Subject: proposed options for redistricting

I am opposed to the proposed redistricting which moves [Willow Glen-approximately all portions of Willow Glen south of Dry Creek Road from Leigh Ave to Hicks Ave and any other existing Willow Glen neighborhoods south of Curtner Ave could possibly move to District 9. The proposed area is almost the entire Booksin Elementary school attendance area.](#)

This area should remain in district 6 as part of Willow Glen.
Willow Glen is a community. I purchased a home to be in Willow Glen and this proposal divided the community.

Thanks you for your cosideration
