### REASON FOR SUPPLEMENTAL

The reason for this supplemental memorandum is to clarify the Public Outreach/Interest Section of the memorandum dated October 25, 2010 for Item #2 of the San Jose Financing Authority. The Public Outreach Section states that a draft Exchange Agreement and amendments to the Lease agreement would be available for review to the public. The memorandum's recommendation to the San Jose City Council and City of San Jose Financing Authority Board is for the City Manager or the City Manager's designee to negotiate, execute and deliver an agreement. Until council action is undertaken, there are no draft Exchange Agreement and amendment to the lease agreement to provide to the public.
