Name: Rudy Rodriguez Age: 47
Occupation: Public Affairs Specialist

A community philanthropist for over 15 years, I have worked closely with community stakeholders, established partnerships and have worked with mentorship programs to help create educational opportunities for youth. As your Council member, I will address issues that impact our quality of life. I will focus on creating opportunities for youth, quality and accessible senior services, and safe and beautiful neighborhoods. I will also push for policies that create more homeownership opportunities.

As a member on the City of San Jose Small Business Development Commission, currently serving on the Mexican Heritage Plaza and YMCA boards, and having served as chair for the Hispanic Chamber of Commerce, I have first-hand experience on what it takes to work with the community and community-oriented programs. I am dedicated to restoring the trust and confidence of District 7 residents in local government and its elected leaders. For accountable leadership, I ask for your vote.
