Subject: Redistricting Willow Glen

To Whom it May Concen,

I am very concerned about this decision to redistrict Willow Glen. As a REALTOR withy over 23 years experience, and as a Willow Glen Homeowner, I am very concerned about the changes to my community which will affect the resale value of my home, as well as that of my clients. There is NO REAL reason for making these changes. Willow Glen is a tight net community and that is the way it should remain. I VOTE NO FOR THE REDISTRICTING.

GBU,

Craig
