Hello, my name is Dario Lerma, my wife and I have lived in the McKinley/Bonita neighborhood (District-3) for the past twenty-five years. It has come to our attention that your commission is considering moving a portion of our neighborhood to District-7. Why would such a thought even be considered, what made you look at us? This topic has not been discussed with the neighborhood citizens and this preposterous move would be disastrous to our community. We do not want to be in District -7, we are part of the downtown core and want to remain in District-3. I have nothing against the staff from District-7, I voted for Sam Liccardo and want his representation in City matters.

Thank you, Dario Y Ramona Lerma 408.230.0422
