

Statement of **LAN NGUYEN**, Candidate for
Member, San Jose City Council, District 8

Occupation: Board President

Age: 38

Education and Qualifications:

For the last 15 years, I've been an effective community leader and activist. As a father of two, I care deeply about the people and future of San Jose. I believe I have the experience to be your next Councilmember.

As a Board Member for the East Side Union High School District, I helped lead the district out of a budget crisis. Since my election, I worked to ensure math and science programs were fully funded. Most importantly, student test scores have steadily increased over the last 3 years. Last December, I was elected Board President. Professionally, I work for the County, providing social support services and critical job retraining for low income and underserved families. My degree in business administration and training in fiscal management give me the experience needed to ensure fiscal responsibility at City Hall.

My priorities as your Councilmember will include improving our schools, reducing traffic congestion, keeping our neighborhoods safe, and attracting vibrant retail and restaurants to Evergreen. I'm endorsed by: County Supervisor Ken Yeager; Assemblymember Jim Beall; Councilmember Nora Campos; ESUHSD Trustee Eddie Garcia; and many others. I'd be honored to earn your vote. www.lan4district8.com
