider and Purchaser, in performing any of their obligations hereunder, shall be independent contractors or independent parties and shall discharge their contractual obligations at their own risk.

18.10 Successors and Assigns. This Agreement and the rights and obligations under the Agreement shall be binding upon and shall inure to the benefit of Provider and Purchaser and their respective successors and permitted assigns.

18.11 Counterparts. This Agreement may be executed in one or more counterparts, all of which taken together shall constitute one and the same instrument

18.12 Liquidated Damages Not Penalty. Purchaser acknowledges that the Early Termination Fee constitutes liquidated damages, and not penalties, in lieu of Provider's actual damages resulting from the early termination of the Agreement. Purchaser further acknowledges that Provider's actual damages may be impractical and difficult to accurately ascertain, and in accordance with Purchaser's rights and obligations under the Agreement, the Early Termination Fee constitutes fair and reasonable damages to be borne by Purchaser in lieu of Provider's actual damages.

18.13 Gifts. (a) Provider is familiar with Purchaser's prohibition against the acceptance of any gift by a City officer or designated employee, which prohibition is found in Chapter 12.08 of the San Jose Municipal Code. (b) Provider agrees not to offer any City officer or designated employee any gift prohibited by said Chapter. (c) The offer or giving of any gift prohibited by Chapter 12.08 shall constitute a material breach of this Agreement by Seller. In addition to any other remedies Purchaser may have in law or equity, Buyer may terminate this Agreement for such breach as provided in this Agreement

18.14 Disqualification of Former Employees. Provider is familiar with the provisions relating to the disqualification of former officers and employees of City in matters which are connected with former duties or official responsibilities as set forth in Chapter 12.10 of the San Jose Municipal Code ("Revolving Door Ordinance"). Provider shall not utilize either directly or indirectly any officer, employee, or agent of City to perform services under this Agreement, if in the performance of such services, the officer, employee, or agent would be in violation of the Revolving Door Ordinance.

18.15. Nondiscrimination and Non Preferential Treatment (a) Provider shall not discriminate against or grant preferential treatment to any person on the basis of race, sex, color, age, religion, sexual orientation, disability, ethnicity or national origin. This provision is applicable to recruiting, hiring, demotion, layoff, termination, compensation, fringe benefits, advancement, training, apprenticeship and other terms, conditions, or privileges of employment, subcontracting and purchasing. Nothing herein shall be interpreted as precluding any reasonable accommodation provided to any person with a disability. (b) If directed by the Compliance Officer of City, Provider shall file, and cause any subcontractor to file, compliance reports with the Compliance Officer. Compliance reports shall be in the form and filed at such times as may be designated by the Compliance Officer. Compliance reports shall contain such information and be supported by such data or records as may be requested by the Compliance Officer to determine whether Seller or its subcontractor is complying with the nondiscrimination and nonpreference provisions of this Agreement and Chapter 4.08 of the Municipal Code. (c) If the Compliance Officer determines that Seller has not complied with the nondiscrimination or nonpreferential treatment provisions of this Agreement, the Provider may terminate or suspend this Agreement, in whole or in part. Failure to comply with these provisions may also subject Provider and/or its subcontractor(s) to debarment proceedings pursuant to provisions of the San Jose Municipal Code. Failure to comply with these provisions is a violation of Chapter 4.08 of the San Jose Municipal Code and is a misdemeanor. (d) Provider shall include provisions 1 through 3, inclusive, in each subcontract entered into in furtherance of this Agreement so that such provisions are binding upon each of its subcontractors. (e) The nondiscrimination provisions of this Agreement may be waived by the Compliance Officer, if the Compliance Officer determines that the Seller has its own nondiscrimination requirements or is bound in the performance of this Agreement by the nondiscrimination requirements of another governmental agency, and the nondiscrimination provisions of the Provider or other governmental agency are substantially the same as those imposed by the City.

Nothing herein requires the Financing Party to cure any default of Provider under this Agreement or (unless the Financing Party has succeeded to Provider's interests under this Agreement) to perform any act, duty or obligation of Provider under this Agreement, but Purchaser hereby gives it the option to do so.

iii. Upon the exercise of remedies under its security interest in the System, including any sale thereof by the Financing Party, whether by judicial proceeding or under any power of sale contained therein, or any conveyance from Provider to the Financing Party (or any assignee of the Financing Party) in lieu thereof, the Financing Party shall give notice to Host of the transferee or assignee of this Agreement. Any such exercise of remedies shall not constitute a default under this Agreement.

Upon any rejection or other termination of this Agreement pursuant to any process undertaken with respect to Provider under the United States Bankruptcy Code, at the request of the Financing Party made within ninety (90) days of such termination or rejection, Host shall enter into a new agreement with the Financing Party or its assignee having the same terms and conditions as this Agreement.

ATTACHMENT 1 TO EXHIBIT C
LABOR COMPLIANCE ADDENDUM

AGREEMENT TITLE:	<i>INSERT "Name of Agreement"</i>
CONTRACTOR Name and Address:	

By executing this Addendum, Contractor acknowledges and agrees that the work performed pursuant to the above referenced Agreement or Service Order is subject to all applicable provisions.

Payment of Minimum Compensation to Employees. Contractor shall be obligated to pay not less than the General Prevailing Wage Rate and/or Living Wage Rate as indicated in the attached Exhibit(s) titled **Work Classification and/or Living Wage Determination**.

A. *Prevailing Wage Requirements.* California Labor Code and/ or Resolutions of the San Jose City Council require the payment of not less than the general prevailing rate of per diem wages and rates for holiday and overtime and adherence to all labor standards and regulations. The General Prevailing Wage Rates may be adjusted throughout the term of this Agreement. Notwithstanding any other provision of this Agreement, Contractor shall not be entitled to any adjustment in compensation rates in the event there are adjustments to the General Prevailing Wage Rates.

B. *Living Wage Requirements.* Any person employed by Contractor or subcontractor or City financial recipient or any subrecipient whose compensation is attributable to the City's financial assistance, who meets the following requirements is considered a covered employee. The employee: 1) is not a person who provides volunteer services, that are uncompensated except for reimbursement of expenses such as meals, parking or transportation; 2) spends at least half of his or her time on work for the City [4 hours a day

or 20 hours a week]; 3) is at least eighteen (18) years of age; and 4) is not in training for the period of training specified under training standards approved by the City.

C. Reports. Contractor shall file a completed and executed copy of this Addendum with the Department of General Services. Upon award the Department of General Services shall provide the contractor with compliance documents to be completed and returned (with supporting documentation) to the Office of Equality Assurance. **These documents must be returned within 10 days of receipt.** Contractor shall not perform on site work on this contract until labor compliance documents are filed. Contractor shall also report additional information, including certified payrolls, as requested by Director of Equality Assurance to assure adherence to the Policy.

D. Coexistence with Any Other Employee Rights. These provisions shall not be construed to limit an employee's ability to bring any legal action for violation of any rights of the employee.

E. Audit Rights. All records or documents required to be kept pursuant to this Agreement to verify compliance with the Wage Requirement shall be made available for audit at no cost to City, at any time during regular business hours, upon written request by the City Attorney, City Auditor, City Manager, or a designated representative of any of these officers. Copies of such records or documents shall be provided to City for audit at City Hall when it is practical to do so. Otherwise, unless an alternative is mutually agreed upon, the records or documents shall be available at Contractor's address indicated for receipt of notices in this Contract.

F. Enforcement.

1. General. Contractor acknowledges it has read and understands that, pursuant to the terms and conditions of this Agreement, it is required to comply with the Wage Requirement and to submit certain documentation to the City establishing its compliance with such requirement. ("Documentation Provision.") Contractor further acknowledges the City has determined that the Wage Requirement promotes each of the following (collectively "Goals"):

- a. It protects City job opportunities and stimulates the City's economy by reducing the incentive to recruit and pay a substandard wage to labor from distant, cheap-labor areas.
- b. It benefits the public through the superior efficiency of well-paid employees, whereas the payment of inadequate compensation tends to negatively affect the quality of services to the City by fostering high turnover and instability in the workplace.

- c. Paying workers a wage that enables them not to live in poverty is beneficial to the health and welfare of all citizens of San Jose because it increases the ability of such workers to attain sustenance, decreases the amount of poverty and reduces the amount of taxpayer funded social services in San Jose.
- d. It increases competition by promoting a more level playing field among contractors with regard to the wages paid to workers.

2. Remedies for Contractor's Breach of Prevailing Wage/Living Wage Provisions.

- a. **WITHHOLDING OF PAYMENT:** Contractor agrees that the Documentation Provision is critical to the City's ability to monitor Contractor's compliance with the Wage Requirement and to ultimately achieve the Goals. Contractor further agrees its breach of the Documentation Provision results in the need for additional enforcement action to verify compliance with the Wage Requirement. In light of the critical importance of the Documentation Provision, the City and Contractor agree that Contractor's compliance with this Provision, as well as the Wage Requirement, is an express condition of City's obligation to make each payment due to the Contractor pursuant to this Agreement. **THE CITY IS NOT OBLIGATED TO MAKE ANY PAYMENT DUE THE CONTRACTOR UNTIL CONTRACTOR HAS PERFORMED ALL OF ITS OBLIGATIONS UNDER THESE PROVISIONS. THIS PROVISION MEANS THAT CITY CAN WITHHOLD ALL OR PART OF A PAYMENT TO CONTRACTOR UNTIL ALL REQUIRED DOCUMENTATION IS SUBMITTED.** Any payment by the City despite Contractor's failure to fully perform its obligations under these provisions shall not be deemed to be a waiver of any other term or condition contained in this Agreement or a waiver of the right to withhold payment for any subsequent breach of the Wage Requirement or the Documentation Provision.
- b. **RESTITUTION:** Contractor agrees that in the event of a breach of its obligations it will pay any amounts underpaid in violation of the required payments and City's administrative costs and liquidated damages and, in the case of financial assistance, to refund any sums disbursed by the City.
- c. **LIQUIDATED DAMAGES FOR BREACH OF WAGE PROVISION:** Contractor agrees its breach of the Wage Requirement would cause the City damage by undermining the Goals, and City's damage would not be remedied by Contractor's payment of restitution to the workers who were paid a substandard wage. Contractor further agrees that such damage would increase the greater the number of employees not paid the applicable prevailing wage and the longer the amount of time over which such wages were not paid. The City and Contractor

mutually agree that making a precise determination of the amount of City’s damages as a result of Contractor’s breach of the Wage Requirement would be impracticable and/or extremely difficult. **THEREFORE, THE PARTIES AGREE THAT, IN THE EVENT OF SUCH A BREACH, CONTRACTOR SHALL PAY TO THE CITY AS LIQUIDATED DAMAGES THE SUM OF THREE (3) TIMES THE DIFFERENCE BETWEEN THE ACTUAL AMOUNT OF WAGES PAID AND THE AMOUNT OF WAGES THAT SHOULD HAVE BEEN PAID.**

- d. **ADDITIONAL REMEDIES:** Contractor agrees that in addition to the remedies set forth above City retains the right to suspend or terminate the Agreement for cause and to debar Contractor or subcontractors from future City contracts and/or deem the recipient ineligible for future financial assistance.

incorporated in contracts entered into now. Contact the Division of Labor Statistics and Research for specific rates (415) 703-4774.
