c/o Dennis Hawkins, City Clerk
200 E. Santa Clara Street

Dear Redistricting Advisory Commission members:

First let me thank you for the important civic work you are doing. Our community appreciates and values your commitment of time and energy.

The Evergreen School District largely resides in District 8 with one school, O.B. Whaley Elementary residing in District 7. As you consider recommendations for changes to Council District boundaries, we respectfully and formally request that the Redistricting Commission ensure that the Evergreen School District not exceed two Council Districts.

Sincerely,

A handwritten signature in cursive script that reads "Katherine Gomez".
