

**RESOLUTION NO. 75131**

**A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN JOSE SUPPORTING THE GOALS OF THE EAST FOOTHILLS COMMUNITY WILDFIRE PROTECTION PLAN**

**WHEREAS**, the California Fire Alliance, an interagency/public collaboration of local, state and federal agencies with a mission to protect and enhance the quality of life threatened by wildfire, encourages the development of Community Wildfire Protection Plans which identify strategic sites and methods for fuel reduction projects and enable a community to plan how it will reduce the risk of wildfires; and

**WHEREAS**, the San José Fire Department participates in the Santa Clara County FireSafe Council, which has developed a Community Wildfire Protection Plan (“CWPP”) for the East Foothills, most of which is located in unincorporated Santa Clara County, but is contained within the San José Fire Department coverage area; and

**WHEREAS**, the CWPP incorporates wildfire related mitigation strategies in the Association of Bay Area Governments Multi-Jurisdictional Local Government Hazard Mitigation Plan and identifies a number of large and small projects which will reduce the potential risk of wildfires in various areas; and

**WHEREAS**, the City desires to approve the CWPP as evidence of its continuing participation in and support of the Santa Clara County FireSafe Council;

**NOW, THEREFORE,** BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SAN JOSE THAT:

1. The City of San José supports the goals of the East Foothills Community Wildfire Protection Plan developed by the Santa Clara County FireSafe Council for the area east of San José.
2. The Mayor and Fire Chief are authorized to execute the mutual agreement page of the East Foothills Community Wildfire Protection Plan.
