Subject: Redistricting Concern

To whom it may concern:

I am DEEPLY concerned about the proposal to move Elkhorn Court from the Willow Glen district into the Cambrian district. Unfortunately, I am not able to attend tonight's public hearing (which I just found out about). We purchased our home to be part of the Willow Glen neighborhood - not Cambrian. Moving to the Cambrian district would add affect our property values and community identity.

Our daughter attended Bookin Elementary and is now at Willow Glen Middle School which are close by. Moving into a different district would affect which schools she is eligible to attend and potentially impact her education and social network.

I am steadfastly opposed to making Curtner a dividing line between Willow Glen and Cambrian. I highly encourage the redistricting committee to consider other areas that are away from downtown Willow Glen & Willow Glen schools such as the Rubino neighborhood

Sincerely,
James Hare
