

April 28, 2011

Attn: Redistricting Committee,

My husband and I bought our home on Northampton Drive in 1965. We have been proud to call Willow Glen home and enjoy living in Willow Glen. We understand that a group is considering removing our neighborhood from District 6 and placing us in another district. We are alarmed that people are considering dividing our neighborhood. We do not believe dividing our neighborhood is a good idea nor fair.

Our children attended Booksin elementary school and graduated from Willow Glen High. Many of the current school age children in our neighborhood attend Booksin elementary and Willow Glen High. We are active parishioners of St. Christopher's church in Willow Glen. The current boundary of Curtner Ave and Leigh Ave make sense to those of us who lived here for decades.

We support staying in District 6.
