- B. The Arena A, B, C, & D Lots consists of the Municipal off-street surface parking facilities located adjacent to the HP Pavilion in San José ("Arena"). The parking rates set forth in this Resolution shall apply only when the City has the right to utilize these facilities pursuant to the Arena Management Agreement, which are days when there are no Arena events scheduled. The Arena Management Agreement expires July 31, 2018 and has one (1) five-year option to extend. The City's authority to set and charge parking rates at these facilities shall be subject to the terms and conditions of any such parking agreement.
- C. Class "A" Buildings are those buildings in the Downtown that provide on-site parking and meet their own parking needs based on the current parking requirements set forth in Title 20 of the San José Municipal Code.
- D. Class "B" Buildings are those buildings in the Downtown that do not have their own dedicated on-site or off-site parking to meet their parking need based on the current parking requirements set forth in Title 20 of the San Jose Municipal Code.
- E. Class "C" Buildings are those historic buildings in the Downtown which have been renovated and do not have their own dedicated on-site or off-site parking to meet their parking need based on the current parking requirements set forth in Title 20 of the San José Municipal Code.
- F. Clean-Air Vehicle means either one of the following types of vehicles: (1) vehicles that are eligible to apply for the State of California Carpool lane sticker for a single occupancy vehicle; or (2) any vehicle to which the City of San José has issued a tag identifying it as a Neighborhood Electric Vehicle ("NEV").
- G. Clean-Air Vehicle Program means a parking program which offers free parking at designated Municipal Off-Street Parking Facilities and On-Street Parking Meters throughout the City for Zero Emission Vehicles, as identified by the California Air

Resources Board, and registered in the City of San José; and Clean-Air Vehicles purchased after January 1, 2000 from licensed auto dealership in the City of San José, and is established and operated as follows:

- The Clean-Air Vehicle Program commenced on July 1, 2007 and shall expire on June 30, 2011. The program may be extended by the Director annually thereafter, as long as the parking supply and demand supports continuation of the program.
  - The Director shall administer an application process for the program and distribute a Clean-Air Vehicle permit to qualified owners of Clean-Air Vehicles. The City shall charge a \$30 administrative fee for each new or replacement permit to cover the administrative cost of the program. The application for the Clean-Air Vehicle permit may require pertinent information from applicants such as, but not limited to, applicant's name, address, make, model, Vehicle Identification Number, Vehicle License Plate Number, point-of-sale receipts and copies of DMV registration.
  - Each Clean-Air Vehicle must display a Clean-Air Vehicle permit provided by the Director signifying that it is a Clean-Air Vehicle.
  - The Director is authorized to add or remove any Municipal Off-Street Parking Facility from the Clean-Air Vehicle Program as necessary.
- H. Director means the Director or designee, of the Department of Transportation, or the subsequent Director of the Department responsible for the City's Parking Program.
- I. Downtown and Downtown Core refer to the areas highlighted on **Exhibit I**.
- J. Downtown Incubator Program has the following meaning:
- The Redevelopment Agency's Downtown Incubator Program ("Incubator Program") is a program approved by the Redevelopment Agency Board to provide office space and business development and support services to start-up companies.
  - Participants in the Incubator Program include business entities whose businesses are accepted into the Environmental Business Cluster ("EBC"), U.S. Market Access Center (US MAC), Software Development Forum (SD Forum), and the San José Entrepreneur Center (eCenter), and are located in the San José Innovation Center at 100 East Santa Clara Street.

- K. Existing Business/Tenant for purposes of the 50% Discounted Parking Incentive Program means an individual or entity with an existing fully executed written lease agreement for a Downtown office or commercial retail building entered into on or before January 1, 2010 and has been purchasing at least one monthly parking permit in a City facility at the time of application; and that 1) relocates and enters into another written lease agreement for a different Downtown office or commercial retail building on or after January 1, 2010; or 2) executes a lease extension in their current Downtown office or commercial retail building on or after January 1, 2010.
- L. Neighborhood Electric Vehicle (NEV) means an electric, zero emission vehicle that is allowed on roads with posted speed limits of 35 MPH or less. NEVs are not eligible for the State of California Carpool Lane sticker because they are restricted from going over 35 MPH.
- M. New Business/Tenant means either a business/tenant that is locating into a Class "B" or "C" building in Downtown for the first time or a business/tenant that is relocating from an existing Downtown location and entering into a new lease in a Class "B" or "C" building at a different Downtown location.
- N. New Business/Tenant for purposes of the Free Parking Incentive Program means an individual or entity that has entered into a fully executed written lease agreement for a Downtown office or commercial retail building on or after January 1, 2010 and did not occupy a Downtown office or commercial retail building for at least three (3) months prior to January 1, 2010.
- O. Off-Street Parking means public parking in facilities, not on the public right-of-way, which are owned, leased, or otherwise controlled by the City of San José and/or the Redevelopment Agency.
- P. On-Street Parking means designated metered parking in the public right-of-way within parking meter districts established by the City Council.
- Q. Parking Administrator means the City staff person responsible for supervising and administering the City's parking program.
- R. Parking Incentive Program refers to various discounted monthly parking programs provided to qualified software and environmental companies, start-up companies in the Downtown Incubator Program, and New Business/Tenants.
- S. Pavilion Garage refers to a privately owned and operated parking facility that is required through an agreement with the Redevelopment Agency to participate in any public parking program in effect by the City of San José, including the

Downtown Parking Validation Program and the Downtown Cinema Validation Program.

- T. Redevelopment Agency Parking Facilities refers to the following parking facilities owned and operated by the Redevelopment Agency of the City of San José that participate in the Downtown Parking Validation Program and the Downtown Cinema Validation Program:
- Central Place Garage
  - Central Place Lot
  - Fountain Alley Lot
- U. Relocating Existing Business/Tenant for purposes of the Free Parking Incentive Program means an individual or entity with an existing fully executed written lease agreement for a Downtown office or commercial retail building entered into before January 1, 2010 and has not been purchasing monthly parking in a City facility at any time during the twelve (12) months prior to application; and that 1) relocates and enters into another written lease agreement for a different Downtown office or commercial retail building on or after January 1, 2010; or 2) executes a lease extension in their current Downtown office or commercial retail building on or after January 1, 2010.
- V. Social Service Provider means a non-profit group that serves the needs of children and families, the poor or homeless, immigrants, veterans, the mentally ill, the disabled, victims of crime or domestic violence, and persons dependent on alcohol or drugs through direct services.
- W. Software and Environmental Business means a business entity engaged in software and environmental business programs and development.
- X. Special Event means a group activity including, but not limited to, a performance, meeting, assembly, contest, exhibit, ceremony, parade, festival or athletic competition.
- Y. Under-Utilized Municipal Off-Street Parking Facility means a Municipal off-street facility with excess monthly parking capacity when the Director determines that fifty percent (50%) or more of the parking spaces allocated for monthly parking are vacant according to City guidelines, and are reasonably expected by the Director remain vacant for six (6) months. Once a facility no longer meets the criteria for being under-utilized, it shall automatically cease to be an Under-Utilized Municipal Off-Street Parking Facility.

## **SECTION 2. RATES**

- A. Off-Street Parking. The rates for off-street parking at the Facilities described above in Section 1 are set forth in **Exhibit II**, attached hereto, and incorporated and made a part hereof as if fully set forth at length in this Resolution.
1. The Director shall have the authority to adjust the maximum daily and monthly rates within the specified ranges shown on **Exhibit II**. An advisory review by the Downtown Parking Board is required before any adjustment of these rates. The Director's decision shall be final. The Director shall prepare an informational memo to the City Council before implementation of rate adjustments.
    - a. The maximum daily and monthly parking rates may be adjusted downward to the lowest level in the rate range at a facility where occupancy during the weekday peak hours (between 10 a.m. and 2 p.m.) is less than seventy percent (70%) for an approximate three (3) month period.
    - b. The maximum daily and monthly parking rates may be adjusted upward to the highest level in the rate range at a facility where occupancy during the weekday peak hours (between 10 a.m. and 2 p.m.) is greater than ninety percent (90%) for an approximate three (3) month period.
    - c. The maximum daily and monthly parking rates may be set at mid-point of the rate range at a facility where occupancy during the weekday peak hours (between 10 a.m. and 2 p.m.) is between seventy percent (70%) and ninety percent (90%) for an approximate three (3) month period.
  2. The Premium Monthly Rate shall be computed by multiplying 1.5 times the Monthly Rate, and the Reserved Monthly Rate shall be computed by multiplying 2.0 times the Monthly Rate.
  3. Under the Clean-Air Vehicle Program, Zero Emission Vehicles registered in the City of San José and Clean-Air Vehicles purchased after January 1, 2000 from a licensed auto dealership in the City of San José shall be entitled to free parking at designated Municipal Off-Street Parking Facilities as shown in **Exhibit II**. Each Clean-Air Vehicle must display a Clean-Air Vehicle permit provided by the Director signifying that it is a Clean Air Vehicle. All Clean-Air Vehicles parking at Municipal Off-street Parking Facilities shall adhere to the posted parking rules and regulations. The Director of DOT is authorized to extend the program, after June 30, 2011, on a year-to-year basis, if sufficient parking supply remains available to meet demand at the time of extension. If

occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, the Director shall evaluate conditions including parking occupancy, office occupancy, and other related indicators to determine if the program can continue or should be discontinued.

4. The Director is authorized to charge fifty percent (50%) of the Regular Monthly Parking Rate to San José State University ("SJSU") students desiring to purchase monthly parking permits at any facility that the Director determines is an Under-Utilized Municipal Parking Facility according to the definition in Section 1. SJSU students shall be eligible for this reduced monthly parking rate only upon providing proof, sufficient to the Director, that they are currently enrolled in six (6) or more units at SJSU. These discounted rates are offered on a month-to-month basis only and are based on occupancy. These rates are terminable within thirty (30) days by the Director. These reduced rates are intended to assist in managing SJSU's parking demands within the Downtown parking inventory.
5. The Director is authorized to charge fifty percent (50%) of the Regular Monthly Parking Rate to Downtown Merchants and their employees desiring to purchase monthly parking permits at any facility that the Director determines is an Under-Utilized Municipal Parking Facility according to the definition in Section 1. Merchants and their employees shall be eligible for this reduced parking rate only upon providing proof, sufficient to the Director, that their business or place of employment meets the criteria for the Downtown Parking Validation Program in Section 4.A.1 of this Resolution. These discounted rates are offered on a month-to-month basis only and are based on occupancy. These rates are terminable within thirty (30) days by the Director. These reduced rates are intended to manage retail employee parking demands within the Downtown parking inventory.
6. The Director shall publish a schedule of discounted rates for the programs in Sections 2.A.4 and 2.A.5 for those facilities meeting the definition of Under-Utilized Municipal Parking Facility. The schedule shall state the program under which the discount is being offered, the amount of spaces available at the discounted rate, the location of the parking spaces and the period of time the rate is valid. The schedule of discounted rates shall also state that the discount will not be applicable to any facility that no longer qualifies as an Under-Utilized Municipal Parking Facility according to the definition in Section 1.
7. The Director shall have the authority to add and/or remove parking facilities from the Master Parking Rate Schedule shown on **Exhibit II** as facilities are added or removed from the City's parking inventory. The rates charged at

new parking facilities shall be the prevailing rate for other City-owned parking facilities in the parking rate zone in which it is located on **Exhibit III**.

8. The Director shall have the authority to adjust the Special Event Rate within the ranges shown on **Exhibit II** at the designated off-street parking facilities on a daily basis according to anticipated special event attendance, date of event, proximity of facility to event, and the area's general parking supply and demands.
9. The Director or Team San José, as applicable and in accordance with the written agreement between the City and Team San José executed on January 27, 2009, may set, reduce or increase the parking rates at the Convention Center Garage, including the Special Event Rate, Event In-Out Day Pass, Reserved Daily Parking Rate, and the Incremental Maximum Daily Rate within the specified ranges as shown on **Exhibit II** for events if it is determined that a reduction or increase is necessary to:
  - a. optimize use of spaces in the Convention Center Garage; and/or
  - b. attract events that contribute to the economic vitality of San José.

When the Director or Team San José, as applicable, considers a reduction of the Special Event Rate, Reserved Daily Rate, and the Incremental Maximum Daily Rates from the normal rate, the Director or Team San José shall assess the event's economic benefit, the projected number of parking spaces needed, and the demand for parking spaces at the Convention Center Garage.

10. Software and Environmental Business Parking Incentive Program -- Beginning on November 17, 2007 and ending on June 30, 2011, the Executive Director of the Redevelopment Agency or his/her designee shall accept applications from Software and Environmental Businesses to participate in the City's Parking Incentive Program. Qualified businesses will receive a fifty percent (50%) discount off the current monthly parking rate for twenty-four (24) months. If the parking incentive program is discontinued, the discount rate for existing participants will be continued for the full twenty-four (24) months. Permits cannot be sub-leased or transferred at a marked up rate. The Director of DOT is authorized to extend the program, after June 30, 2011, on a year-to-year basis, if sufficient parking supply remains available to meet demand at the time of extension. If occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, the Director shall evaluate conditions including parking occupancy, office

occupancy, and other related indicators to determine if the program can continue or should be discontinued.

11. Downtown Incubator Parking Incentive Program -- Beginning on November 17, 2007 and ending on June 30, 2011, the Executive Director of the Redevelopment Agency or his/her designee shall accept applications from start-up companies for the Incubator Program to participate in the City's Parking Incentive Program. Qualified start-up companies will receive a fifty percent (50%) discount off the current monthly parking rate, for a minimum twenty-four (24) month period, during the time that they are tenants and participants in the Incubator Program. Start-up companies participating in the Incubator Program beyond twenty-four (24) months will continue to receive a fifty percent (50%) monthly parking discount as long as the City continues the Parking Incentive Program. If the Redevelopment Agency terminates an incubator's lease or membership in the Incubator Program, the incubator will no longer be eligible for the fifty percent (50%) monthly parking rate discount. If the parking incentive program is discontinued, the discount rate for existing participants will be continued for the full twenty-four (24) months. The Director of DOT is authorized to extend the discounted monthly parking program, after June 30, 2011, on a year-to-year basis, if sufficient parking supply remains available to meet demand at the time of extension. If occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, the Director of DOT shall evaluate conditions including parking occupancy, office occupancy, and other related indicators to determine if the program can continue or should be discontinued.
  
12. New Business/Tenant Parking Incentive Program -- Beginning on July 1, 2007 and ending on June 30, 2011, the Director or his/her designee shall accept applications from New Business/Tenants to participate in the City's Parking Incentive Program. Qualified new businesses/tenants will receive a parking rate per space discount and pay \$75 per month (per space) for lease requests from 5 to 300 spaces for new businesses and tenants to the Downtown. The discounted rate is for a maximum twenty-four (24) months regardless of the date the lease was initiated prior to June 30, 2011. To obtain the reduced rate a minimum six-month lease period is required and thereafter a minimum of a month-to-month lease is required. Participation is restricted to tenants of Class "B" and "C" buildings or buildings without dedicated parking. The lease agreement is with the business/tenant and parking permits cannot be sub-leased or transferred. The Director or his/her designee shall retain the right to choose which Municipal Off-Street Parking Facility a company may use during the lease at any time and is authorized to extend the program after June 30, 2011, on a year-to-year basis, if sufficient parking supply remains available to meet demand at the time of extension. If

occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, the Director shall evaluate conditions including parking occupancy, office occupancy, and other related indicators to determine if the program can continue or should be discontinued.

13. Beginning on July 1, 2007 and ending on June 30, 2010, the Director has the authority to offer Class "B" and "C" Buildings, or buildings without dedicated parking the ability to lease one (1) parking space per 1,000 square feet of office space, up to a maximum of 150 parking spaces per office complex (e.g. cluster of office buildings co-located). The lease rate is \$100 per space per month. If the building owner does not have a specific tenant to apply the long term parking lease, the building owner may secure the lease for \$25 per month per space while seeking a tenant and once the tenant is secured and the parking spaces activated the \$100 rate will be charged. The lease term is available for up to sixty (60) months regardless of the date the lease was initiated prior to June 30, 2010. The Director shall retain the right to choose which Municipal Off-Street Parking Facility a company may use during the lease and is authorized to extend the program, after June 30, 2010, on a year-to-year basis, if sufficient parking supply remains available to meet demand at the time of extension. If occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, the Director shall evaluate conditions including parking occupancy, office occupancy, and other related indicators to determine if the program can continue or should be discontinued.
14. New Business/Tenant or Relocating Existing Business/Tenant - Free Parking Incentive Program – Beginning on April 6, 2010 and ending on June 30, 2011, Director shall accept applications from New or Relocating Existing Businesses/Tenants to participate in the City's Free Parking Incentive Program. Each qualified New or Relocating Existing Business/Tenant will receive free parking in a Downtown Municipal Off-Street Facility, as determined by the Director, for a maximum of fifty (50) parking permits and up to a maximum of twenty-four (24) months. The actual number of months of free parking will be equal to one-half the length of the parking lease agreement that is executed between the applicant and City as set forth below. For example, a New or Relocating Existing Business/Tenant that fully executes a forty-eight (48) month Downtown building/office lease and a separate forty-eight (48) month parking lease agreement with City would be eligible to receive twenty-four (24) months of free parking and required to pay the regular monthly rate for the remaining twenty-four (24) months. A detail summary of the program is set forth in Exhibit V.

- a. In order to be eligible for the program, New or Relocating Existing Business/Tenant shall sign a parking lease agreement provided by the City that establishes the length of term, the number of months of free parking, the number of months of paid parking at the City's regular established rate, a one month deposit per parking permit at the regular monthly parking rate, penalties for early termination, and additional fees assessed as set forth in detail in Exhibit V.
  - b. Director shall assess which Municipal Off-Street Parking Facility the New or Relocating Business/Tenant will use during the duration of the parking lease agreement. Director is authorized to extend the program, after June 30, 2011, on a year-to-year or month-to-month basis, if sufficient parking supply remains available to meet demand at the time of extension. Other factors that will be considered by the Director in determining whether to extend the parking incentives include the fiscal status of the General Purpose Parking Fund and the economic need for the incentive programs in the Downtown. Additionally, if occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, Director shall evaluate conditions including parking occupancy, office occupancy and other related indicators to determine if the program can continue or should be discontinued. If the program is discontinued, the terms and conditions of existing parking lease agreements will remain in full force and effect.
15. Existing Business/Tenant - 50% Discount Parking Incentive Program – Beginning on April 6, 2010 and ending on June 30, 2011, Director shall accept applications from Existing Business/Tenant to participate in the City's 50% Discount Parking Incentive Program. Each qualified Existing Business/Tenant will receive a 50% discount on parking off the regular established monthly rate in a Downtown Municipal Off-Street Parking Facility, as determined by the Director, for a maximum of fifty (50) parking permits and up to a maximum of twenty-four (24) months. The actual number of months of the 50% discounted parking will be equal to one-half the length of the parking lease agreement that is executed between the applicant and City as set forth below. For example, an Existing Business/Tenant that fully executes a forty-eight (48) month Downtown building/office lease agreement and a separate forty-eight (48) month parking lease agreement with City would be eligible to receive twenty-four (24) months of 50% discounted parking and required to pay the regular monthly rate for the remaining twenty-four (24) months. Director is authorized to enter into leases with qualified Existing Business/Tenant for a maximum of 500 parking permits system-wide. A detail summary of the program is set forth in Exhibit V.

- a. In order to be eligible for the program, New or Relocating Existing Business/Tenant shall sign a parking lease agreement provided by the City that establishes the length of term, the number of months of free parking, the number of months of paid parking at the City's regular established rate, a one month deposit per parking permit at the regular monthly parking rate, penalties for early termination, and additional fees assessed as forth in detail in Exhibit V.
  - b. Director shall assess which Municipal Off-Street Parking Facility the Existing Business/Tenant will use during the duration of the parking lease agreement. Director is authorized to extend the program, after June 30, 2011, on a year-to-year or month-to-month basis, if sufficient parking supply remains available to meet demand at the time of extension. Other factors that will be considered by Director in determining whether to extend the parking incentives include the fiscal status of the General Purpose Parking Fund and the economic need for the incentive programs in the Downtown. Additionally, if occupancy reaches eighty percent (80%) (either system wide or by facility) at any time during the program, the Director shall evaluate conditions including parking occupancy, office occupancy and other related indicators to determine if the program can continue or should be discontinued. If the program is discontinued, the terms and conditions of existing parking lease agreements will remain in full force and effect.
- B. On-Street Parking. The rates for on-street parking as defined in Section 1 are shown on Exhibit IV, attached hereto and incorporated and made a part hereof as if fully set forth at length in this Resolution.

Under the Clean-Air Vehicle Program, Clean-Air Vehicles purchased after January 1, 2000 from a licensed auto dealership in the City of San José shall be entitled to free parking at all On-Street Parking Meters throughout the City. Each Clean-Air Vehicle must display a Clean-Air Vehicle permit provided by the Director signifying that it is a Clean-Air Vehicle. All Clean-Air Vehicles parking at On-Street Parking Meters shall adhere to the posted time restrictions.

### **SECTION 3. OFF-STREET RESIDENTIAL PARKING PROGRAM**

- A. The "Off-Street Residential Parking Program," shall be administered by the Director pursuant to the requirements set forth herein.
- B. Upon proper application of an owner or tenant of a legal, residential unit that is located Downtown, the Director shall, subject to the requirements set forth herein, sell such person a Residential Parking Permit. The Residential Parking Permit

shall authorize the permit holder to access the participating Municipal Off-Street Parking Facilities as follows: (1) between the hours of 5:00 p.m. to 8:00 a.m. weekdays, (2) all day on weekends and official government holidays, and (3) up to twenty (20) weekdays per year from the hours of 8:00 a.m. to 5:00 p.m.

- C. The Director is authorized to determine which Municipal Off-Street Parking Facilities will participate in the Off-Street Residential Parking Program. For each Municipal Off-Street Parking Facility, the Director shall make this determination based upon the demand for the Off-Street Residential Parking Program at that Facility, the availability of parking spaces to accommodate the Off-Street Residential Parking Program, and the appropriateness of this type of parking at the Facility.
- D. For each Municipal Off-Street Parking Facility participating in the Off-Street Residential Parking Program, the Director shall make available only the number of Residential Parking Permits that can be accommodated at the Facility without impacting other parking uses.
  - 1. The Director shall sell only one (1) Residential Parking Permit for each residential unit. The Director shall sell the Residential Parking Permits on a first-come, first-served basis.
  - 2. Notwithstanding the foregoing, if the Director determines that the number of Residential Parking Permits available at a participating Municipal Off-Street Parking Facility exceeds the number of residential units for which permits are sought, the Director may sell multiple permits to each residential unit. However, any Residential Parking Permits in excess of one permit shall be subject to immediate termination and revocation by the Director in the event the Director determines such termination and revocation is necessary to accommodate a subsequent increase in demand.
- E. The cost of the Residential Parking Permits for the participating Municipal Off-Street Parking Facilities is set forth in **Exhibit II**, attached and incorporated herein. The monthly rate for the Off-Street Residential Parking Permit Program shall be 50% of the Monthly Rate for the Municipal Parking Facility.
- F. The Director may terminate or revoke a Residential Parking Permit for any reason upon ninety (90) days' notice. The Director may terminate or revoke a Residential Parking Permit for cause upon thirty (30) days' notice. Notwithstanding the foregoing, the Director may terminate or revoke a Residential Parking Permit immediately for failure to pay or for the reason set forth in Section 3.D.2 of this Resolution. Residential Parking Permits shall be subject to renewal at the times

specified by the Director, provided that such renewals shall occur within a maximum period of three (3) years after permit issuance.

- G. The Director is authorized to promulgate reasonable rules and regulations with regard to the administration of the Off-Street Residential Parking Program.

#### **SECTION 4. VALIDATION PROGRAMS**

- A. The Director shall administer the following parking validation programs:

1. Casa del Pueblo Validation Program. The Casa del Pueblo Validation Program enables visitors to the Casa del Pueblo Senior Housing Center to park for up to two (2) hours at the Market/San Carlos Street Lot for a \$1.50 fee. A maximum of 990 discounted 2-hour parking validations are provided to the Casa del Pueblo Senior Housing Center on a monthly basis.
2. Downtown Parking Validation Program. This program provides a maximum of two (2) hours of validated parking for each customer on a 24 hours a day/7 days a week basis.
  - a. Only businesses in the Downtown Core whose primary business is retail, restaurant, Social Service Provider, nightclub or bar ("Qualified Business") may qualify to participate in this program.
  - b. Qualified Businesses may purchase validations at a rate of \$5 for every 100 twenty-minute validations, or its equivalent one hour and two hours validation booklets or bundles.
  - c. The parking facilities participating in the Downtown Parking Validation Program are as follows:
    - Central Place Garage
    - Central Place Lot
    - Convention Center Garage
    - Fountain Alley Lot
    - Fourth Street Garage
    - Market/San Carlos Lot (Block 8)
    - Market Street/San Pedro Square Garage
    - Pavilion Garage
    - San Fernando/Second Street Lot (Block 2)
    - Second/San Carlos Street Garage
    - Third/Santa Clara Garage (The Globe)
    - Third Street Garage

- d. New qualifying businesses opening within the Downtown Core shall receive up to twelve (12) free validation books or its equivalent each month for the first six (6) months of business operation to encourage their participation in the Downtown Parking Validation Program. Each book equals 2,000 minutes and 12 books equal 400 hours of validation. Requests for additional validation books beyond the initial twelve (12) free validation books will be honored at a cost of 15 cents for each hour of validation.
  - e. Downtown Parking Validations cannot be sold and/or distributed to any third party.
  - f. Validation stamp/coupons are not accepted at Municipal Parking Facilities that charge a pre-paid rate at entry. Under special circumstances the Director has the authority to accept validations on a pre-arranged basis.
3. Downtown Cinema Validation Program. The Downtown Cinema Validation Program provides a maximum of three (3) hours and thirty (30) minutes of free parking to patrons of cinemas in the Downtown Core area.
- a. Downtown Cinema Validations may be redeemed at participating parking facilities after the starting time of the first scheduled cinema/movie at any Downtown cinema as determined by the Director.
  - b. Downtown Cinema Validations are limited to redemption at parking facilities determined by the Director to serve the patron needs of the Downtown cinemas. The Director may add parking facilities to this list as they open and serve cinema/movie patron needs. Currently, the following parking facilities have been determined to serve cinema patron needs, based on ease of access and capability to accommodate present usage by patrons of cinemas/movies:
    - Central Place Garage
    - Central Place Lot
    - Fountain Alley Lot
    - Fourth Street Garage
    - Market Street/San Pedro Square Garage
    - Pavilion Garage
    - San Fernando/Second Street Lot (Block 2)
    - Second/San Carlos Street Garage
    - Third/Santa Clara Garage (The Globe)

- Third Street Garage

The Director may remove any of the above facilities from the Downtown Cinema Validation Program if they close, are developed into non-parking facilities, or no longer meet cinema/movie patron needs.

- c. Downtown Cinema Validations are to be provided to patrons of Downtown cinemas/movies for scheduled showings at no charge.
  - d. The Downtown Cinema Validation Program shall not be effective at parking facilities that participate in the Downtown Free Parking Program.
  - e. Downtown Cinema Validations shall not be distributed to cinema employees, secondary uses within a cinema (such as café or restaurant patronage), or sold and/or distributed to any third party.
4. Technology Museum Validation Program. The Technology Museum Validation Program enables patrons of the Technology Museum to park at the incremental rate at the Second/San Carlos Garage and the Convention Center Garage up to a maximum of \$5.00 a day.
- B. The City, through the Director, may enter into written agreements with any person, corporation, association, organization or entity for the validation of customer or client parking so long as such agreements are pursuant to at least one of the above-mentioned validation programs.
- C. The Director is authorized to promulgate reasonable rules and regulations with regard to the administration of each of the validation programs.

**SECTION 5. ALTERNATE USE OF PARKING FACILITIES**

Pursuant to the “Guidelines for Events Held on City-Owned and City-Operated Parking Facilities, including Redevelopment Agency Public Parking Facilities,” adopted by the City Council on September 4, 2001 (hereinafter, “Guidelines”), events approved by the City’s Chief Development Officer may be authorized on certain City-owned and/or operated parking facilities.

The daily rates for use of the parking facilities made available for events in accordance with the Guidelines are as follows:

- A. For all parking facilities except Almaden/Woz Parking Lot charging a flat daily rate, the daily fee will be twice the daily rate per space used.

- B. For parking facilities charging an hourly rate, the daily fee will be the established daily maximum rate per space used.
- C. For parking facilities during periods when a facility primarily provides free parking, the daily fee will be \$6 per space used.

#### **SECTION 6. RULES AND REGULATIONS**

The Director is authorized to promulgate reasonable rules and regulations for operation of the parking facilities described in Section 1, including, but not limited to, collection procedures.

#### **SECTION 7. PRIOR AGREEMENTS**

Agreements which the City entered into pursuant to the terms of any prior Resolution establishing rates and charges for the use of parking facilities mentioned above shall remain in full force and effect until expiration or hereafter amended or terminated by the City.

#### **SECTION 8. EFFECTIVE DATE/REPEAL**

Resolution No. 75132 shall be repealed with the adoption of this Resolution. Any other resolution containing terms and conditions inconsistent with those contained herein are hereby repealed.
