WHEREAS, the Council has received and considered that certain memorandum entitled "Determinations Regarding Funds Transferred to the City for Public Improvement Project" from the Assistant Director of the Redevelopment Agency of the City of San José to the City's Capital Budget Coordinator, dated March 12, 2008 which includes a discussion of certain public improvements in The Alameda Redevelopment Project Area (the "Project Area"); and

WHEREAS, the implementation plan for the Project Area includes streetscape and infrastructure improvements, including traffic and circulation improvements; and

WHEREAS, the improvements referenced in the March 12, 2008 Memorandum are intended to accomplish the goal of eliminating blight within the Project Area by the construction of a new landscaped median with vertical/pillar element at the intersection of The Alameda and Hanchett, creating a more visible median delineating the turn lanes and complementing the existing streetscape along The Alameda; and
