**WHEREAS**, the Council of the City of San Jose established the Hotel Business Improvement District (“Business Improvement District”) pursuant to the California Parking and Business Improvement Area Law (California Streets and Highway Code Section 36500 et seq.) by Ordinance No. 27644, dated January 24, 2006; and

**NOW, THEREFORE**, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:

1. The Council hereby declares its intention to levy and collect assessments within the Hotel Business Improvement District, located within the city limits of San Jose, California, for fiscal year 2012-2013.

2. The proposed improvements and activities to be funded by the Business Improvement District in fiscal year 2012-2013 are, in general, marketing efforts and event opportunities, including advertising, web development, client events, research, and sponsorship of room-night generating events, and administrative expenses.
3. No changes are proposed in the boundaries of the Business Improvement District or the method and basis of levying the assessments in the Business Improvement District as established for fiscal year 2011-2012.
4. All interested parties should refer to the Report on file with the City Clerk of the City of San Jose, City Hall, 200 East Santa Clara Street, San Jose, California, which can also be found online at <http://www.sanjoseca.gov>, that contains a detailed description of the improvements and activities to be provided for fiscal year 2012-2013, the boundaries of the Business Improvement District, and the proposed assessments to be levied upon the businesses within the Business Improvement District for fiscal year 2012-2013.
5. At the aforesaid public hearing, the testimony of any and all interested persons for or against the levying of assessments for fiscal year 2012-2013 or the furnishing of specified types of improvements or activities in fiscal year 2012-2013 in the Business Improvement District shall be heard and considered by the City Council. Protests against the levying of assessments for fiscal year 2012-2013, the extent of the area of the Business Improvement District, or the furnishing of specified types of improvements
