

Our Organizational Direction – Mission

Our mission is to meet business and individual needs for a skilled workforce and to help each stay competitive in a rapidly changing environment.

Our Shared Vision

We envision that through our collective efforts individuals will lead successful and fulfilling lives and will foster industry growth and stability.

Our Strategic Objective

- Maximize performance while serving those “likely to benefit”
- Engaging job seekers and business as co equal customers
- Full Commitment to Continuous Quality Improvement (CQI)
- Servicing as a catalyst to build and work with partnerships to address large unmet need
- Address workforce and economic development as strategically intertwined issues.
