

Memorandum

To: Rules Committee

From: Councilmember Linda J. LeZotte

Subject: Referral to Staff to Institute
a Volunteer Disabled
Parking Enforcement
Program

Date: October 23, 2006

Approved:

Recommendation

Direct City Staff to institute a volunteer disabled parking enforcement program, similar to a program that has been developed in the City of Fremont.

Background

The City of San Jose has had great luck addressing the problem of abandoned cars in neighborhoods by utilizing the dedication of community volunteers in the Vehicle Spotter Program. A similar program should be established to assist with disabled parking enforcement. The City of Fremont's program has been in place for over ten years.
