5.1.1.070 Statistical Reports Prepared By The San Jose Police Department

The San Jose Police Department must produce:

- A. A quarterly report on traffic stops conducted by San Jose police officers, including ethnicity of the person stopped, some geographic designation of the location of the stop, whether the vehicle was searched and whether an arrest occurred.
- B. A quarterly report on the San Jose Police Department's use of force in arrests, including the ethnicity of the person arrested, some geographic designation of the location of the arrest, and the type of force used, by category (for example, firearms, tasers, batons, pepper spray, hands and feet).

5.1.1.080 Statistical Reports Prepared By The Independent Police Auditor

The Independent Police Auditor must maintain a report, kept separate from the personnel records of the Police Department, which reports the number and substance of citizen complaints against the Police Department or its officers, the number and types of cases in which discipline is imposed, and the nature of the discipline imposed. This record must be maintained in a format which assures that the names and other identifying information of individual officers involved is not disclosed directly or indirectly. However, a unique numerical or alphabetical designation should be assigned to each officer who is the subject of one or more complaints, so that the public can determine whether multiple complaints have been directed at a single officer and the nature of those complaints.
