To whom it may concern:

Recent articles in the SJ Mercury News have stated that City Council District Boundaries are being re-evaluated and some boundary lines may change.

I have lived on Koch Lane since 1977. Koch Lane is part of City Council District 9 but, in my opinion, should be included in City Council District 6 for the following reasons:

- The zip code for Koch Lane is 95125; the same zip code as Willow Glen.**
- The Willow Glen Resident and Willow Glen Times are delivered to our neighborhood; we do not receive Cambrian community newspapers.**
- Zanotto's "of Willow Glen" recently opened on Foxworthy Avenue.**
- Children residing on Koch Lane attend Willow Glen Middle School and Willow Glen High School.**
- Realtors advertise Koch Lane as Willow Glen/South Willow Glen.**
- City Council District 9 pays little attention to South Willow Glen as it is not part of the Cambrian neighborhood.**

I feel Koch Lane and surrounding streets would be better represented if they were part of City Council District 6. This neighborhood identifies with Willow Glen.

Sincerely,

Richard Tretten
