Vanessa and Ernest.

It's with great reluctance that I have to say that the July 15th HRC meeting will be my last. I will no longer be a resident shortly after the 15th, and therefore ineligible to serve on the Commission. It was great to have been on the HRC since November of 2008.

If there are any steps that I need to take in this process, please let me know. If not, I'll see you on the 15th.

Thanks so much!
