

**Statement of Madison Nguyen, Candidate for
Member, San Jose City Council, District 7**

Occupation: Councilmember, City of San Jose

Age: 35

Education and Qualifications:

I have been honored to serve as your Councilmember since 2005. Despite difficult economic times, I have tirelessly worked with residents and neighborhood leaders to improve the quality of life in our District. Together we have created over 1,000 new jobs, built over 700 affordable homes, added several new parks, fixed streets, and kept our neighborhoods safe.

I believe that government must be responsive to the people. By keeping residents informed through town hall forums, newsletters, and public meetings, we have increased transparency at City Hall and preserved the public's trust.

Considering the challenges facing our city, it is important to elect a councilmember with the experience and leadership skills necessary to create jobs and find creative ways to balance our city budget and preserve services without raising taxes.

I am proud to have received the support of Mayor Chuck Reed, San Jose Police Officers' Association, former Secretary of Transportation and Mayor Norman Mineta, and Congressman Michael Honda.

I respectfully ask for your vote and support of my re-election to the San Jose City Council. Together, we can continue the work necessary to make our neighborhoods an even better place to live.
