RECOMMENDATIONS

Accept this report on posting of public calendars by City officials on the City's web site.

BACKGROUND

On December 15, 2009, as part of the Mayor's Biennial Ethics Review, City Council directed the City Manager's Office (CMO) to review compliance with Open Government calendaring requirements and to report the results bimonthly to the Rules and Open Government Committee.

Staff presented its first report on compliance to the ROGC on May 26, 2010. On June 8, 2010, the Council approved an ROGC recommendation to revise the posting deadline to 5pm on Mondays and to 5pm on Tuesdays following a Monday holiday. On December 15, 2010, the ROGC approved a staff recommendation to revise the frequency of reporting from bi-monthly to quarterly

ANALYSIS

Staff conducted a weekly review of on-line calendars from April 9, through July 2, 2012. Attachment A is a report detailing results with explanatory notes during this review period. On average, 92.5% of the calendars were updated on time, consistent with calendaring requirements. Not factored into this percentage are data anomalies caused by: 1) technical problems; 2) inaccuracies caused by staff errors in compiling data for this report; and 3) unexpected absences (e.g. sick leave).
