Subject: Opposition

I am a lifetime Willow Glen resident and currently live on Richland Avenue, south of Curtner. I bought in this neighborhood because it was Willow Glen and do not take news of this potential re-districting lightly as it would have a great effect on my family and the schools my children attend. My husband and I clearly oppose redistricting this neighborhood. If a neighborhood must be redistricted, the area east of Almaden Expressway, seems much more appropriate as that neighborhood does not feed into Willow Glen schools. As it is a newer neighborhood, it is not part of the Willow Glen history as are the other neighborhoods under consideration.
