Hi Nora,

Our office has received 7 Youth Commission applications and at this time, interviews and a selection have yet to be made. Our office plans to hold interviews on Friday, March 5th in the late afternoon after the students get out of school. We have selected this interview date as that will allow us sufficient time to review all applications that are submitted by the deadline next Friday, 2/26.

We will make a selection by Wednesday, March 10th at our staff meeting! Thanks Nora.

Hi Dominique, could you tell me what the status is on the selection of a Youth Commissioner. I submitted the applications that I have received and was wondering if any have been interviewed or if a selection has been made. Please advise. Thanks
