Dear Commissioners,

Taking into consideration the Manager's Budget Addendum #16: Proposed Changes to Boards and Commissions Council Referral #9-25-07-5.2, all of the recommendations, including the frequency and structure of our meetings, were approved and are effective as of July 1, 2010. Therefore, please review the workplan notes from the March Retreat and prioritize 2-3 items you would like the Commission to accomplish for the 2010-2011 Fiscal Year.

In accordance to the Manager's Budget Addendum #16, please also review the Proposed Amended By-Laws for discussion at our next meeting on July 15th.

Please direct your workplan comments to Ernest Azevedo at your earliest convenience.

Sincerely,

Vanessa Burbach, Chair  
David Parker, Vice Chair
