

Name: Donald Rocha
Occupation: Governing Board Member, Cambrian School District

I'm committed to public service and would be honored to serve the city I have called home my entire life.

Once elected, I will be an advocate for the resident and taxpayer. I will be clear that any expenditure the city makes must provide residents with those core neighborhood services we need most: public safety, libraries, quality parks and well-maintained facilities, and community center programs that serve youth and seniors.

To accomplish this, I will work to maintain the city's revenue through the retention and creation of employment and business opportunities utilizing incentives and improved permitting processes. I will fight to eliminate redundancies and wasteful spending while ensuring that we reduce our operating expenses and employee costs.

I will use my experience as a School Board Trustee to balance the budget and advocate for quality education and funding for programs like homework centers, school crossing guards, summer programs, and after-school care.

I'm honored to have the endorsement and trust of Vice Mayor Judy Chirco, Supervisor Ken Yeager, and Assemblymember Jim Beall to serve this community.
