¹Hispanic Inclusive= persons of Hispanic ethnicity are tabulated within each race category, maintaining the distinction between race and ethnicity established by the Office of Management and Budget (OMB) in Directive 15, revised October 1997.

*Note: the Redistricting Advisory Commission, at its 3/28/11 meeting, requested inclusion of several former unincorporated County pockets in the City of San Jose's population for redistricting purposes. While these former pockets were not incorporated as of Census Day (April 1, 2010), their subsequent annexation in November/December 2010 and the ready availability of definitive Census 2010 data for these areas allows a more accurate representation of San Jose's current demographic and geographic characteristics.
