Subject: Willow Glen

Redistricting Commission,

My husband, Frank Dorsa, who's family founded Eggo Food Products, was born in Willow Glen. Although I was born in San Jose, it was in the Edenvale area. I moved to Willow Glen when I was 12. We bought our first house, an Eichler just across the street from Saint Christopher's church when we were first married. Eleven years later we moved to Mulberry Lane just a few blocks away and have lived there ever since. We have lived in the section of Willow Glen (Curtner Ave and Dry Creek Road) for 48 years. Our businesses, Classic Car Washes, has served the entire area for nearly 50 years. In short, we are Willow Glen.

Now we hear that someone wants to remove our neighborhood from District 6. We cannot understand where this idea came from but let us make it very, very clear, we are adamantly opposed to this. Not only are there emotional issues involved but there are property values and the dividing of Willow Glen to take into consideration as well. This is an idea that seems to be born of political ambition and ludicrous in our minds. We ask that this proposition be dropped.
