Hello,

I received the regular monthly event update from Councilmember Oliverio below and felt the need to write in. I live on Miriam Court off of Dry Creek Road, in fact I bought the house across the street from my parents. I am a WGHS alumni and my children have followed in my footsteps. We have a great community however this idea of chopping up our neighborhood is ludicrous. Where on earth does someone think it is a good idea to chop up an existing neighborhood? Especially when there is another option with rational borders like Capitol Expressway, Highway 87 and Almaden Expressway.

It smells like politics and not what is best for the community. Willow Glen should be represented by one council district as it was in the past.
