

To Whom It May Concern,

I write to you in hopes of persuading the commission to pursue other options on redrawing council district lines. I have lived on Kirklyn Dr, for over 40 years and have been actively involved in the Willow Glen community through philanthropy and school PTA.

Our neighborhood has always been united with Willow Glen and District 6. We have been fortunate to always have excellent representation going back to Nancy Ianni. District 6 used to go to Foxworthy Ave, and I have watched our neighborhood become splintered over time.

My children attended Booksin Elementary and Willow Glen High school. My daughter played Bobby Sox softball at Bagby which is more like our local park instead of a neighborhood school as many children in the neighborhood attend St. Christopher's church for school.

I enjoy living in Willow Glen and want to continue to have my voice heard at City Hall by a responsive district 6 representative.

Sincerely,

Beverly Diehl
1814 Kirklyn Dr
