Subject: redistricting

My name is Kenneth Blase. My wife and I live on Nola Dr. in Willow Glen. We bought our home new in 1975. The reason we bought here was because it was in Willow Glen. We just heard of your plans to change our area to another district. I called Michael Bill at the planning commission office, he said our street would not be effected, however my wife talked to our Councilman Olivario and he said our street is going to be effected. Who is telling the truth and who is not. Why hasn't this been out in the open. Everyone we have talked to in our area didn't know anything about this. Why is this being kept so quiet. No one has seen it on the local news or in the newspaper. If this happens, you will be effecting hundreds of families. Our property values will drop drastically, and children will have to change shcools. We have heard that 9 of our City Council members have already made up their minds to vote for this. If this is true, shame on them. This will all be brought out at the meeting on Monday.

Respectfully;
Mr & Mrs K.R.Blase
