

District 10

Edesa Bitbadal
Planning Commissioner

I'm running for City Council because our families, children and seniors in Almaden & Blossom Valleys deserve the best quality of life.

Having been an active volunteer in the classroom, community, and neighborhood for several years, I understand the issues facing our community. I will use my extensive experience and knowledge to be your voice at City Hall.

I will get back to the basics of investing your tax dollars responsibly to keep our neighborhoods safe, clean, and well maintained. As your councilmember, I will bring common sense solutions to our budget situation while protecting essential city services such as police, fire, parks, libraries, and youth and senior services.

I am a graduate of Leland High School and have a Masters in Public Administration from SJSU. As the Planning Commission Vice-Chair, I support projects that protect the character of neighborhoods, make economic sense, and create new jobs. I will utilize my education and professional experience in economic development to balance the budget while protecting our neighborhoods and environment.

I respectfully ask for your vote on June 5th. www.edesa2012.com
