Subject: Keeping Willow Glen Together

To Whom It May Concern,

Four generations of my family have lived in Willow Glen. I have resided at my home on Constitution Drive for 45 years. I grew up in Willow Glen on Jansen Ave. My late husband and I raised 7 children who attended Booksin Elementary for kindergarden and St. Christopher's for 8 years. Both of these schools will no longer be in Willow Glen if the boundaries for District 6 change. I think changing the boundaries will divide this close knit community. District 6 needs to stay as is.

Please review other options outside of Willow Glen when redrawing district lines.

Sincerely,
Valerie Bovone
