

Statement of **TED SCARLETT**, Candidate for
Member, San Jose City Council, District 2

Occupation: Businessman/Entrepreneur

Education and Qualifications:

We live in the greatest place on earth. I'm committed to making it better, through strong safe neighborhoods, great schools, Business friendly environment, excellent public services, and efficient open local government. During my career at IBM I held positions in Manufacturing, Engineering, National & International Marketing. As a critical accounts manager I provided leadership, working with expert teams to co-create solutions to complex business problems. I have advocated for the elderly, my neighborhood, and children. I support more after-school/homework programs. I'll fight for safe campuses; seek to expand city/school/business partnerships, money spent in classrooms, not bureaucracy. I'm opposed to tax increases. The city must work harder and smarter. I am committed to fiscal responsibility. As your city council person I will represent you, your concerns, your needs.
